INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Cabrillo Credit Union 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Cabrillo Credit Union 401(k) Profit Sharing Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, the statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Cabrillo Credit Union 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Cabrillo Credit Union 401(k) Profit Sharing Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Matrix Trust Company (Matrix Trust) and CMFG Life Insurance Company (CMFG), the custodians of the Cabrillo Credit Union 401(k) Profit Sharing Plan as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information as described in Note 7 to the financial statements is complete and accurate.

Disclaimer of Opinion on the Financial Statements

We do not express an opinion on the accompanying 2022 and 2021 financial statements of the Cabrillo Credit Union 401(k) Profit Sharing Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion for the Financial Statements

Because of inadequacies in Cabrillo Credit Union 401(k) Profit Sharing Plan's current and prior year records, we were unable to obtain sufficient appropriate audit evidence with respect to individual participant account balances accumulated from inception of the Plan, the basis on which participants' equity is stated as of December 31, 2022 and 2021, and the propriety of the distributions to participants who terminated during the years then ended. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cabrillo Credit Union 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Cabrillo Credit Union 401(k) Profit Sharing Plan; and determining whether the Cabrillo Credit Union 401(k) Profit Sharing Plan's transactions that are presented and disclosed in the financial statements are in conformity with Cabrillo Credit Union 401(k) Profit Sharing Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Cabrillo Credit Union 401(k) Profit Sharing Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Cabrillo Credit Union 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

CABRILLO CREDIT UNION 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Cabrillo Credit Union 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: Adopted January 1, 1998, the Plan is a defined contribution and profit sharing plan covering substantially all employees of Cabrillo Credit Union (the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor who meet the eligibility requirements as defined by the Plan qualify to become participants in the Plan.

Contributions: Each year, participants may contribute up to the deferral limit of pretax annual compensation as defined in the Plan. Participants age 50 and older may elect to defer additional amounts (catch-up contributions). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants may direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor contributes a safe harbor matching amount of 100% of participant contributions up to 6% of annual compensation as defined in the Plan. Additional profit sharing contributions and qualified nonelective contributions (QNECs) may be made at the option of the Plan Sponsor's owner. Contributions are subject to certain limitations. For the years ended December 31, 2022 and 2021, the Plan Sponsor did not make any profit sharing contributions or QNECs.

Participant Accounts: Each participant's account is credited with the participant's contribution and an allocation of the Plan Sponsor's contributions and the Plan's earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled are the benefits that can be provided from the participant's vested account.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms cannot be extended for more than five years unless the loan is used to acquire a dwelling unit, which can be determined within a reasonable time frame when the loan is made. The loans are secured by the participant's vested interest and require the participant to make payments via automatic payroll deductions. There were no defaulted loans as of December 31, 2022 and 2021.

Investment Options: Participants may direct both employee and employer contributions to be invested among various investment options as made available and determined by the Plan Administrator, which are more fully described in the plan literature.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings (losses) thereon. A participant is 100% vested after two years of credited service in the Plan Sponsor's safe harbor contributions. Vesting in the remainder of their accounts is based on years of continuous service.

A participant is 100% vested after five years of credited service according to the following schedule:

Years of Service	Percentage Vested
Less than 2	0%
2	20%
3	50%
4	80%
5 or more	100%

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Retirement: The normal retirement date is the first day of the month on or after the date the participant turns age 65.

Payment of Benefits: Upon termination of service due to death, disability or severance of employment from the Plan Sponsor, a participant may elect to receive the vested interest in their account in the form of a lump-sum amount equal to the value of their account or one of several life annuity arrangements. Upon termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Forfeitures: Forfeitures of nonvested accounts may be allocated to other participants or used to reduce employer contributions or certain plan expenses. Forfeitures of \$4,455 were used to reduce plan expenses during 2022. Forfeited nonvested accounts totaled \$7,374 and \$3,740 as of December 31, 2022 and 2021, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed by the Plan are reflected below.

