INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Gulshan Enterprises 401(k) Plan

Disclaimer of Opinion on the 2023 Financial Statements

We were engaged to audit the financial statements of Gulshan Enterprises 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of October 31, 2023, the related statement of changes in net assets for the ten months ended October 31, 2023 and the related notes to financial statements.

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion on the 2023 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to Plan enrollment forms, participant contributions, investment allocations elections and participant distribution forms. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Emphasis of Matter - Plan Termination and Liquidation Basis of the 2023 Financial Statements

As discussed in Note 1 to the financial statements, the Board of Directors of Gulshan Enterprises, Inc., the Plan's sponsor, voted on June 6, 2022 to freeze all contributions to the Plan and voted on January 18, 2023 to terminate the Plan, and management determined liquidation is imminent. As a result, the Plan is presenting the financial statements on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matters***2023 Supplemental Schedule Required by ERISA***

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the ten months ended October 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

Auditor's Report on the 2022 Financial Statements

We were engaged to perform an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, our audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by qualified institution. In our report dated January 23, 2024, we indicated that because the Plan did not maintain sufficient accounting records and supporting documents related to the Plan enrollment forms, participant contributions and investment allocations elections, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly we did not express an opinion on the 2022 financial statements and supplemental schedules. The information in the 2022 financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

- Effective January 18, 2023, the Company adopted an amendment to terminate the Plan effective January 18, 2023 and distribute all assets of the Plan-to-Plan participants as soon as administratively practicable.

1. DESCRIPTION OF PLAN (CONTINUED)

Tri City Foods Inc. who were deferring on August 2, 2020 were excluded from the employer match. Participants directed all contributions into various investment options offered by the Plan.

Participant Accounts - Each participant's account was credited with the participant's contributions and allocations of the Company's contributions, and administrative expenses, if any. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of participants' accounts was based on years of continuous service. A participant was 100% vested after five years of credited service. Upon termination of the Plan on January 18, 2023, all participants became 100% vested.

Normal Retirement - Normal retirement age was 65 years of age.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installments, or partial withdrawal. For termination of services for other reasons, a participant could receive the value of the vested interest in his or her account as a lump-sum distribution.

Notes Receivable from Participants - Prior to the Plan freeze effective June 6, 2022, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account and bore interest at rates set at rates commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest was paid ratably through payroll deductions. Notes receivable could not exceed five years unless the note was for the purpose of purchasing a personal residence.

Forfeitures - Forfeitures of non-vested amounts were first used to offset expenses and any remaining amounts then used to reduce employer contributions. At October 31, 2023 and 2022, forfeited nonvested accounts totaled \$0 and \$13,715, respectively. During 2023, \$13,715 in forfeitures were used to offset expenses during the ten months ended October 31, 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and the Use of Estimates - Due to the decision to terminate the Plan, management determined that liquidation of the Plan was imminent, and the financial statements have been prepared using the liquidation basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition - Investments were reported at liquidation value. For all investments, fair value approximates the amount the Plan expected to collect at liquidation.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net change in fair value of investments included the Plan's gains and losses on investments purchased and sold as well as held during the period.

Notes Receivable from Participants - Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. No allowance has been recorded as of October 31, 2023 or December 31, 2022 for these notes receivable. Delinquent loans were treated as distributions based upon the terms of the Plan document.

Benefit Payments - Benefit payments to participants were recorded when paid.

Administrative Expenses - Certain expenses of the Plan may have been paid directly by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and included in administrative expenses. Some investment related expenses may be included in net change in fair value of investments.

Subsequent Events - The Plan Administrator has evaluated subsequent events through June 12, 2024, the date these financial statements were available to be issued.

3. INFORMATION CERTIFIED BY MINNESOTA LIFE INSURANCE COMPANY (UNAUDITED)

The following is a summary of the information as of December 31, 2022 that was prepared by or derived from information provided by Minnesota Life Insurance Company (Minnesota Life), a qualified institution, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from Minnesota Life that information provided to the Plan Administrator by Minnesota Life related to the following assets is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, and the fair values in Note 4.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer the liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The following describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Pooled Separate Accounts - Investments in units of pooled separate accounts held with an insurance company are stated at estimated fair market value and are valued by the insurance company based on the net asset value of units held by the Plan. The net asset value is determined by the insurance company based on the market value of the underlying investments held in the pooled fund.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels described previously (there were investment balances at October 31, 2023 and no level 2 or level 3 investments at December 31, 2022).

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets were managed by Penchecks Trust and Minnesota Life Insurance Company or an affiliated entity, (parties-in-interest), and therefore, these transactions, qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management services were \$47,652.

6. PLAN TERMINATION

As disclosed in Note 1, the Board of Directors of the Company elected to terminate the Plan subject to the provisions set forth in ERISA, effective January 18, 2023. As a result, management determined liquidation was imminent. All participants became fully vested at the time of termination. The Plan fully liquidated all assets and paid all benefits during 2023.

7. TAX STATUS

The Plan adopted a non-standardized pre-approved plan (pre-approved plan) designed to qualify under Section 401 of the Internal Revenue Code. The Plan has obtained a copy of a favorable opinion letter for the pre-approved plan dated June 30, 2020, upon which the Plan is relying, that the pre-approved plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and has been operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that it had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

7. TAX STATUS (CONTINUED)

The Plan is subject to routine investigations by the Department of Labor (DOL) under Section 504 of the Employee Retirement Income Security Act of 1974 to determine whether such plans are conforming with the provisions of Title 1 of the Act or any regulations or orders thereunder. In September 2022, the Plan was notified that it was selected for a DOL investigation for the period beginning January 1, 2019 through the present. The DOL has begun their fieldwork, however, has not proposed any adjustment or assessed any penalties as of the date of the report.

8. PROHIBITED TRANSACTIONS

For the years ending December 31, 2022 and 2021, contributions of \$554,866 and \$137,576 were not deposited within the required timeframe, as stated and interpreted by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The Company deposited all late contributions prior to October 31, 2023 and reimbursed the Plan for lost earnings in 2023.
