INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Employee Benefit Plan of Jet Research Development, Inc.
Deerfield Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Jet Research Development, Inc., (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Employee Benefit Plan of Jet Research Development, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Jet Research Development, Inc. ("Plan Sponsor") who have attained age 21 and have completed at least one year of service. The Plan was established on September 30, 1977. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ('ERISA') and is intended to be a qualified defined contribution plan which satisfies the requirements of Section 401(k) of the Internal Revenue Code (the "Code"). Under the Code, participants are not liable for federal income taxes on employee contributions, Plan Sponsor contributions or Plan earnings until they are partially or completely withdrawn from the Plan.

Contributions

Each year, participants may elect to contribute pre-tax dollars to the Plan by having their compensation reduced by a maximum of the lesser of (a) 100% of compensation, (b) the IRS defined limit for the year, or (c) such other amount as shall be determined by the plan administrator from time to time as defined in the Plan. Upon consent of the plan administrator, participants can also elect a direct rollover of an existing balance from a tax-qualified retirement or savings plan into the Plan. Plan participants who attained age 50 before the end of the Plan year are eligible to make catch-up contributions in addition to the IRS defined limit for the year. Participants may elect to contribute to any of the investment options approved by the Plan's certifying entity and may transfer among funds as often as is permitted under the investment alternatives chosen. If a participant is hired (or rehired) on or after June 1, 2016 and did not complete a salary reduction agreement advising that they want to contribute to the Plan, the Plan will automatically withhold one percent of the participants salary for the first Plan Year in which Automatic Enrollment Contributions Commenced. This automatic contribution percentage will increase by one percent every Plan Year there-after up to a maximum of four percent.

The Plan Sponsor will make a matching contribution on the participants behalf equal to:

- (a) 100% of the salary reduction a participant contributes during the Plan Year, not in excess of the first 3% of the participants compensation; plus
- (b) 50% of the salary reduction a participant contributes during the Plan Year that exceeds 3% of the participants' compensation but not to exceed 5% of the participants' compensation for the Plan Year.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Plan Sponsor's matching contribution as well as allocation of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may not exceed five years, unless used to acquire the primary residence of the participant. The loans are secured by the balance in the participant's account and must bear a reasonable rate of interest, not to exceed the legal limit. The interest rate is determined by the certifying entity and is reevaluated every quarter. As of September 30, 2023 and 2022, interest rates on outstanding participant loans ranged from 4.25% to 9.25%. Principal and interest is paid ratably through payroll deductions.

EMPLOYEE BENEFIT PLAN OF JET RESEARCH DEVELOPMENT, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are vested immediately in their contributions, and actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their account is based on continuous years of service. A participant is 100% vested after four years of credited service. Notwithstanding, a participant shall become fully vested upon his/her normal retirement date, total disability, as defined by the Plan, or death.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant's account is distributed to the participant or his/her beneficiary in the form of a single lump-sum payment equal to the value of the participant's vested interest in his or her account. Participants may also request a hardship withdrawal in a lump-sum of his or her vested interest. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution.

Plan Termination

The Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions set forth in ERISA. In the event of a Plan termination, participants would remain 100% vested in their employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America. In September 2009, the Financial Accounting Standards Board ("FASB") implemented the Accounting Standards Codification ("ASC") which establishes FASB ASC as the source of authoritative U.S. accounting and reporting standards for nongovernmental entities. Presented below is a summary of significant accounting principles followed in the preparation of the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Contributions

Participant and Plan Sponsor matching contributions are recognized as revenue when deducted by the employer from the employee's compensation.

EMPLOYEE BENEFIT PLAN OF JET RESEARCH DEVELOPMENT, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value except for investments in fully benefit-responsive investment contracts (“FBRIC”). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FBRIC’s are reported at contract value because contract value is the amount that participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants / Participant loans

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2023 or 2022.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses to maintain the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the Plan Sponsor. Investment related expenses are included in net appreciation of fair value of investments.

Income Taxes

The Plan uses a prototype adoption agreement provided by the Plan certifying entity. The Plan administrator believes the Plan is a qualified trust under Section 401 of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan certifying entity has obtained a favorable tax determination letter from the Internal Revenue Service regarding the prototype adoption agreement and therefore believes it to be exempt from Federal income taxes under Section 501(a).

The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is subject to income tax examinations for years prior to 2019.

EMPLOYEE BENEFIT PLAN OF JET RESEARCH DEVELOPMENT, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risk and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of such investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and statement of changes in net assets available for plan benefits.

Subsequent Events

The Plan has evaluated subsequent events through June 19, 2024 the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE CERTIFYING ENTITY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at September 30, 2023 and 2022, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended September 30, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America, the certifying entity of the Plan.

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Mutual of America Life Insurance Company is the certifying entity of the plan and qualifies as a party-in-interest per Department of Labor guidelines. All fees and expenses of the Plan relating to legal, accounting, and other administrative services are paid by the Company.

NOTE 5 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

EMPLOYEE BENEFIT PLAN OF JET RESEARCH DEVELOPMENT, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

ASC 820 establishes a three-level valuation hierarchy for measurement and disclosure of fair value. The valuation hierarchy is based upon the transparency of inputs used to measure fair value. The three levels are as follows:

Level 1 – asset value is based on actual quoted prices in active markets for identical securities (mark-to-market).

Level 2 – other significant observable inputs are used to arrive at fair value (including yield, quality, coupon rate, maturity, issue type, quoted prices for similar securities, prepayment speeds, trading characteristics, etc.).

Level 3 – significant unobservable inputs (including management’s own assumptions in determining the fair value of investments).

Registered Investment Companies/Mutual Funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed actively traded.

General Account: Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The Plan’s investments at September 30, 2023 and 2022 are reported at fair value in the accompanying statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – INTEREST ACCUMULATION ACCOUNT

Participants may select from a variety of investments including an interest accumulation account with Mutual of America Life Insurance Company ("Mutual"). Mutual maintains amounts allocated under this contract in a general account titled the "Mutual of America Interest Accumulation Account." On a daily basis, Mutual increases the value of units in the general account to appropriately match the stated rate of interest. The account is charged for withdrawals and administrative expenses. Participants may withdraw or transfer all or a portion of their account balance at any time. Accordingly, participant account balances are completely liquid.
