Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Plan Description

The following description of the HSS Inc. 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

#### *General*

The Plan, which was established effective August 1, 1997, is a defined contribution 401(k) plan available to qualifying employees of HSS Inc. and its wholly owned subsidiaries (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

HSS Inc. was acquired by Tarian Group in April 2022. There were no changes to Plan provisions in 2022 as a result. Effective July 1, 2022, the Plan was amended and restated for regulatory purposes and to clarify the definition of compensation.

#### *Administration of the Plan*

The trustee of the mutual funds is Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the issuer of the insurance company pooled separate accounts is Principal Life Insurance Company, and Principal Global Investor's Trust Company is the trustee of the Principal Stable Value Fund (collectively, Principal). Principal is the recordkeeper of the Plan. The Company is the administrator of the Plan. Principal holds all assets of the Plan in accordance with the provisions of the trust and custodial agreements and service provider contract with the Company. The Company determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Eligibility*

An employee is eligible to be an active member of the Plan on the day they are hired. An employee is eligible to receive employer matching contributions after attainment of 12 months of service and 1,000 hours and reaching age 18. Participants must be employed on the last day of the plan year to receive the matching contribution. Highly compensated employees and leased employees are not eligible to participate in the Plan.

#### *Contributions*

Eligible participants may contribute, on a pre-tax or after-tax Roth basis, up to 100% of their qualifying annual compensation as elected in their salary deferral agreements. Participant contributions are subject to certain Internal Revenue Code (IRC) limitations. Salary deferral agreements shall be made, terminated or changed according to procedures and limitations set up by the Plan administrator and the Plan Document. The Plan also allows catch-up contributions for participants age 50 or older subject to certain IRC limitations. Participants may change their contribution percentage including ceasing contributions at any time.

The Company may make a discretionary matching contribution to the Plan. For the 2022 plan year, the Company made matching contributions of 1% of the participant's eligible compensation, as defined in the Plan Document. Participants covered under certain collective bargaining agreements may also have certain required employer matching contributions as governed by such agreements.

## Notes to Financial Statements

---

Rollover contributions from other qualified plans or individual retirement accounts (IRA) may also be made to the Plan if certain criteria are met.

### ***Participants' Accounts and Investment Options***

Each participant's account is credited with the participant's pre-tax, after-tax Roth, and rollover contributions, the Company's matching contributions and an allocation of net investment earnings or losses and charged with withdrawals and certain expenses. The investment earnings or losses are allocated to each participant's account in the proportion that the balance of each participant's account bears to the total balance of all participants in each investment option.

Participants may direct the investment of their account balance into various investment options offered by the Plan and may change their investment elections at any time. The Plan offers a collective investment trust, various mutual funds and insurance company pooled separate accounts as investment options for participants. Participants may change investment elections or transfer balances between funds within their account at any time.

### ***Vesting***

Participants are 100% vested in their pre-tax, after-tax Roth and rollover contributions, and the allocated earnings or losses thereon. A participant's vested interest in the Company's matching contributions is based upon the participant's completed years of service, as defined in the Plan Document, as follows:

| Years of Service | Vesting (%) |
|------------------|-------------|
| Less than 1      | -           |
| 1                | 20          |
| 2                | 40          |
| 3                | 60          |
| 4                | 80          |
| 5 or more        | 100         |

However, a participant's vesting percentage in the Company's matching contributions shall be 100% vested upon the participant's death, disability, early retirement (age 55), or reaching normal retirement age (65). Certain prior service credit is granted to employees of acquired companies as further described in the Plan Document.

### ***Forfeitures***

At December 31, 2022 and 2021, forfeited non-vested and unallocated accounts were \$13,363 and \$429, respectively. The amount of any non-vested forfeitures attributed to a participant's break in service, as specified by the Plan Document, will be used to pay Plan expenses and to reduce future matching contributions. Forfeitures of \$5,385 were used to fund the December 31, 2022 employer contribution funded in 2023. Forfeitures of \$2,865 were used to fund the December 31, 2021 employer contribution funded in 2022.

