Independent Auditor's Report

To the Plan Administrator and
Profit Sharing Committee
Elliott Aviation, LLC. Employee's
Savings and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Elliott Aviation, LLC. Employee's Savings and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended September 30, 2023 and 2022, stating that the certified investment information, as described in Notes 2 and 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4i –Schedule of Assets (Held at End of Year), Form 5500, Schedule H, Part IV, Line 4j – Schedule of Reportable Transactions and Form 5500, Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions as of and for the year ended September 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

September 30, 2023 and 2022

(1) Description of Plan and Summary of Significant Accounting Policies

(a) Description of Plan

The following description of the Elliott Aviation, LLC. Employee's Savings and Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and Employee's Savings and Profit Sharing savings plan covering all employees of Elliott Aviation, LLC. (the "Company") and its wholly-owned subsidiaries: Elliott Aviation Technical Products Development, LLC, Elliott Aviation of Aircraft Sales, LLC, Elliott Aviation of the Quad Cities, LLC, Elliott Aviation of Des Moines, LLC and Elliott Aviation of Minneapolis, LLC who have completed 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions

Participants may contribute a percentage of pretax annual compensation (as defined in the Plan document) in form of a salary reduction. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan when eligible, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation with an automatic increase of 2% annually up to a maximum of 12%. Contributions related to auto-enrollments are automatically invested in a designated balanced fund until changed by the participant. The Plan provides for Company matching and profit sharing contributions which are at the discretion of the Company. The Company contributed 50% of the participant's contribution up to 6% of the participant's eligible contribution through March 27, 2020 at which time the employer match was suspended. The employer match was reinstated on June 14, 2021 for periods thereafter at the same matching contribution rate. The Company did not make a profit sharing contribution in 2023 and 2022. Contributions are subject to certain IRS statutory annual limitations.

Employee contributions, matching employer contributions and employer discretionary contributions are invested in one or more investment fund options offered by the Plan as directed by the individual participant.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, and (b) Plan earnings and charged with the participant's withdrawals and an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) Description of Plan and Summary of Significant Accounting Policies, continued

(a) Description of Plan, continued

Participant Accounts, continued

Forfeited balances of terminated participant's non-vested accounts are used to pay for the Plan's general administrative expenses and/or reduce employer contribution. Forfeitures included in net assets available for benefits as of September 30, 2023 and 2022 amounted to \$52,667 and \$12,880, respectively. Total forfeitures used to reduce employer contributions and/or pay administrative expenses amounted to \$-0- in 2023 and \$26,896 in 2022.

Participant – Directed Investments

Participants may select from various investment options offered by the Plan in which to invest their contributions and the Company's matching contributions. The Plan currently offers mutual funds, common investment trusts and pooled separate accounts as investment options for participants.

Vesting

Participants are immediately vested in their elective deferrals plus actual earnings thereon. Effective January 1, 2023, participants are 100% vested in employer matching and profit-sharing contributions made after January 1, 2023. Vesting in employer matching and profit sharing contributions made prior to January 1, 2023 is based on years of service with 100% vesting occurring after six years of credited service. Participants become 100% vested upon reaching normal retirement age of 65 if still an active employee.

Payment of Benefits and Participant Loans

On death, disability, retirement or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installments, as a joint or survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan provides that participants may borrow (minimum of \$1,000) up to 50% of the total vested balance of their accounts up to a maximum of \$50,000. The loans are subject to a maximum term of five years or a period of time not to exceed fifteen years for loans used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates which are fixed at the prime rate plus 2% which is comparable with local prevailing rates as determined by the Plan Trustees at the loan inception date. Principal and interest on the loan is paid ratably through monthly payroll deductions.

(b) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting. The Plan evaluated subsequent events through June 24, 2024, which is the date the financial statements were available to be issued.

EMPLOYEE'S SAVINGS AND PROFIT SHARING PLAN

Notes to Financial Statements

(1) Description of Plan and Summary of Significant Accounting Policies, continued

(b) Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are held by Principal Trust Company (Custodian) who allocates plan assets to the individual accounts of each participant as directed by the participant.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a transaction between market participants at the measurement date. The Plan sponsor and Plan custodian determined the Plan's valuation policies. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits and Participant Loans

Benefits are recorded when paid.

Participant loans are valued at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2023 and 2022. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent loan balance is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess participant contributions for 2023 and 2022.

(b) Summary of Significant Accounting Policies, continued

Contribution Recognition

The Plan recognizes employee and related employer matching contributions based on the period the employee contribution is withheld by the Company from the employee's compensation.

(2) Certified Investments and Loans

The following information disclosed in the financial statements and supplemental schedules was obtained by management and agreed to or derived from information certified by Principal Trust Company (Custodian) as complete and accurate as of September 30, 2023 and 2022 and for the years then ended.

