**Financial Statements
Together with Independent Auditors' Report**

**As of December 31, 2023 and 2022 and
For the Year Ended December 31, 2023**

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
ITI, Inc. 401(k) Plan and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the ITI, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from John Hancock Life Insurance Company of New York, the Custodian of the Plan, as of December 31, 2023 and 2022, and for the year ended December 31, 2023 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ITI, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ITI, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ITI, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ITI, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ITI, INC. 401(k) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN

The following description of the ITI, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the summary plan description and plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established effective July 1, 2002 by ITI, Inc. (the Company). The Plan covers all employees who are at least 18 years of age except those that are union employees or nonresident aliens. Eligible employees may begin to participate on the first day of the month coinciding with the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended and restated effective January 1, 2022 to adhere to the most recent tax changes.

Participant Contributions

Participants may contribute up to 100% of their compensation, as defined by the Plan, not to exceed the maximum allowable contributions under the Internal Revenue Code (the Code), which totaled \$22,500 for the year ended December 31, 2023. Participants are permitted to make pre-tax and Roth elective contributions to the Plan. The participants' Roth elective contributions are allocated to a separate account maintained for such contributions. Employees who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$7,500 for the year ended December 31, 2023. Participants are permitted to make rollover contributions into the Plan.

Company Matching Contributions

The Company may make a discretionary matching contribution to the Plan on behalf of each eligible participant at the discretion of the Board of Directors. Employees are eligible for Company matching contributions if they have attained age 18, completed 6 consecutive months of employment, and are contributing to the Plan. The Company makes matching contributions on behalf of each eligible participant on a per-payroll basis. For the year ended December 31, 2023, the Company contributed an amount equal to 100% of the contributions contributed by the participant, up to 6% of compensation up to the statutory limit established by the Internal Revenue Service (IRS). Catch-up contributions are considered for purposes of calculation of the match. For the year ended December 31, 2023, matching contributions totaled \$4,348,056.

Company Profit-Sharing Contributions

The Company may also make discretionary profit-sharing contributions to the Plan on an annual basis. Participants are eligible to receive discretionary profit-sharing contributions if they have attained age 18, completed 6 consecutive months of employment and at least 1,000 hours of service, and are employed at the end of the Plan year. The Company did not make any discretionary nonelective contributions during the year ended December 31, 2023.

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

1. DESCRIPTION OF THE PLAN – cont'd.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions, allocations of Company contributions, plan earnings, and administrative expenses in accordance with the investment options selected by the participant. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the portion of the participant's vested account balance.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed \$50,000, without regard to the intended use of the funds. The minimum note amount is \$1,000 and each participant may not have more than two notes outstanding at any given time. The notes are collateralized by a participant's vested account balance. Principal and interest are paid ratably through payroll deductions. Interest on notes is based on a commercially reasonable rate of interest by the Plan Administrator at the time of note issuance. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. If the note is for the purchase of a primary residence, the Plan Administrator may permit a longer repayment term.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in Company matching and profit-sharing contributions is based on years of continuous service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	100%

Upon death, disability or normal retirement, a participant becomes 100% vested in the Company matching and profit-sharing contributions.

Payment of Benefits

Upon termination of service, death, disability, retirement (age 65), or attainment of age 59 ½, a participant, or the participant's beneficiary in the event of death, is entitled to a distribution of the participant's vested account balance. Distributions from the Plan are payable in the form of a lump sum payment or partial withdrawals; however, distributions of accounts with balances less than \$5,000 are only paid in the form of lump sums. Distributions of accounts that are greater than \$5,000 may only occur at the consent of the participant.

Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½. There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2023 and 2022.

For the Year Ended December 31, 2023**

1. DESCRIPTION OF THE PLAN – cont'd.

Forfeitures

Forfeitures of Company contributions may be applied to pay administrative expenses or to reduce future Company contributions. During the year ended December 31, 2023, the Company recognized forfeitures from excess Company match totaling \$80,051. These forfeitures represent the amount of Company match contributions that participants were required to forfeit in accordance with the Plan. There were \$77,072 in forfeitures used during the year ended December 31, 2023 to offset Company contributions. There were no forfeitures used during the year ended December 31, 2023 to pay administrative expenses.

