**Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)**

**11a** If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

**11b** Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

**11c** Enter the Receipt Confirmation Code for the 2022 Form M-1 annual report. If the plan was not required to file the 2022 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

|  |
|--|
| (b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation |

| (4) Other .....   | 2i(4)  | 500        |           |
| (5) Total administrative expenses. Add lines 2i(1) through (4) .....                            | 2i(5)  |            | 500       |
| j Total expenses. Add all <b>expense</b> amounts in column (b) and enter total .....            | 2j     |            | 1678643   |
| <b>Net Income and Reconciliation</b>  |        |            |           |
| k Net income (loss). Subtract line 2j from line 2d .....  | 2k     |            | 2091993   |
| l Transfers of assets:  |        |            |           |
| (1) To this plan .....  | 2l(1)  |            | 0         |
| (2) From this plan .....  | 2l(2)  |            | 0         |

**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **RSM US LLP**

(2) EIN: **42-0714325**

**d** The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

**a** Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.) .....

|           | Yes | No | Amount |
|-----------|-----|----|--------|
| <b>4a</b> |     | X  |        |

|  | Yes | No | Amount  |
|--|-----|----|---------|
| <b>b</b> Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.) |     |    |         |
| <b>4b</b>  |     | X  |         |
| <b>c</b> Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)   |     |    |         |
| <b>4c</b>  |     | X  |         |
| <b>d</b> Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)  |     |    |         |
| <b>4d</b>  |     | X  |         |
| <b>e</b> Was this plan covered by a fidelity bond?   | X   |    | 2000000 |
| <b>f</b> Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?  |     | X  |         |
| <b>4f</b>  |     | X  |         |
| <b>g</b> Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?   |     |    |         |
| <b>4g</b>  |     | X  |         |
| <b>h</b> Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?   |     |    |         |
| <b>4h</b>  |     | X  |         |
| <b>i</b> Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)   | X   |    |         |
| <b>4i</b>  | X   |    |         |
| <b>j</b> Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)   |     |    |         |
| <b>4j</b>  |     | X  |         |
| <b>k</b> Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?  |     |    |         |
| <b>4k</b>  |     | X  |         |
| <b>l</b> Has the plan failed to provide any benefit when due under the plan?   |     |    |         |
| <b>4l</b>  |     | X  |         |
| <b>m</b> If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)   |     |    |         |
| <b>4m</b>  |     | X  |         |
| <b>n</b> If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.  |     |    |         |
| <b>4n</b>  |     | X  |         |

**5a** Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No  
If "Yes," enter the amount of any plan assets that reverted to the employer this year \_\_\_\_\_.

**5b** If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

| 5b(1) Name of plan(s) | 5b(2) EIN(s) | 5b(3) PN(s) |

## Independent Auditor's Report

Administrative Committee  
Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4(i)—schedule of assets (held at end of year), as of September 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

---

#### Note 1. Description of the Plan

The following description of the Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General and eligibility:** The Plan is a defined contribution plan covering all eligible employees of Alaskan Copper Companies, Inc. (the Company), a subsidiary of Alco Investment Company. Employees who complete at least 1,000 hours of service during a consecutive 12-month period following the date of their employment and are not covered by a collective bargaining agreement are eligible to participate in the Plan. Employees meeting eligibility requirements prior to October 3, 2022 were enrolled on two dates annually (April 1 and October 1), employees meeting eligibility requirements on or after October 3, 2022 are enrolled immediately upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

**Contributions:** Each year, the Company shall contribute the lesser of 7.5% of its net profits, as defined, or 15% of participants' compensation to the Plan. The Company has discretion to contribute additional amounts to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant accounts:** Each participant's account is credited with allocations of Company contributions, forfeitures of terminated participants' nonvested accounts, and Plan earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. All investments, with the exception of the Principal Preservation option-money market fund, are nonparticipant-directed.

**Vesting:** Vesting in the Company's contributions is based on years of continuous service. A participant is 100% vested on a graded scale after six years of credited service. Participants who reach normal or early retirement age, become disabled, or die become 100% vested regardless of the vesting schedule.

**Payment of benefits:** On termination of service due to death, disability or retirement, participants or their designated beneficiaries may elect to receive the vested value of their accounts either in a lump-sum payment or in equal annual installments over two to nine years. Account balances less than \$5,000 will be paid in a lump-sum payment.

In the event of death of a participant before their retirement benefit commences, the participant becomes vested in any unvested balances, and 100% of the participant's account balance will be paid to the named beneficiary. If a participant becomes permanently disabled while a Company employee, 100% of their account will become vested and be distributed in the same manner as if the participant had retired.

**Forfeited accounts:** Forfeited balances of participants' nonvested accounts can be used to pay plan expenses, reduce employer contributions, and then are allocated to each participant's account based on the ratio of the participant's eligible compensation to total eligible compensation for the Plan year. At September 30, 2023 and 2022, forfeited nonvested accounts totaled \$9,084 and \$39,757, respectively, and all were allocated to participant accounts after the Plan year-end.