Basis of Accounting: The financial statements of the Plan were prepared under the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (US GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. As of December 31, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for further discussion of the investments at contract value. The Plan Administrator determines the Plan's investment valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income (loss) is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurements: The Accounting Standards Codification establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The three-tier fair value hierarchy includes the following categories:

- Level 1 asset and liability fair values are based on quoted prices in active markets for identical assets and liabilities.
- Level 2 asset and liability fair values are based on observable inputs that include quoted market prices for similar assets or liabilities, quoted market prices that are not in an active market, or other inputs that are observable in the market and can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 assets and liabilities are financial instruments whose value is calculated by the use of pricing models and/or discounted cash flow methodologies, as well as financial instruments for which the determination of fair value requires significant management judgment or estimation.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Registered Investment Companies (Mutual Funds)* – Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Mutual funds are classified as Level 1 measurements.

The Plan's financial instruments and other accounts that are subject to fair value measurement and/or disclosure are summarized in Note 3.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of the Plan are paid by the Plan Sponsor, except for expenses such as monthly account fees, loan administration and withdrawal fees, which are deducted from participants' accounts. Plan audit fees may be paid through the Plan's forfeiture accounts.

Subsequent Events: The Plan has evaluated subsequent events through June 20, 2024, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments at fair value, by level within the fair value hierarchy as of December 31, 2022 and 2021, are as follows:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2022	Fair Value			
Registered investment companies	\$ 5,467,735	\$ 5,467,735	\$ -	\$ -
2021				
Registered investment companies	\$ 6,265,624	\$ 6,265,624	\$ -	\$ -

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Gains and losses included in net assets available for plan benefits for the years ended December 31, 2022 and 2021 are reported under net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2022 and 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3, as the Plan only has Level 1 investments.

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a benefit-responsive investment contract with CMFG Life Insurance Company (CMFG). CMFG maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is fully benefit responsive and included in the financial statements at contract value as reported to the Plan by CMFG. Contract value represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan. There are no reserves against the contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value with CMFG. Such events include (a) amendments to the plan document, including complete or partial termination of the Plan or merger with another plan, (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with the Plan's participants are likely to occur.

The value of the investment contract is \$258,530 and \$515,402 as of December 31, 2022 and 2021, respectively.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their employer contributions, if any.

NOTE 6 – TAX STATUS

The Plan Sponsor had previously adopted the CMFG Life Insurance Company Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA, which received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020. A favorable determination letter indicates that the form of the Plan is qualified under the applicable requirements of the Internal Revenue Code (IRC) and is exempt from taxation. Although the Plan has been amended since the adoption, the Plan Administrator believes that the Plan was designed and is currently being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax exempt.

US GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

DECEMBER 31, 2022 AND 2021

NOTE 7 – CUSTODIAN CERTIFICATION

The investment information, notes receivable from participants and related income information included in the financial statements, accompanying notes and supplemental schedule of assets, summarized below, were derived from statements certified by Matrix Trust and CMFG as of December 31, 2022 and 2021 as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA.

The certified plan assets are as follows:

	2022	2021
Investments:		
Registered investment companies, at fair value	\$ 5,467,735	\$ 6,265,624
Deposit administration group annuity contract, at contract value	258,530	515,402
Notes receivable from participants	163,719	172,448
	<u>\$ 5,889,984</u>	<u>\$ 6,953,474</u>

The certified plan net loss is as follows:

	2022
Investment income (loss):	
Net depreciation in fair value of variable annuity contract	\$ (1,199,633)
Interest on deposit administration group annuity contract	4,459
Dividends	183,927
	<u>(1,011,247)</u>
Interest income on notes receivable from participants	7,293
	<u>\$ (1,003,954)</u>

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Certain investments of the Plan are held in a variable annuity contract and/or guaranteed account managed by Matrix Trust and CMFG. Matrix Trust and CMFG are the current custodians as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were immaterial for the plan years ended December 31, 2022 and 2021.

The Plan Sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These expenses constitute exempt party-in-interest transactions under ERISA.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

The Plan is required to disclose significant concentrations of credit risk regardless of the degree of such risk. As of December 31, 2022, the financial instruments that potentially subject the Plan to a concentration of credit risk consist principally of investments and notes receivable from participants.
