Independent Auditor's Report

To the Participants and Administrator of the
Landmark Properties Real Estate Partners, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Landmark Properties Real Estate Partners, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of the Plan, as listed in the accompanying index, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1: Description of Plan

The following description of the Landmark Properties Real Estate Partners, LLC 401(k) Plan (the Plan), formerly known as the Landmark – Collegiate 401(k) Plan, provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan, effective November 1, 2013 and restated on September 14, 2014, covering substantially all employees of Landmark Properties Real Estate Partners, LLC (the Plan Sponsor); Collegiate Construction, LLC; Landmark Construction, LLC; MFS, LLC.; and Clear Air, LLC (collectively, the Company). In order to participate in the elective deferral portion of the Plan, employees must be at least 21 years of age and have completed 90 days of service with the Company. Employees are permitted to enter the Plan on the first day of each month after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective December 31, 2021, the Plan was amended to change the Plan name from the Landmark – Collegiate 401(k) Plan to the Landmark Properties Real Estate Partners, LLC 401(k) Plan. Additionally, the Plan Sponsor was changed from Landmark Properties, Inc. to Landmark Properties Real Estate Partners, LLC.

The plan was amended and restated effective February 18, 2022, to remove the per pay period matching contribution and for other changes that did not impact the primary provisions of the Plan.

Contributions

The Plan includes a provision under Internal Revenue Code (IRC) Section 401(k) whereby participants may deposit the maximum amount of pre-tax contributions allowed under the IRC. Participants may designate all or a portion of their elective deferrals as a Roth 401(k) contribution. Additionally, employees who have attained age 50 are eligible to deposit catch-up contributions in accordance with, and subject to limitations under, the IRC.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Participants are automatically enrolled in the Plan at an initial deferred contribution rate of 1%.

The Plan Sponsor may match, subject to limitations under the IRC, a portion of the participant's contributions; however, matching contributions are discretionary. In addition to any matching contribution, the Plan Sponsor may deposit discretionary profit sharing and qualified non-elective contributions to all eligible participants for the entire year and qualifying discretionary matching contributions to non-highly compensated employees. In general, a participant must be active on the last day of the Plan year and have incurred at least one year of service during the Plan year to share in the allocation of such contributions, which are subject to limitations under the IRC and allocated to employees based on a social security integrated formula using each participant's compensation in proportion to the compensation of all participants. For the year ending December 31, 2022, the Plan Sponsor made discretionary matching contributions totaling $1,156,685, which were funded in 2023. For the year ending December 31, 2021, discretionary matching contributions totaled $728,751, of which $607,862 were funded in 2022 and $120,889 in 2023.

At the discretion of the plan administrator, employees may deposit rollover contributions from another qualified plan and rollover contributions may be made even though an employee is not eligible to participate in the Plan. Rollover contributions are placed in a separate account and are subject to the rules for investment established by the plan administrator.

Administration

The Plan Sponsor serves as the plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan and making determinations regarding questions which may affect eligibility for benefits. The Company has engaged Principal Life Insurance Company (Principal or Custodian), as the third-party administrator, to assist in the administration of the Plan. One of the officers of the Company serves as a trustee of the Plan.

Principal is also the designated custodian of the Plan. Principal receives all contributions made under the Plan, holds plan assets, pays benefits as directed by the plan administrator, and assists in the administration of the Plan. Principal serves as the intermediary for all asset purchases and redemptions. Additionally, Principal manages certain investment options of the Plan (see Note 7).

Administrative Expenses

Administrative expenses of the Plan are liabilities of the Plan but may be paid by the Plan Sponsor. These expenses include, but are not limited to, legal, accounting and recordkeeping fees, and investment fees. For administrative expenses not paid by the Plan Sponsor, a proportionate share of the fees and expenses paid by the Plan is charged to each participant's account.

Participant Accounts

Each participant account is credited with pre-tax contributions made by the participant and the participant's portion of the Plan Sponsor's matching and discretionary contributions and plan earnings. Earnings, expenses, and gains and losses on investments are allocated based on participant account balances, as defined in the plan document.

