Independent Auditor's Report

Audit Committee, Retirement Committee, and Plan Administration
St. Bernards Physician Clinics, Inc. Retirement Plan
Jonesboro, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of St. Bernards Physician Clinics, Inc. Retirement Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022 and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of September 30, 2023 and 2022 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the the Plan, formerly St. Bernards Physician Practices Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

St. Bernards Physician Clinics, Inc. Retirement Plan
Notes to Financial Statements
September 30, 2023 and 2022

Note 1. Description of the Plan

The following description of St. Bernards Physician Clinics, Inc. Retirement Plan (Plan) provides only general information. For a more complete description of the Plan's provisions, participants should refer to the plan document and *Summary Plan Description*, which are available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by St. Bernards Clinics, Inc. (Organization) for the benefit of its employees. Employees are eligible to contribute immediately; however, there are requirements of one year of service and over the age of 18 to receive employer contributions. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Related employers who also participate in the Plan include St. Bernards Clinics, Inc. (formerly Clopton Clinic of Jonesboro, Inc.); Cancer Care Associates, Inc.; Cardiology Associates of Jonesboro, Inc.; OB-GYN Associates of Jonesboro, Inc.; Surgical Associates of Jonesboro, Inc.; Doctors Health Group; and Jonesboro Anesthesia, Inc. The Organization serves as the plan administrator. Simmons Bank serves as the trustee of the Plan. Matrix Trust Company serves as the plan custodian in 2023. Advisor Trust, Inc., and American Trust Company served as plan custodians in 2022.

Plan Mergers

During 2022, Jonesboro Anesthesia, Inc., and Northeast Arkansas Anesthesiologists, P.A., affiliated entities, merged their defined contribution plans, Jonesboro Anesthesia, Inc. 401(k) Profit Sharing Plan and Northeast Arkansas Anesthesiologists, P.A. 401(k) Profit Sharing Plan, into the Plan with effective dates of December 31, 2021 and September 30, 2022, respectively. As of the effective dates, all eligibility requirements, vesting schedules, withdrawal rights, and other rights of all participants shall be governed under the provisions of the Plan.

Total participant balances of \$13,406,488, which included an employer contribution receivable of \$486,967, were transferred into the Plan from the Jonesboro Anesthesia, Inc. 401(k) Profit Sharing Plan and are included in transfers in on the accompanying statements of changes in net assets available for benefits for the year ended September 30, 2022.

Total participant balances of \$995,141 were transferred into the Plan from Northeast Arkansas Anesthesiologists, P.A. 401(k) Profit Sharing Plan and are included in transfers in on the accompanying statements of changes in net assets available for benefits for the year ended September 30, 2022.

Contributions

The Plan permits eligible employees, through a salary deferral election, to have the Organization make annual contributions of up to 100% of eligible compensation. Employee rollover contributions are permitted, and effective January 1, 2022, Roth elective deferrals are also permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Organization makes nonelective safe harbor contributions of 3% of employees' eligible wage amounts and profit-sharing contributions. Organization profit-sharing contributions are discretionary as determined by the Organization. Contributions are subject to certain limitations.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation quarterly.

Notes to Financial Statements
September 30, 2023 and 2022

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's contribution and plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and employer safe harbor nonelective contributions plus earnings thereon. Vesting in the Organization's profit-sharing contribution portion of their accounts plus earnings thereon is based on years of service. A participant is fully vested in profit-sharing contributions after six years of service. The nonvested balance is forfeited upon termination of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is based upon the Wall Street Journal prime rate. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, a participant may receive a lump-sum amount equal to the value of their account. Participants are entitled to receive distributions of all or any portion of all vested accounts upon the attainment of age 59.5.

Forfeited Accounts

At September 30, 2023 and 2022, forfeited nonvested accounts totaled \$0. Forfeitures are available to reduce nonsafe harbor employer contributions, be reallocated as employer contributions, or pay administrative expenses. Forfeitures of \$5,724 and \$14,621 were utilized to reduce nonsafe harbor employer contributions during the years ended September 30, 2023 and 2022, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Common stocks are valued at the closing price reported on the active market on which the individual securities are traded. Money market funds and mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

St. Bernards Physician Clinics, Inc. Retirement Plan
Notes to Financial Statements
September 30, 2023 and 2022

The Plan's interest in collective trust funds is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Organization or the Plan at the Organization's discretion.

