Independent Auditor's Report

To the Plan Administrator and Participants
CoreCivic 401(k) Plan
Nashville, Tennessee

Opinion

We have audited the accompanying financial statements of the CoreCivic 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the year ended December 31, 2023, are in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Responsibilities of Management for the Financial Statements (cont.)

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CORECIVIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the CoreCivic 401(k) Plan (the "Plan" or "CoreCivic 401(k)") is provided for general purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Plan Sponsor

The Plan is a defined contribution plan that is sponsored by CoreCivic of Tennessee, LLC (CoreCivic). The Plan is designed to comply with the rules and regulations of the Internal Revenue Code of 1986, as amended (the "Code"), and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Participating Employers

The Plan qualifies as a "multiple employer" plan as described in Section 413(c) of the Code. The Plan allows other affiliated employers to participate in the Plan ("Participating Employers"), as it deems appropriate. All Participating Employers must adopt the Plan as written, including but not limited to, using the same Trustee, incurring the same expense rate, and contributing at the same rates and same times. Participating Employers are: TransCor America, LLC; Correctional Medicine Associates, PC; Correctional Medicine Associates of TX, PA; Correctional Medicine Associates of Colorado, PC; Correctional Medicine Associates of California, PC; CCA Health Services, LLC; Correctional Dental Associates, PC; Correctional Dental Associates of Florida, PA; Correctional Dental Associates of Colorado, PC; and, Stephen Merrill, DMD, PC.

Eligibility

Employees of CoreCivic and Participating Employers who are at least 18 years of age and have completed six months of service and 500 hours of service, as defined by the Plan, are eligible for participation in the Plan on the quarterly entry date (January 1, April 1, July 1, or October 1) following the date they meet these eligibility requirements.

Contributions

The Plan allows eligible employees to contribute up to 90% of their pre-tax compensation, as defined by the Plan. The Plan also allows eligible participants to make Catch Up Contributions (as defined by the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA")).

During 2023, CoreCivic provided a Safe Harbor matching contribution equal to 100% of each employee's eligible bi-weekly compensation, up to 5% of the employee's eligible bi-weekly compensation. The Plan indicates CoreCivic may provide discretionary employer contributions in addition to the Safe Harbor matching contributions. CoreCivic did not provide such discretionary contributions during 2023. CoreCivic did provide a non-elective fringe contribution to certain employees at "Service Contract Act" ("SCA") locations in 2023. Those non-elective contributions are 100% vested immediately.

CORECIVIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Company and participant contributions may not exceed the maximum amount deductible for federal income tax purposes.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings (losses), and charged with an allocation of administrative expenses, as defined.

Participants direct how their contributions and employer contributions made on their behalf are invested. At December 31, 2023, the Plan had balances in 22 investment funds, consisting of 19 mutual funds, a common collective trust fund, a U.S. Treasury Cash Reserve Fund, and CoreCivic common stock.

Vesting

Participants are fully vested in their employee contributions, safe harbor matching contributions, non-elective employer contributions, and/or rollover contributions and the earnings (losses) thereon. Vesting in discretionary employer contributions is based on years of service. All active participants become vested in such discretionary employer contributions made and investment earnings (losses) thereon according to the following schedule of service:

Less than two years	0%
Two years	20%
Three years	40%
Four years	80%
Five years or more	100%

In the event of death, disability, or upon attainment of the Plan's retirement age, as defined in the Plan agreement, participants become fully vested in their employer contributions.

Payment of Benefits

Upon death, disability, retirement, or termination of employment, participants or their beneficiaries may elect to receive a lump-sum distribution, payable in the form of cash and/or shares of CoreCivic common stock of the vested portion of their account balance.

Participants who were participants in a plan assumed by CoreCivic in connection with the acquisition of U.S. Corrections Corporation in 1998 are offered the option of a hardship distribution. Cases of financial hardship are reviewed and approved by the Plan Administrator. A hardship distribution cannot be taken until the participant has exhausted other means of financing through the Plan or other plans maintained by CoreCivic. A hardship can only be taken from the amounts accumulated in the participant's account through employee deferral contributions.

CORECIVIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Effective October 1, 2022, CoreCivic amended the plan to allow in-service withdrawals from the pre-tax salary deferral money type, for employees ages 62 and older. At the same time, the plan was also amended to allow in-service withdrawals from the Rollover Contribution money type, with no age requirements for this type of in-service withdrawal.

Forfeitures

Amounts not vested upon termination of employment are forfeited by participants and may be used to fund CoreCivic's matching or discretionary contributions. At December 31, 2023, and 2022, unallocated non-vested accounts totaled approximately \$185,000 and \$164,000 respectively. During the year ended December 31, 2023, total forfeitures of \$0 were used to reduce employer contributions, \$21,815 were used to pay Plan expenses.