Vesting

Participants are always 100% vested in their contributions, rollover balances, and investment earnings thereon. The participants are vested in employer contributions as follows: 33.3% after one year of service, 66.6% after two years of service and 100% upon three years of service.

Participants are immediately vested upon termination of the Plan, death, total disability or upon reaching normal retirement age of 62.

Investment Options

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options, including certain options for which the custodian or its affiliates serve as investment advisors, selected by the plan administrator (see Note 7).

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants are limited to notes for hardship purposes only. Notes receivable bear interest at prevailing rates for comparable loans made by commercial lending institutions, are payable in periodic payroll deductions over a period not to exceed five years and are secured by the participant's account balance. Notes receivable become due and payable in full, once a participant terminates employment.

Benefits Paid to Participants

The Plan provides for benefit distributions to participants or beneficiaries of their vested account balance upon termination of employment, reaching age 59 ½, disability, or death. The value of the vested balance will be automatically distributed as soon as administratively feasible following the cause for distribution. If the value of the vested account is not greater than $5,000 when employment is terminated, the benefit will automatically be distributed to the participant in a lump-sum payment as soon as administratively practicable following their termination of employment. However, the participant may elect whether to receive the distribution or to roll over the distribution to another retirement plan such as an individual retirement account (IRA). If the participant does not elect either to receive or to roll over the distribution, the Plan will distribute the participant's account without their consent. Any vested account balances greater than $5,000 require consent from the participant or beneficiaries as to the method of distribution.

In general, a participant may withdraw up to 100% of the participant's pre-tax elective deferral contributions in the event of a participant's immediate and heavy financial hardship, as defined in the plan document.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or IRA.

Forfeitures

Nonvested account balances of terminated employees are forfeited upon the complete distribution of the vested portion of their account or breaks in service, if later. Forfeitures of terminated employees' nonvested accounts are used to reduce Plan Sponsor contributions and plan expenses for the subsequent plan year. The Plan used $48,076 of forfeitures to offset plan expenses during 2022. The balance of the forfeitures account was $6,472 and $5,824 at December 31, 2022 and 2021, respectively.

Note 2: Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash and highly liquid investments, excluding such investments held in pooled separate accounts, that are readily convertible into cash and have maturities of ninety days or less when purchased.

Benefits Paid to Participants

Benefits paid include direct payments by the Plan to participants or their beneficiaries. Benefit payments are recognized in the year paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. These investments are reported at fair value, which approximates contract value. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan's invested assets are exposed to various risks, including interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and the amounts reported in the accompanying statement of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan Document.

Note 3: Information Certified by Custodian (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's independent auditors did not perform any auditing procedures with respect to the following information certified by Principal, except for comparing such information to information included in the Plan's financial statements:

	2022	2021
Statements of net assets available for benefits:		
Investments, at fair value:		
Mutual funds	$ 10,126,353	$ 8,760,339
Common collective trusts	174,256	80,615
Statement of changes in net assets available for benefits:		
Investment income:		
Net depreciation in fair value of investments	$ 2,028,824	
Dividends	195,323	

Note 4: Fair Value Measurements

Accounting standards for fair value measurements establish a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Level 1: Quoted prices for identical instruments in active markets at the measurement date. Investments that are listed on a United States securities exchange are valued at their last sales price on the largest United States securities exchange on which such securities have traded.

Level 2: Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active and model-derived valuation in which all significant inputs and significant value drivers are observable in active markets at the date and for the anticipated term of the instrument.

Level 3: Valuation derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

Mutual funds are valued at quoted market prices as provided by the Custodian. Net appreciation in the fair value of the mutual funds represents the change in fair value during the year, including realized gains and losses. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Common Collective Trust (CCT) accounts are index funds. The Plan's interest in these funds is valued based on the net asset values reported by the Custodian of the fund. Fair values for the underlying assets of the index funds were based on quoted prices in either active markets or observable inputs or quotations from inactive markets. The Plan has concluded that the Net Asset Value (NAV) reported by the Custodian of the funds is used as a practical expedient to approximate the fair value of the investments. This practical expedient would not be used if it is determined to be probable that the investment will sell for an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables are set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