	2023	2022
Investments, at fair value:		
Mutual funds	\$ 12,177,452	10,834,062
Common Investment trusts	14,695,942	13,744,712
Pooled separate accounts	2,969,290	2,530,023
Total investments, at fair value	<u>\$ 29,842,684</u>	<u>27,108,797</u>
Participant loans	<u>\$ 394,259</u>	<u>391,473</u>
	2023	2022
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	\$ 3,316,463	(5,363,342)
Dividends, mutual funds	182,847	191,451
Interest on participant loans	27,526	21,620
	<u>\$ 3,526,836</u>	<u>(5,150,271)</u>

(3) Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices in active markets of similar assets for assets in non-active markets and Level 3 inputs which consist of other valuation techniques that have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

There were no Plan investments requiring the use of Level 3 inputs in 2023 and 2022 and there were no transfers between Levels or changes in the methods used to measure fair value at September 30, 2023 and 2022.

ELLIOTT AVIATION, LLC.

EMPLOYEE'S SAVINGS AND PROFIT SHARING PLAN

Notes to Financial Statements

(3) Fair Value Measurements, continued

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit as follows:

		Fair Value Measurements Using:		
	Fair Value	Level 1	Level 2	Level 3
<u>September 30, 2023:</u>				
Mutual funds	\$ 12,177,452	12,177,452	-	-
Common investment trusts	14,695,942	-	14,695,942	-
Pooled separate accounts	2,969,290	-	2,969,290	-
	<u>\$ 29,842,684</u>	<u>12,177,452</u>	<u>17,665,232</u>	<u>-</u>
<u>September 30, 2022:</u>				
Mutual funds	\$ 10,834,062	10,834,062	-	-
Common investment trusts	13,744,712	-	13,744,712	-
Pooled separate accounts	2,530,023	-	2,530,023	-
	<u>\$ 27,108,797</u>	<u>10,834,062</u>	<u>16,274,735</u>	<u>-</u>

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements

The common investment trusts invest in a collective trust fund as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trusts and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs. The fair value of all these investments are used in determining the net asset value of the collective investment trusts, which is not publicly quoted.

The pooled separate accounts are maintained by Principal in which the underlying assets of the accounts are publicly traded open-end mutual funds registered with the U.S. Securities and Exchange Commission. The net asset value of these mutual funds is determined daily. Thus, the fair value of substantially all mutual fund investments is based on the quoted market prices of the investments within the pooled separate accounts.

(4) Administrative Expenses

Plan administrative expenses relating to general administration and recordkeeping are paid through use of forfeitures. Plan administrative expenses related to participant loan administration, member requested services, withdrawal charges and personal retirement accounts are charged to participant accounts. Under the contract with Principal, investment fees are deducted from participant accounts rather than a reduction of the investment rate of return.

ELLIOTT AVIATION, LLC.

EMPLOYEE'S SAVINGS AND PROFIT SHARING PLAN

Notes to Financial Statements

(4) Administrative Expenses, continued

A summary of plan administrative expenses is as follows:

	2023	2022
Expenses charged to participants accounts	\$ 110,542	122,975
ERISA budget expense credit	(1,188)	(1,898)
Total administrative expenses	<u>\$ 109,354</u>	<u>121,077</u>
 Total plan administrative expenses as a percent of average plan assets	 <u>0.38%</u>	 <u>0.45%</u>

(5) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(6) Tax Status

The Plan is a non-standardized defined contribution plan sponsored by Principal Life Insurance Company. Principal received a letter from the Internal Revenue Service dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC) as to its qualified status. The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan evaluates the tax benefits of a tax position using the "more likely than not" threshold. As of September 30, 2023, management is not aware of any uncertain tax positions and related tax benefits which would be material to the Plan's financial statements. The Plan files annual information returns which for fiscal years subsequent to 2019 are subject to examination by taxing authorities.

(7) Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Principal Trust Company. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

(8) Risks and Uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statement of net assets available for benefits.

EMPLOYEE'S SAVINGS AND PROFIT SHARING PLAN

Notes to Financial Statements

(9) Corrective Contributions

During 2023, the Plan administrator determined that certain employees who changed employment status were inadvertently not auto-enrolled into the Plan due to a software issue. As a result, the required employee deferrals were not withheld and remitted to the Plan's custodian within a timely period as required by the Department of Labor. The Company made a corrective QNEC contribution to the Plan custodian of \$6,655 (including lost earnings and related employer match) in 2024 under the self-correction program of the IRS Employee Plan's Compliance Resolution System.

(10) Recent Developments

On December 29, 2022, the Consolidated Appropriations Act of 2023 was signed into law, which includes the package of retirement provisions referred to as "SECURE 2.0". These provisions continue the themes and reforms that began with the 2019 SECURE Act, focusing on getting more participants into the retirement system and finding ways for them to accumulate more assets. These changes have various effective dates starting in 2023 and forward. The Plan Sponsor is working with Principal to determine that the Plan document is updated to comply with the provisions of the SECURE 2.0 Act.

(11) Economic Impacts

National and worldwide factors have led to significant volatility in financial markets and other economic impacts. These factors have affected, and may continue to affect, the value of the Plan's investments. The potential future economic impact of these conditions is difficult to assess or predict. The Plan sponsor is not able to estimate the full impact of these conditions on the Plan's financial statements.
