INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance of
Racine Dental Group, S.C. 401(k) Profit Sharing Plan & Trust
Racine, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Racine Dental Group, S.C. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 19, 2023 (in liquidation) and the related statement of changes in net assets in liquidation available for benefits for the period then ended (in liquidation), and the statement of net assets available for benefits as of September 30, 2022 (ongoing), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Racine Dental Group, S.C. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 19, 2023 and September 30, 2022, and for the period ended September 19, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Your Success is Our Focus

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Racine Dental Group, S.C. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 1, the governing body of Racine Dental Group, S.C. 401(k) Profit Sharing Plan & Trust approved a plan of liquidation on December 29, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the financial statements for the year ended September 30, 2022 to the liquidation basis used in presenting the financial statements for the period ended September 19, 2023. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Racine Dental Group, S.C. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS
September 19, 2023

Note 1. Plan Description

The following description of the Racine Dental Group, S.C. 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was a defined contribution plan covering substantially all employees of Racine Dental Group, S.C. (the “Company”). Union, nonresident aliens, and leased employees were excluded from participation. Employees were eligible to participate in the Plan upon age 21 and completion of one year of service, as defined. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In December 2022, the Company elected to terminate the Plan due to the Company merging with Dental Care Alliance in January 2023. The Plan was amended effective April 3, 2023 to terminate the Plan. See Note 6 for additional information regarding Plan termination.

Contributions

Prior to April 3, 2023, participants could contribute eligible compensation as pretax or Roth deferrals, as defined, up to the maximum allowed by law. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified plans. The Company contributed an annual Safe Harbor match to the Plan and could contribute additional discretionary profit sharing contributions at the option of the Board of Directors. For the period ended September 19, 2023 and year ended September 30, 2022, the Company made a safe harbor matching contribution equal to 100% of the first 3% deferred, and an additional 50% on the next 2% deferred, up to a maximum of 4% safe harbor matching contribution. Participants directed their contributions into various investments offered by the Plan. Contributions were subject to certain limitations.

Effective April 3, 2023, the Plan was terminated and no additional contributions were made with respect to compensation earned after termination.

Participant accounts

Prior to Plan termination, each participant’s account was credited with the participant’s contribution, the Company’s safe harbor matching contributions, allocations of Company additional discretionary contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations were based on participant compensation or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant’s vested account.

Note 1. Plan Description (Continued)

Vesting

Prior to Plan termination, participants were immediately vested in their deferrals and rollover contributions and the Company's safe harbor matching contributions plus earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus earnings thereon was based on years of continuous service. Participants were 100% vested after two years of credited service. Due to Plan termination, all participants were 100% vested effective April 3, 2023.

Notes from participants

Prior to Plan termination, participants could borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms ranged from one to five years unless the note was for purchase of a primary residence, in which case the term could have exceeded five years. Notes were secured by the balance in the participant's account and bore interest at the Prime rate plus 1%. Principal and interest were paid ratably through payroll deductions.

Payment of benefits

Prior to Plan termination, upon termination of service due to death, disability, retirement, or other reasons, a participant could elect to receive a lump-sum distribution or installment payments equal to the value of the participant's vested interest in his or her account, as defined. In addition, in-service withdrawals were permitted upon reaching age 59 ½, as defined. Hardship withdrawals were also permitted, subject to provisions described in the Plan document.

Plan termination distributions were made as single lump-sums, as defined.

Administrative costs

Plan administrative expenses were paid by the Company or the Plan on a discretionary basis.

Forfeitures

At September 30, 2022, forfeited non-vested accounts totaled \$252. Forfeited balances of terminated participants' nonvested accounts were to be used to reduce employer contributions. During the period ended September 19, 2023, forfeited non-vested amounts totaling \$253 were used to reduce employer contributions.

Note 2. Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments are stated from ongoing Plan basis to the liquidation basis for periods after September 30, 2022. See Note 6 for discussion of Plan termination.

Note 2. Significant Accounting Policies (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of investments and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Benefit payments

Benefits are recorded when paid.

Subsequent events

Subsequent events have been evaluated through June 6, 2024, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments at September 30, 2022 are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3. Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consists of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The Plan was invested in the Reliance MetLife 25157 Stable Value Class 0 at September 30, 2022. The net asset value of this investment is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Fair Value Measurements at Reporting Date Using:	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>September 30, 2022</u>		
Mutual funds	\$ 13,263,850	\$ 13,263,850
Total assets in fair value hierarchy	13,263,850	13,263,850
Investments measured at NAV (a)	1,228,505	-
Investments at fair value	\$ 14,492,355	\$ 13,263,850

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at September 30, 2022.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of September 30, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>September 30, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Reliance MetLife 25157 Stable Value Class 0	\$1,228,505	None	Daily	None

Note 4. Investment Contracts

At September 30, 2022 and during the period ended September 19, 2023 prior to Plan termination, the Plan was invested in the MetLife 25157 Stable Value Class 0. Effective February 23, 2023, this investment was consolidated into the MetLife 25053 Stable Value Class 0. This investment was composed primarily of guaranteed investment contracts and wrapper contracts which were benefit-responsive and were required to be stated at fair value. Participant transactions (purchases and sales) could occur daily. The Fund's investment objective was to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. To achieve this, the Fund invested in the MetLife Group Annuity Contract 25157, and effective February 23, 2023 invested in the MetLife Group Annuity Contract 25053, which consisted of separately managed investment portfolios directed by Reliance Trust Company. Although individual investment contracts within the Fund represented credit obligations of the issuer, units of the Fund were not guaranteed by Reliance Trust Company or the Plan Sponsor, nor were they insured by the FDIC or any other state or federal agency. The average yield for this fund was approximately 2.86% and 2.48% for the period ended September 19, 2023 and the year ended September 30, 2022, respectively. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants was 1.59% and 2.29% for the period ended September 19, 2023 and the year ended September 30, 2022, respectively.

Note 5. Related Party Transactions

Prior to Plan termination, certain administrative functions were performed by employees of the Company. These employees were also Plan participants. No such employee received compensation from the Plan.

Plan participants directed their investments in funds issued and managed by the Plan Trustee. Investments in funds issued by the Trustee were considered related party transactions. Fees paid to the Plan Trustee by the Plan for recordkeeping, investment management, and administrative services were \$18,763 for the period ended September 19, 2023.

Note 5. Related Party Transactions (Continued)

Wealth Enhancement Advisory Services provided participant investment advice services and these transactions qualified as party-in-interest transactions. Fees paid to Wealth Enhancement Advisory Services by the Plan for the period ended September 19, 2023 were \$39,259.

Note 6. Plan Termination

In December 2022, Plan management elected to terminate the Plan effective January 2, 2023. Effective April 3, 2023 (Plan freeze date), the Company determined no new participants should enter the Plan and there would be no further contributions. As of September 19, 2023, the Plan's Custodian distributed all assets of the Plan to participants and beneficiaries.

Note 7. Tax Status

The Plan was adopted under a volume submitter 401(k) profit sharing plan sponsored by Newport Group and has been restated effective October 1, 2021. The Internal Revenue Service (IRS) had determined and informed the Company by a letter dated June 30, 2020, that the restated Plan was designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. Plan Administrator believes that the Plan was designed and being operated in compliance with the applicable requirements of the *IRC* prior to the Plan termination.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 19, 2023, there are no uncertain positions taken or expected to be taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements.