## Notes to Financial Statements

### ***Payment of Benefits***

Upon termination of service, due to death, disability, attaining retirement age or separation of service, a participant may elect to receive either a lump-sum amount equal to the vested value of the participant's account, installment payments, annuities, or may roll over the amount to another qualified retirement plan. If no affirmative election is made by the participant to receive a distribution, distributions of account balances greater than \$1,000, but less than \$5,000, are paid as a direct rollover to an IRA in the name of the plan participant, and if the account balance is less than \$1,000, it will be paid in a lump-sum directly to the participant. In-service distributions, including hardship withdrawals, are also allowed by the Plan if certain criteria are met.

### ***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will immediately become fully vested and non-forfeitable.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value as further described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price).

Interest is recorded when earned on the accrual basis. Dividend income (and capital gains) are recorded on the ex-dividend date. Purchases and sales are recorded on a trade-date basis. The net appreciation (depreciation) in the fair value of investments represents the realized and unrealized gains and losses on the investments and reinvested capital gains.

### ***Contributions***

Participant contributions and related Company matching contributions are recognized in the plan year during which the Company makes payroll deductions from the participant's compensation or the year in which the compensation relates.

## Notes to Financial Statements

---

### *Payment of Benefits*

Benefits are recorded when paid. As of December 31, 2022 and 2021, there were no pending distributions.

### *Expenses of the Plan*

Administrative expenses of the Plan are paid by the Company, except for certain expenses that are charged to the Plan, including administrative fees paid to Principal, which totaled \$63,374 for the year ended December 31, 2022. Investment related expenses (in the form of a fee expense ratio charged to each investment option) are included in net appreciation in fair value of investments. All other expenses of the Plan for the year ended December 31, 2022 were paid by the Company and are excluded from these financial statements.

### *Concentrations, Risks and Uncertainties*

The Plan provides for various investments in mutual funds, pooled separate accounts, and a collective investment trust. Investments, in general, are exposed to various risks such as interest rate, credit and overall market volatility risk. Additionally, the value, liquidity and related income of the investment securities are sensitive to changes in economic conditions in interest rates. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At December 31, 2022 and 2021, there were five and four investments, respectively, which individually represented more than 10% of investments held. Refer to the supplemental Schedule of Assets (Held at End of Year) for a complete listing of investments held at December 31, 2022.

## **3. Fair Value Measurements and Disclosures**

Accounting Standards Codification (ASC) Topic 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows.

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

# HSS Inc. 401(k) Retirement Savings Plan

## Notes to Financial Statements

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement of an asset or liability.

A financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds* - These assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Insurance Company Pooled Separate Accounts (PSAs)* - These assets are valued at fair value using NAV as a practical expedient. NAV is determined by the issuer based on the fair value of the underlying investments. The practical expedient would not be used if it is determined to be probable that the investment will be sold for an amount different from the NAV. The PSAs are direct filing entities.

*Stable Value Collective Investment Trust* - The Stable Value Fund is a fund managed by Principal Global Investors Trust Company, which is comprised primarily of fully benefit-responsive investment contracts, that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient. This practical expedient would not be used if it was determined to be probable that the fund would sell the investment for an amount different from the NAV. If the Plan initiates full redemption of the investment in the collective investment trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The Stable Value Fund is a direct filing entity.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value measured on a recurring basis:

### Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; and, the redemption notice period, if any, is applicable only to the Plan.

The Plan was restated January 15, 2019, adopting a Principal Volume Submitter Plan Document, which received an advisory letter from the IRS dated August 8, 2014, stating the Volume Submitter Plan is designed in accordance with applicable sections of the IRC. The Plan was then restated on July 1, 2022, adopting a Principal Non-Standardized Pre-Approved Profit Sharing Plan With CODA Plan Document, which received an opinion letter from the IRS dated June 30, 2020, indicating that the form of the Non-Standardized Pre-Approved Profit Sharing Plan With CODA is designed in accordance with applicable sections of the IRC. The Company believes that the Plan, as adopted and amended, is designed and currently being operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt; therefore, no provision for income taxes has been included in the accompanying financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS audits for any tax periods in progress.
