INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Scandinavian Home DC Plan
Cranston, Rhode Island

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Scandinavian Home DC Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from two qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNI.).

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) and Schedule H - Line 4a - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not required parts of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by the qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**SCANDINAVIAN HOME DC PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1. DESCRIPTION OF PLAN

The following description of Scandinavian Home DC Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by Scandinavian Home, Inc. (the "Employer") on April 23, 1994. The purpose of the Plan is to accumulate retirement income for its employees which will supplement retirement benefits provided them by Social Security. The Plan is a contributory single-employer defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief and Economic Security Act, as amended (the "CARES Act"). The Plan was formally amended, effective August 16, 2022, to include these provisions. The CARES Act provisions that were adopted pertained to distributions and repayment of notes receivable by participants, including the following:

- (a) Participants will have the ability to repay the CARES Act distribution within three years, through repayment is not required.
- (b) Repayments of CARES Act distributions will not be subject to the annual retirement plan contribution limits.
- (c) Participants were allowed to defer loan repayments that would otherwise be due between March 27, 2020 and December 31, 2020. Loan repayments resumed starting January 1, 2021.
- (d) If a participant loan was deferred, interest continued to accrue during the deferment period and the outstanding balance of any loan in deferment was reamortized on January 1, 2021 to determine the new loan repayment amount.

Eligibility

All permissible employees of the Employer, as defined in accordance with the universal availability standards, are eligible to enroll in the Plan on their date of hire. Participating employees are eligible to receive a discretionary Employer matching contribution upon attaining the age of 18. In addition, per diem employees are eligible to receive a discretionary employer matching contribution after completion of one year of service.

Contributions

Participants may elect to contribute to the Plan any dollar amount or percentage of eligible compensation, as defined in the Plan, including any bonuses received during the year from the employer (elective deferrals). Participants who have attained age 50 before the end of the Plan year may make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. Participants direct the investment of their contributions into various investment options offered by the Plan.

SCANDINAVIAN HOME DC PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatic increases occur annually as of July 1 until a maximum automatic contribution of 6% is reached, unless otherwise elected by the participant.

The employer may make a discretionary matching contribution each year. For the year ended December 31, 2022, the discretionary matching contribution was equal to 50% of each participant's elective deferral contributions up to 6% of compensation for a maximum match of 3% of compensation.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the (a) Employer's contribution and (b) Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested in Employer contributions and the related allocated gains and losses as follows:

<u>Number of years of service</u>	<u>Vested percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Employees who incur a break in service of less than five years and return to employment retain credit for their pre-break years of service subject to certain rules. Participants become fully vested upon death, disability, or attaining normal retirement age.

SCANDINAVIAN HOME DC PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A participant is permitted to have two loans outstanding at any point in time, unless one loan is for a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates (3.25%-6.25% as of December 31, 2022) which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through weekly payroll deductions over a period not to exceed 5 years, except for loans to purchase a principal residence, which may be offered over a term of up to 15 years.

Payment of benefits

Participants may receive all or a portion of their account balance related to their pre-tax deferral if they terminate employment, become disabled, reach age 59-1/2 or on account of financial hardship, as defined in the IRC. Participants may also receive all or a portion of their account balance related to employer contributions subject to the terms of the annuity contracts.

Benefits may be paid in the form of a lump sum, partial payments, installment payments or an income option under an annuity contract. The Plan allows for hardship withdrawals from a participant's elective deferral account.

Forfeited accounts

Forfeited nonvested accounts totaled \$2,264 and \$4,768 as of December 31, 2022 and 2021, respectively. These accounts may be used to reduce future employer matching contributions or administrative expenses. During 2022 forfeitures were used to reduce administrative expenses by \$10,094.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements were prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United State of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

SCANDINAVIAN HOME DC PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

The Plan's investments are held by Metropolitan Life Insurance Company ("MetLife") and Reliance Trust Company ("Reliance"), the custodians, in various mutual funds and fixed income accounts. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

The investments in the stable value fund are valued at the net asset value (the "NAV") per unit, as determined by the trustee at year-end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Due to broker

Amounts due to broker represent funds held by Reliance, custodian of the Plan, which were bought prior to December 31, 2022 and 2021, respectively in the course of normal trading activity, for which the corresponding purchase was not executed until the following month.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses charged directly to participants are included in "Net depreciation in fair value of investments."

SCANDINAVIAN HOME DC PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan has evaluated subsequent events through September 14, 2023, the date that the accompanying financial statements were available to be issued. There were no subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3. FAIR VALUE MEASUREMENTS

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

SCANDINAVIAN HOME DC PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value fund: The stable value fund is composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of the units held of the collective trust. The net asset value is used as a practical expedient to estimate fair value.

Fixed interest account: Investments in the fixed interest account are reported at contract value. Management has determined that contract value approximates fair value for the fixed interest account. Contract value represents the accumulation of contributions made under the contract, plus interest, less funds used to pay benefits and administrative expenses of the contract.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value are based on one or more of the following valuation techniques:

- (a) Market approach: Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities;
- (b) Cost approach: Amount that would be required to replace the service capacity of an asset (replacement cost); and
- (c) Income approach: Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing and excess earnings models).

Assets measured at NAV, stable value fund (1)	<u>318,454</u>				(a)
Investments at fair value	<u>\$ 3,161,932</u>				

- (1) In accordance with U.S. GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

During the years ended December 31, 2022 and 2021, there were no transfers between levels of the fair value hierarchy.

NOTE 6. INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan has entered into a guaranteed investment contract with MetLife. MetLife maintains the contributions in a general account which is credited with interest at fixed guaranteed rates and charged for Plan withdrawals. The guaranteed interest rates are net of administrative fees. The average yield and crediting interest rates were approximately 3% as of and for each of the years ended December 31, 2022 and 2021. The balance in the fixed interest account totaled \$20,167 and \$26,263 at December 31, 2022 and 2021, respectively. The balance in the fixed interest account at December 31, 2022 and 2021 represents collateral held by MetLife for outstanding loans held between participants and MetLife which totaled \$20,167 and \$26,263 at December 31, 2022 and 2021. Under the prior contract with MetLife, loans were made between participants and MetLife and are not considered assets of the Plan. MetLife considered the plan loans available under the plan to be issued directly from funds owned by MetLife to the participant. As a result of the change in custodian from MetLife to Reliance effective June 1, 2014, a portion of the participant's account continues to be held with MetLife, representing collateral for outstanding loans until the participants pay off their loans with MetLife.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investment options consist of accounts managed by MetLife and Reliance. Accordingly, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions. Cash held by Reliance at year-end in interest bearing accounts are also party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments. The Plan made direct payments to Reliance of \$37,281 for the year ended December 31, 2022. The Plan sponsor pays directly any other fees related to the Plan's operations.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

**SCANDINAVIAN HOME DC PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 10. TAX STATUS

The Plan has adopted the Angell Pension Group, Inc. 403(b) Prototype Basic Plan Document #007, a standardized plan (the "Prototype Plan"). The Plan is required to operate in conformity with the IRC to maintain the exclusion from tax for Plan participants. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 11. DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, the Employer failed to remit certain participant contributions and loan repayments aggregating \$4,383 to the Plan on a timely basis as prescribed in the applicable Department of Labor ("DOL") regulations. Defined contribution plans must remit participant contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. The Employer computed the lost earnings on these deferrals and loan repayments, and remitted participant contributions and loan repayments as well as the lost earnings to the Plan in June and August of 2022 and consider the matter fully resolved as of December 31, 2022. The \$4,383 is included with Employer contributions on the statement of changes in net assets available for benefits for the year ended December 31, 2022.