Notes Receivable from Participants

A participant may borrow the lesser of \$50,000 or 50% of his or her vested account balance with a minimum loan amount of \$1,000. A participant may have only one loan outstanding at any time. Loans are repayable through payroll deductions over periods ranging up to 60 months. The loans are secured by the balance in the participant's account. The interest rate for the loan shall be determined by the Plan Administrator commensurate with the rates used by commercial loans which would be made under similar circumstances. The interest rates on outstanding loans as of December 31, 2023, ranged between 4.25% and 9.50%.

Plan Termination

Although it has not expressed any intention to do so, CoreCivic may terminate the Plan or trust agreement at any time. In the event of Plan termination, participants' interests in employer contributions will become fully vested, and the accounts will be paid in lump-sum distributions as soon as practicable after the termination.

Voting Rights

Each participant is entitled to exercise voting rights attributable to the shares of CoreCivic common stock allocated to his or her account and is notified by the Trustee prior to the time such rights are to be exercised.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires Plan management to make estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

CORECIVIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Investment Valuation and Income Recognition

Investments are carried at market value as determined on the last day of the Plan year. Fair value of financial instruments is what would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Processing fees of the Plan are charged against the participant account balance that was responsible for the expense. Effective 2022, administrative expenses are paid by the Plan or may be paid by the Employer at the Employer's discretion. Administrative expenses paid by the plan may be allocated to participants on a Pro Rata or Per Capita basis, at the Plan Administrator's discretion.

The agreement between the Trustee and the Plan included a revenue-sharing arrangement, whereby the Trustee shared revenue generated by the Plan in excess of the Trustee's fee. These deposits are included as part of the net appreciation (depreciation) in fair value of investments on the Statement of Changes in Net Assets Available for Benefits. These funds are used to pay other Plan expenses, with the option of any remaining amounts being reallocated to participants.

At December 31, 2023 and 2022, \$194,250 and \$88,229 respectively, was available to be reallocated or pay Plan expenses. No amounts were reallocated to participants in 2023.

CORECIVIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Risks and Uncertainties

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with investment securities, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan values assets in accordance with the fair value standard. The standard clarifies the definition of fair value, establishes a framework for measuring fair value, and expands the disclosures for fair value measurement. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CORECIVIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

1. Common stock: Valued at the closing price reported on the active market on which the individual security is traded.
2. Mutual funds: Valued at the net asset value of shares held by the Plan at year end in an active market.
3. Common collective trust fund: Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE D—SUBSEQUENT EVENTS

The Plan has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through the date of issuance, June 12, 2024, and has determined that no significant events, except as noted below if applicable, occurred after December 31, 2023, but prior to the issuance of these financial statements that would have a material impact on its financial statements.

CORECIVIC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Effective January 1, 2024, the plan has included a Roth feature for voluntary employee contributions. Employees can elect to make voluntary contributions as all Roth, all pre-tax, or a combination of both, up to the applicable IRS annual limits.

NOTE E- FEDERAL INCOME TAX STATUS

Effective January 1, 2022, the Plan adopted a non-standardized pre-approved profit-sharing plan sponsored by Great West Trust Company for which an Internal Revenue Service (IRS) determination letter was issued dated June 30, 2020. The Plan currently is designed and is being operated in compliance with the applicable requirements of the Code and the Plan continues to qualify under Code Section 401(a), and the related trust continues to be tax-exempt as of December 31, 2023.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Great West Trust Company is the trustee and custodian of the plan for all Plan assets including those invested in the CoreCivic common stock fund. Therefore, transactions with these parties qualify as party-in-interest transactions. The Plan also held notes receivable from participants which also qualify as party-in-interest transactions.

All transactions in the CoreCivic company stock fund qualify as party-in-interest transactions because the Company is the plan sponsor. For the years 2023 and 2022, no dividends were paid. The plan held 1,301,574 and 1,355,838 shares valued at \$18,911,874 and \$15,673,495 as of December 31, 2023 and 2022, respectively.

NOTE G - LIMITATION ON CORECIVIC STOCK ELECTIONS AND TRANSFERS INTO CORECIVIC STOCK

The Plan Administrative Committee, with the approval of the CoreCivic Board of Directors, limits the percentage of new contributions that plan participants are permitted to invest in CoreCivic stock to ten percent (10%). Transfers into CoreCivic stock from the Plan's other funds are also subject to the same limitation. Therefore, requests to transfer funds into CoreCivic stock are not permitted if, at the time of the transfer, the transfer would cause the participant's CoreCivic stock balance to exceed 10% of the participant's total plan balance.
