Information for reporting your 2023 plan year results

Dear Plan Administrator,

This letter and its enclosures contain information about your retirement plan assets at Vanguard that will help you complete IRS Form 5500.

Filing requirements and deadlines

In general, as the administrator or sponsor of an Individual 401(k), you must file Form 5500-SF (a simplified form for small plans invested in certain types of assets), or Form 5500-EZ (if eligible) annually by the last day of the seventh month following the end of the plan year. For example, if your plan year is the calendar year, you must file by July 31 of the following year. (Certain "one-participant" plans may not be required to file an annual return if plan assets are \$250,000 or less.) (The IRS and United States Department of Labor may announce filing deadline extensions under special circumstances such as presidentially declared disasters. See irs.gov and efast.dol.gov for announcements regarding special extensions.)

What's included in this Package

- Financial reports for the 2023 plan year. You'll find a *Statement of Net Assets Available for Benefits*, *Statement of Changes in Net Assets Available for Benefits*, and *Transaction Summaries by Participant*. Note: If you need underlying participant transaction details or contribution information made after the end of the plan year, consult your year-end and quarterly statements.

Information you'll need to complete the form
