REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Brunner & Lay Employees' Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Brunner & Lay Employees' Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**BRUNNER & LAY EMPLOYEES’
RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF THE PLAN

General - The Plan is a contributory, defined contribution retirement plan of Brunner & Lay, Inc. (the Company). Any employee of the Company who has attained the age of 18 and has not previously enrolled in the Plan, is eligible to participate. Each new employee is also eligible to contribute to the Plan on the first of the month following their date of employment. Effective April 25, 2022, all new employees are automatically enrolled at a 3% contribution rate, and contributions are invested in a default investment account until changed by the participant, unless they affirmatively elect not to participate in the Plan, with an automatic deferral increase feature of 1% up to a maximum of 6%. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Employee Contributions - Employee contributions to the Plan are permitted on the elective basis under the provisions of Sections 401(k) of the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various mutual fund investments offered by the Plan.

Employer Contributions - Employer contributions to the Plan are determined in accordance with the provisions of the Plan instrument. Additional discretionary employer contributions are allowable, based on an analysis by the Plan sponsor.

Participant Accounts - An individual account is maintained for each participant to which employee and employer contributions and the related earnings are credited. Income allocations are based on account balances and the performance of the participant’s investment choices, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investments - Participants may direct contributions into various investment options offered by the Plan. Participants must evaluate their own investment goals and objectives and choose investments best suited to achieve those goals and objectives. Poor investment performance by the investments selected by the participants may cause their balances to be lower than the amounts contributed to the Plan on their behalf.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in non-elective employer matching contributions made on behalf of participants is based on years of service. A participant is 100% vested after six years of credited service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
less than 1	0
1	10
2	20
3	40
4	60
5	80
6	100

Notes Receivable from Participants - Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from one to five years, and may be extended to 10 years if it is for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates which ranged from 5.25% to 10.50% during the years ended September 30, 2023 and 2022, and are rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. These loans mature at various dates through October 2028.

Payment of Benefits - Payments of benefits are made in accordance with specific provisions of the Plan agreement. Upon termination of service, participants will receive either a lump-sum amount equal to the value of the vested interest in their account, periodic payments or any other lawful method of payment. The Plan's provisions also provide for in-service withdrawals in the event of financial hardship, as defined by the Plan.

Forfeited Accounts - At September 30, 2023 and 2022, forfeited non-vested accounts totaled \$52,918 and \$100,974 respectively. Forfeitures were \$2,849 and \$12,539 for the years ended September 30, 2023 and 2022, respectively. Forfeitures are first used to pay administrative expenses. Any remaining amounts will be used to reduce employer contributions payable under the Plan. Forfeitures used to pay administrative expenses were \$141 and \$5,540 in 2023 and 2022, respectively. For the years ended September 30, 2023 and 2022, forfeitures reduced employer contributions by \$53,396 and \$50,000 respectively.

Participants should refer to the plan document for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements are prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2023 and 2022, no allowance for credit losses has been recorded. Delinquent participant notes receivable are classified as distributions based on the terms of the Plan document.

Excess Contributions Payable - Amounts payable to participants totaling \$6,526 and \$15,735 at September 30, 2023 and 2022, respectively, for contributions in excess of amounts allowed by the Internal Revenue Code are recorded as excess contributions payable, with a corresponding deduction from net assets. The Plan made the corrective distributions prior to December 15, 2023.

Payment of Benefits - Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan but were not yet paid at either September 30, 2023 or 2022.

Expenses - Certain administrative expenses of maintaining the Plan are paid by the Company and are excluded from the financial statements. Fees and expenses included in the financial statements represent direct charges to participants' accounts related to investment consulting and processing of notes receivable. Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events - Subsequent events were evaluated through July 9, 2024, which was the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following provides a description of the three levels of the fair value hierarchy.

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The Plan's investments in mutual funds are classified within Level 1 of the fair value measurement hierarchy. The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

NOTE 4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fidelity Workplace Services is the recordkeeper of the Plan. Administrative expenses paid to the trustee and recordkeeper amounted to \$3,771 and \$3,570 for the years ended September 30, 2023 and 2022, respectively.

NOTE 5. PRIORITIES UPON TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account shall become fully vested. In no event may any of the Plan assets revert to the Company.

NOTE 6. TAX STATUS

Effective January 14, 2013, the Plan was amended as a Volume Submitter (“Volume Submitter”) Profit Sharing Plan sponsored by the trustee and adopted by the Plan. The Volume Submitter Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service (IRS) stated that the Volume Submitter Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not requested its own determination letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 7 INFORMATION CERTIFIED BY PLAN TRUSTEE

The Plan Administrator has obtained certifications from Fidelity Management Trust Company as of and for the years ended September 30, 2023 and 2022, that the following information regarding the Plan’s investments is complete and accurate:

	<u>2023</u>	<u>2022</u>
Investments:		
Mutual funds	\$ 11,991,439	\$ 10,952,843
Notes receivable from participants	\$ 87,213	\$ 84,007
Net appreciation (depreciation) in fair value of investments	\$ 821,047	\$ (3,034,705)
Dividends	\$ 768,884	\$ 903,052
Interest on notes receivable from participants	\$ 5,083	\$ 4,802

NOTE 8. PARTICIPANT CONTRIBUTIONS

The Company withholds participants’ contributions from their payroll. There were no instances where the Company failed to remit participant contributions timely during the year ended September 30, 2023. During the year ended September 30, 2022, there were certain instances where the Company failed to remit participant contributions of \$15,413 within the period prescribed by the Department of Labor regulations. Specifically, the regulations require the Plan sponsor to segregate participant contributions of the Plan from its general assets as soon as practicable. The late payments did not meet the timeliness requirement and therefore constitute prohibited transactions with a party-in-interest. The Plan sponsor has corrected the operational errors related to participants’ contributions.

NOTE 9. CONCENTRATION OF PLAN INVESTMENTS

The Plan has a significant portion of its assets invested in the Fidelity Government Money Market Fund. The investment was not considered a concentration as of September 30, 2023. The investment represented approximately 25% of the Plan's net assets available for benefits as of September 30, 2022.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

SUPPLEMENTAL SCHEDULE

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

To the Participants and Trustees of
Brunner & Lay Employees' Retirement Plan

We have audited the financial statements of Brunner & Lay Employees' Retirement Plan (the Plan) as of and for the years ended September 30, 2023 and 2022, and our report thereon dated July 9, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1 through 4. Our audits were conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