**Money market fund:** Participants who have reached the age of 55 may elect to have a portion or all of their account balances transferred to the Principal Preservation option (the Fund). The Fund is currently invested in the Fidelity Treasury Only Money Market. Participants meeting the age criteria may direct any percentage of their account balance to the Fund at any time during the Plan year.

### Notes to Financial Statements

---

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America (U.S. GAAP).

**Contributions:** Contributions from the employer are recorded in the year in which participant compensation is earned.

**Use of estimates:** The preparation of financial statements in accordance with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies utilizing information provided by the Plan's advisers. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Investment-related expenses are included in net appreciation in fair value of investments.

**Subsequent events:** The Plan has evaluated subsequent events through June 28, 2024, the date that the financial statements were available to be issued.

#### Note 3. Information Certified or Provided by Fidelity Management Trust Company

The following is a summary of the asset information as of September 30, 2023 and 2022, and for the year ended September 30, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, which was prepared or derived from information provided by Fidelity Management Trust Company (the trustee) and furnished to the Plan Administrator.

The Plan Administrator has obtained the certification from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is to the best of its knowledge complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the assets held by the trustee of the Plan's assets, except for comparing the certified information to the information included in the Plan's financial statements and ERISA-required supplemental schedule of assets (held at end of year).

### Notes to Financial Statements

---

#### Note 3. Information Certified or Provided by Fidelity Management Trust Company (Continued)

The following information was certified by the Plan trustee as of September 30:

|                            | 2023                 | 2022                 |
|----------------------------|----------------------|----------------------|
| Investments at fair value: |                      |                      |
| Mutual funds               | \$ 27,662,498        | \$ 25,460,155        |
| Money market fund          | 5,305,168            | 5,303,488            |
| Total certified assets     | <u>\$ 32,967,666</u> | <u>\$ 30,763,643</u> |

The trustee also certified the completeness and accuracy of \$1,768,360 of net appreciation in fair value of investments and \$1,051,050 of interest and dividends for the year ended September 30, 2023, including gains and losses on investments bought and sold.

#### Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methods used to value investments as of September 30, 2023 and 2022.

**Mutual funds and money market fund:** Mutual funds and the money market fund are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

## Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

### Notes to Financial Statements

#### Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of September 30:

|                                 | 2023          |         |         |               |
|---------------------------------|---------------|---------|---------|---------------|
|                                 | Level 1       | Level 2 | Level 3 | Total         |
| Mutual funds                    | \$ 27,662,498 | \$ -    | \$ -    | \$ 27,662,498 |
| Money market fund               | 5,305,168     | -       | -       | 5,305,168     |
| Total investments at fair value | \$ 32,967,666 | \$ -    | \$ -    | \$ 32,967,666 |

  

|                                 | 2022          |         |         |               |
|---------------------------------|---------------|---------|---------|---------------|
|                                 | Level 1       | Level 2 | Level 3 | Total         |
| Mutual funds                    | \$ 25,460,155 | \$ -    | \$ -    | \$ 25,460,155 |
| Money market fund               | 5,303,488     | -       | -       | 5,303,488     |
| Total investments at fair value | \$ 30,763,643 | \$ -    | \$ -    | \$ 30,763,643 |

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

#### Note 5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee and record keeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid for investment management services are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

#### Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in any employer contributions.

#### Note 7. Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since adopting the preapproved plan document; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

## Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

### Notes to Financial Statements

---

#### Note 8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the Plan's investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statement of net assets available for benefits.

#### Note 9. Nonparticipant-Directed Investments

Nonparticipant-directed investments consist of the mutual funds held in the Plan. Information about the net assets and the significant components of the changes in net assets available for benefits relating to the nonparticipant-directed investments is as follows:

|   | September 30, |                    |
|---|---------------|--------------------|
|   | 2023          | 2022               |
| Net assets:                                   |               |                    |
| Mutual funds                                  | \$ 27,662,498 | \$ 25,460,155      |
|   |               |                    |

**Independent Auditor's Report**

Administrative Committee  
Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4(i)—schedule of assets (held at end of year), as of September 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

### Notes to Financial Statements

---

#### Note 1. Description of the Plan

The following description of the Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General and eligibility:** The Plan is a defined contribution plan covering all eligible employees of Alaskan Copper Companies, Inc. (the Company), a subsidiary of Alco Investment Company. Employees who complete at least 1,000 hours of service during a consecutive 12-month period following the date of their employment and are not covered by a collective bargaining agreement are eligible to participate in the Plan. Employees meeting eligibility requirements prior to October 3, 2022 were enrolled on two dates annually (April 1 and October 1), employees meeting eligibility requirements on or after October 3, 2022 are enrolled immediately upon meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

**Contributions:** Each year, the Company shall contribute the lesser of 7.5% of its net profits, as defined, or 15% of participants' compensation to the Plan. The Company has discretion to contribute additional amounts to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant accounts:** Each participant's account is credited with allocations of Company contributions, forfeitures of terminated participants' nonvested accounts, and Plan earnings and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. All investments, with the exception of the Principal Preservation option-money market fund, are nonparticipant-directed.

