Independent Auditors' Report

To Plan Participants and Administrator
Life Extension Foundation Buyers Club, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Life Extension Foundation Buyers Club, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Life Extension Foundation Buyers Club, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Life Extension Foundation Buyers Club, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Life Extension Foundation Buyers Club, Inc. 401(k) Plan 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Life Extension Foundation Buyers Club, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Life Extension Foundation Buyers Club, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment

information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

1. Plan Description

The following description of the Life Extension Foundation Buyers Club, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

- a) *General* – The Plan was effective January 1, 2017 and is a 401(k) defined contribution plan covering substantially all full-time employees of Life Extension Foundation Buyers Club, Inc. and other affiliated employers (collectively, the "Company") age twenty one or older. Participants may enter the Plan when the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- b) *Contributions* – Each year participants may contribute to the Plan up to the maximum amount allowed by law, subject to certain limitations under the Internal Revenue Code ("IRC"). Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans (rollover contributions).

The Company contributes a discretionary matching percentage of participant compensation. For the year ended December 31, 2023, the Company recorded a matching contribution of 50 percent of the first 6 percent of compensation that a participant contributed to the Plan. The Company made matching contributions of \$791,092 in 2024 related to participant contributions from 2023, and made matching contributions of \$737,203 in 2023 related to participant contributions from 2022. Employees are eligible for matching contributions if they are employed on the last day of the Plan year and have completed at least 1,000 hours of service during the year.

Participants direct the investment of their contributions and the Company's contribution into various investment options offered by the Plan. Participants may change their investment options at any time via the telephone or website.

- c) *Participants Accounts* – Each participant's account is credited with the participant's contributions and allocation of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances,

as defined. Administrative expenses may be charged based on account balances or charged equally to each participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

- d) *Vesting* – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service.
- e) *Notes receivable from Participants* – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at 1% above prime rate. Participants are allowed to have two loans outstanding at any time. Principal and interest is paid ratably through payroll deductions.
- f) *Payment of Benefits* – In the case of retirement, death, disability or termination of employment, participants may elect to receive the vested accumulated value of their account in a lump sum distribution or substantially equal installment payments.
- g) *Forfeited accounts* – Forfeitures of nonvested balances may be used to reduce employer matching contributions. As of December 31, 2023 and 2022, forfeited non-vested accounts of terminated participants totaled \$54,889 and \$46,978 respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Life Extension Foundation Buyers Club, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative costs of the Plan are paid directly by the Company.

3. Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2023 through July 8, 2024, which is the date the financial statements were available to be issued.

4. Information Prepared and Certified by the Custodian

The following information included in the accompanying financial statements and supplemental material was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

<i>December 31,</i>	<i>2023</i>	<i>2022</i>
Investments, at fair value:		
Pooled separate accounts	\$32,892,351	\$25,575,424

Guaranteed investment contract, at contract value	975,890	1,226,071
Notes receivable from participants	682,280	765,463

<i>Year ended December 31,</i>	<i>2023</i>
Investment income:	
Net appreciation in fair value of investments	\$ 5,039,301
Interest income – notes receivable from participants	40,241

5. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Life Extension Foundation Buyers Club, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2023 and 2022

Following is a description of the valuation methodologies used for assets measured at fair value.

Money Market Account – These investments are cash equivalents and are valued using fair market value provided by the custodian. Cash accounts are included in Level 1 of the fair value hierarchy.

Pooled Separate Accounts – These investments are public investment securities valued using Net Asset Value ("NAV") provided by the investment custodian. The NAV is quoted on a private market that is not active; however, the unit price is based on the underlying investments which are publicly traded on active exchanges. Pooled separate accounts are included in Level 2 of the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value.

<i>Investment Assets at Fair Value</i>				
<i>As of December 31, 2023</i>

6. Guaranteed Investment Contract

The Plan' holds a guaranteed investment contract (GIC) with Voya Retirement Insurance and Annuity Company (Voya), under the investment fund name, Voya Fixed Account. Voya maintains the contributions in a general account. The contracts underlying this investment option are considered to be fully benefit responsive.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on Voya's ability to meet its financial obligations. Voya's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Voya may impose restrictions on the ability to move funds into or out of this investment option. Withdrawals from the Voya Fixed Account for other than the payment of benefits to participants may be subject to a Market Value Adjustment and a surrender charge.

7. Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

8. Party-in-Interest Transactions

The Plan's investments are held and managed by the Plan custodian, Voya, and therefore these transactions qualify as party-in-interest transactions.

Notes to Financial Statements

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Company contributions.

10. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated September 1, 2014 that the volume submitter plan with CODA is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.