As of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 10,126,353	$ -	$ -	$ 10,126,353
Common collective trusts measured at net asset value (a)	-	-	-	174,256
Total assets at fair value	$ 10,126,353	$ -	$ -	$ 10,300,609

As of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 8,760,339	$ -	$ -	$ 8,760,339
Common collective trusts measured at net asset value (a)	-	-	-	80,615
Total assets at fair value	$ 8,760,339	$ -	$ -	$ 8,840,954

(a) In accordance with Subtopic Accounting Standards Codification 820-10, these investments were measured at NAV per share (or its equivalent) as a practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 5: Income Tax Status

The Plan Sponsor has entered into a non-standardized adoption agreement, *Principal Financial Group Prototype for Savings Plans* (the Prototype Plan). The Prototype Plan received a favorable opinion letter from the IRS dated March 31, 2014, which stated that the Prototype Plan and related trust were designed in accordance with the applicable sections of the IRC.

The Plan has been amended since receiving the favorable opinion letter; however, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax-exempt as of December 31, 2022. The Plan received an updated favorable opinion letter from the IRS dated June 30, 2020.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 6: Reconciliation to Form 5500

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on the Form 5500 to the accompanying financial statements follows:

	2022	2021
Net Assets Available for Benefits		
Net assets, as reported on Form 5500	$ 10,423,778	$ 9,528,581
Adjustment to accrue employer contributions receivable	1,277,574	120,889
Adjustment to accrue excess contributions payable	(114,215)	(26,077)
Other	(109)	(8)
Net assets, as reported in the accompanying financial statements	$ 11,587,028	$ 9,623,385
Changes in Net Assets Available for Benefits		
Increase in net assets, as reported on Form 5500	$ 895,197	
Adjustment to accrue employer contributions receivable	1,277,574	
Adjustment to reverse prior year employer contributions receivable	(120,889)	
Adjustment to accrue excess contributions payable	(114,215)	
Adjustment to reverse prior year excess contributions payable	26,077	
Other	(101)	
Increase in net assets, as reported in the accompanying financial statements	$ 1,963,643	

Note 7: Exempt Party-in-Interest Transactions

Principal performs services for, sells products to, and manages and maintains certain investments of the Plan for which fees are charged to the Plan Sponsor. While the Plan pays most of the fees, an insignificant portion is paid by the Plan Sponsor (see Note 1). Party-in-interest transactions also include notes receivable from participants. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

Note 8: Prohibited Transactions

The Plan Sponsor deducted, via payroll withholding, an aggregate of $17,842, $54,668, $181,220, and $29,337 during 2021, 2020, 2019, and 2017 respectively, from participants' gross wages that were not remitted in a timely manner to the Plan in accordance with DOL regulations. In 2023, the Plan Sponsor made a restoration contribution to the Plan to restore lost earnings for the late remittances. The Plan Sponsor filed a Form 5330 with the IRS and paid the required excise tax on the transactions.

Note 9: Excess Contributions Payable

The Plan is subject to certain compliance requirements and non-discrimination rules under ERISA and IRS guidelines. In order to maintain compliance with these rules, the Plan recorded excess contributions payable of $114,215 and $26,077 at December 31, 2022 and 2021, respectively, to refund excess contributions made by certain highly compensated participants. The correction was made through a series of refunds in the months of October and November 2023 and October through December 2022, respectively. Additionally, certain participants were required to forfeit matching contributions of $28,396 during October and November 2023, $38,896 in November 2023, and $31,122 during the months of October through December 2022 in order for the Plan to maintain compliance with certain non-discrimination rules for the 2021 plan year. The Plan Administrator believes that these corrective measures will comply with provisions of the Adoption Agreement and satisfy the non-discrimination requirement of the IRS.

Note 10: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 11: Subsequent Events

The Plan was amended effective January 1, 2023, to increase the required service period for entry into the Plan from 90 days to 6 months, to remove the auto-enrollment provision, and to elect 401(k) safe harbor provisions.

The Plan Sponsor has evaluated for subsequent events between the statement of net assets available for benefits date of December 31, 2022 and the report date, the date these financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