As of December 31, 2023 and 2022, forfeitures totaling \$3,045 and \$66, respectively, were available to offset future Company matching contributions and pay administrative expenses.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Custodian with assets of the Plan unless the Company, at its discretion, elects to pay them. During the year ended December 31, 2023, the Company paid a portion of direct expenses related to the Plan's operations. Plan expenses paid by the Company are excluded from the Plan's financial statements. Administrative expenses totaling \$178,764 were paid directly from the Plan for the year ended December 31, 2023. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in financial instruments that are exposed to risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur in the near term and materially affect the amounts reported in the statements of net assets available for benefits.

**Notes to the Financial Statements
As of December 31, 2023 and 2022 and
For the Year Ended December 31, 2023**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont’d.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s unrealized and realized gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement levels within the fair value hierarchy are based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following is a description of the valuation methodology used for assets measured at fair value:

Interests in pooled separate accounts: Valued at net asset value (NAV) using practical expedient of shares held by the Plan at year-end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodology used as of December 31, 2023 and 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

	Level 1		Level 2		Level 3		Total
Total investments in the fair value hierarchy	\$	-	\$	-	\$	-	\$ -
Interests in pooled separate accounts ^(a)		n/a		n/a		n/a	68,883,487
Total investments, at fair value	\$	-	\$	-	\$	-	\$ 68,883,487

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1		Level 2		Level 3		Total
Total investments in the fair value hierarchy	\$	-	\$	-	\$	-	\$ -
Interests in pooled separate accounts ^(a)		n/a		n/a		n/a	45,737,659
Total investments, at fair value	\$	-	\$	-	\$	-	\$ 45,737,659

- (a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following table presents the Plan's investments, at fair value, which are estimated using the net asset value per share (or its equivalent) as practical expedient as of December 31,;

	2023	2022	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in Pooled Separate Accounts ^(b)	\$ 68,883,487	\$ 45,737,659	Daily	Daily	None

- (b) Funds in this category invest in domestic and international equities, fixed income securities, and in a diversified portfolio of domestic and/or international stocks to achieve a long-term rate of return. Funds in this category also invest in various types of domestic and/or international debt securities to achieve a long-term rate of return while preserving capital.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through June 27, 2024, the date the financial statements were available to be issued and determined there were no material events that warrant disclosure, except as disclosed in Note 7.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2023 and 2022, and interest and dividend income and net appreciation in fair value of investments for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock Life Insurance Company of New York, the Custodian of the Plan.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock Retirement Plan Services, LLC, an affiliate of the Custodian. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

ITI, INC. 401(k) PLAN

Notes to the Financial Statements As of December 31, 2023 and 2022 and For the Year Ended December 31, 2023

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

6. INCOME TAX STATUS

The pre-approved plan document, upon which the Plan was designed, received a favorable opinion letter from the IRS dated May 27, 2021, stating that the Plan is qualified under Section 401(a) of the Code and therefore is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties, and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2023 and 2022.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any open periods.

7. SUBSEQUENT EVENT

On May 3, 2024, the Plan notified the Custodian of the Plan and John Hancock Retirement Plan Services, LLC, the recordkeeper of the Plan, that the Plan assets will be transferred to Fidelity Management Trust Company as of August 1, 2024 and will be managed by Fidelity Investments Institutional Operations, Inc. (FIIOC). As a result of this change, a blackout period will be in effect from July 24, 2024 through September 1, 2024 for new loans, distributions, transfers and investment elections. During the blackout period, participants will be unable to access their accounts, direct or diversify their investments, obtain a new loan or receive a distribution from the Plan. Participants will be able to make contributions and loan repayments to the plan during the blackout period.