Note 3. Certification of Plan Custodians

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, the respective trustees and custodians noted below, which are qualified institutions, have certified the following information, included in the accompanying financial statements and ERISA-required supplemental schedule, is complete and accurate.

- Matrix Trust Company has certified the investments and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of September 30, 2023.
- Advisor Trust, Inc., and American Trust Company have certified the investments shown in the accompanying statements of net assets available for benefits as of September 30, 2022.
- Matrix Trust Company has certified investment income and interest income on notes receivable from participants as shown in the accompanying statements of changes in net assets available for benefits for the year ended September 30, 2023.
- Advisor Trust, Inc., has certified investment income and interest income on notes receivable from participants as shown in the accompanying statements of changes in net assets available for benefits for the year ended September 30, 2022.
- Matrix Trust Company has certified the investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of September 30, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Related-Party Transactions and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such person.

The Plan incurs expenses related to general administration and recordkeeping. The Organization pays certain of these expenses and certain accounting and auditing fees relating to the Plan. In addition, the Organization provides certain administrative services at no cost to the Plan.

The Plan paid recordkeeping fees of \$212,993 and \$196,489 to Simmons Bank for the years ended September 30, 2023 and 2022, respectively. The Plan also paid individually nonmaterial recordkeeping, custodial, and administrative fees of \$80,658 and \$70,418 to other service providers during the years ended September 30, 2023 and 2022, respectively.

Note 5. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at September 30:

		Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
2023				
Money market fund	\$ 1,622,723	\$ 1,622,723	\$ -	\$ -
Mutual funds	84,163,528	84,163,528	-	-
Common stocks	435,698	435,698	-	-
Investments, at fair value	<u>\$ 86,221,949</u>	<u>\$ 86,221,949</u>	<u>\$ -</u>	<u>\$ -</u>
2022				
Money market fund	\$ 1,012,209	\$ 1,012,209	\$ -	\$ -
Mutual funds	71,582,093	71,582,093	-	-
Common stocks	277,464	277,464	-	-
Total assets in the fair value hierarchy	72,871,766	72,871,766	-	-
Investments measured at NAV ^(A)	1,004,489	-	-	-
Investments, at fair value	<u>\$ 73,876,255</u>	<u>\$ 72,871,766</u>	<u>\$ -</u>	<u>\$ -</u>

(A) Certain investments that are measured at NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended September 30, 2023 and 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of investments with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows.

St. Bernards Physician Clinics, Inc. Retirement Plan
Notes to Financial Statements
September 30, 2023 and 2022

Such investments are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 and Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of September 30, 2022. There are no participant redemption restricts for the investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
2022				
Collective trust funds (A)	\$ 919,966	N/A	Daily	None
Collective trust funds (B)	84,523	N/A	Daily	None

(A) This class of investments includes collective trust funds that invest in mutual funds, money market funds, exchange traded funds, index funds, and international equity funds.

(B) This class of investments includes stable value funds that invest in investment contracts and security-backed contracts.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their nonsafe harbor employer contributions.

Note 7. Tax Status

The Plan was amended and restated effective October 1, 2021 and amended and restated a second time effective January 1, 2022 under an adoption agreement in connection with a 401(k) profit-sharing non-standardized plan sponsored by CCH Incorporated. The Plan has received its determination letter dated October 31, 2022. Although the Plan has been amended since submitting and receiving the determination letter, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 8. Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Organization remitted all employee contributions to the Plan, contributions of \$24,379 and \$29,791 were not remitted within the required time period for the years ended September 30, 2023 and 2022, respectively.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Note 10. Subsequent Events

Subsequent events have been evaluated through July 10, 2024, which is the date the financial statements were available to be issued.

The Plan has entered into an agreement, effective October 1, 2024, to change the trustee and recordkeeper to Fidelity Management Trust Company.