**Vesting:** Vesting in the Company's contributions is based on years of continuous service. A participant is 100% vested on a graded scale after six years of credited service. Participants who reach normal or early retirement age, become disabled, or die become 100% vested regardless of the vesting schedule.

**Payment of benefits:** On termination of service due to death, disability or retirement, participants or their designated beneficiaries may elect to receive the vested value of their accounts either in a lump-sum payment or in equal annual installments over two to nine years. Account balances less than \$5,000 will be paid in a lump-sum payment.

In the event of death of a participant before their retirement benefit commences, the participant becomes vested in any unvested balances, and 100% of the participant's account balance will be paid to the named beneficiary. If a participant becomes permanently disabled while a Company employee, 100% of their account will become vested and be distributed in the same manner as if the participant had retired.

**Forfeited accounts:** Forfeited balances of participants' nonvested accounts can be used to pay plan expenses, reduce employer contributions, and then are allocated to each participant's account based on the ratio of the participant's eligible compensation to total eligible compensation for the Plan year. At September 30, 2023 and 2022, forfeited nonvested accounts totaled \$9,084 and \$39,757, respectively, and all were allocated to participant accounts after the Plan year-end.

**Money market fund:** Participants who have reached the age of 55 may elect to have a portion or all of their account balances transferred to the Principal Preservation option (the Fund). The Fund is currently invested in the Fidelity Treasury Only Money Market. Participants meeting the age criteria may direct any percentage of their account balance to the Fund at any time during the Plan year.

### Notes to Financial Statements

---

#### Note 2. Summary of Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting under accounting principles generally accepted in the United States of America (U.S. GAAP).

**Contributions:** Contributions from the employer are recorded in the year in which participant compensation is earned.

**Use of estimates:** The preparation of financial statements in accordance with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies utilizing information provided by the Plan's advisers. Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Payment of benefits:** Benefits are recorded when paid.

**Expenses:** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Investment-related expenses are included in net appreciation in fair value of investments.

**Subsequent events:** The Plan has evaluated subsequent events through June 28, 2024, the date that the financial statements were available to be issued.

#### Note 3. Information Certified or Provided by Fidelity Management Trust Company

The following is a summary of the asset information as of September 30, 2023 and 2022, and for the year ended September 30, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, which was prepared or derived from information provided by Fidelity Management Trust Company (the trustee) and furnished to the Plan Administrator.

The Plan Administrator has obtained the certification from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is to the best of its knowledge complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the assets held by the trustee of the Plan's assets, except for comparing the certified information to the information included in the Plan's financial statements and ERISA-required supplemental schedule of assets (held at end of year).

## Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

### Notes to Financial Statements

---

#### **Note 3. Information Certified or Provided by Fidelity Management Trust Company (Continued)**

The following information was certified by the Plan trustee as of September 30:

|                            | 2023                 | 2022                 |
|----------------------------|----------------------|----------------------|
| Investments at fair value: |                      |                      |
| Mutual funds               | \$ 27,662,498        | \$ 25,460,155        |
| Money market fund          | 5,305,168            | 5,303,488            |
| Total certified assets     | <u>\$ 32,967,666</u> | <u>\$ 30,763,643</u> |

The trustee also certified the completeness and accuracy of \$1,768,360 of net appreciation in fair value of investments and \$1,051,050 of interest and dividends for the year ended September 30, 2023, including gains and losses on investments bought and sold.

#### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methods used to value investments as of September 30, 2023 and 2022.

**Mutual funds and money market fund:** Mutual funds and the money market fund are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

## Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

### Notes to Financial Statements

---

#### Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of September 30:

|                                 | 2023                 |             |             |                      |
|---------------------------------|----------------------|-------------|-------------|----------------------|
|                                 | Level 1              | Level 2     | Level 3     | Total                |
| Mutual funds                    | \$ 27,662,498        | \$ -        | \$ -        | \$ 27,662,498        |
| Money market fund               | 5,305,168            | -           | -           | 5,305,168            |
| Total investments at fair value | <u>\$ 32,967,666</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 32,967,666</u> |

  

|                                 | 2022                 |             |             |                      |
|---------------------------------|----------------------|-------------|-------------|----------------------|
|                                 | Level 1              | Level 2     | Level 3     | Total                |
| Mutual funds                    | \$ 25,460,155        | \$ -        | \$ -        | \$ 25,460,155        |
| Money market fund               | 5,303,488            | -           | -           | 5,303,488            |
| Total investments at fair value | <u>\$ 30,763,643</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 30,763,643</u> |

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

#### Note 5. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee and record keeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid for investment management services are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

#### Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in any employer contributions.

#### Note 7. Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since adopting the preapproved plan document; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

## Alaskan Copper Companies, Inc. Profit Sharing Plan and Trust

### Notes to Financial Statements

---

#### Note 8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the Plan's investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statement of net assets available for benefits.

#### Note 9. Nonparticipant-Directed Investments

Nonparticipant-directed investments consist of the mutual funds held in the Plan. Information about the net assets and the significant components of the changes in net assets available for benefits relating to the nonparticipant-directed investments is as follows:

|   | September 30, |                    |
|---|---------------|--------------------|
|   | 2023          | 2022               |
