Independent Auditor's Report

To the Plan Administrator
Community Connections 403(b) Plan
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Connections 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator
Community Connections 403(b) Plan
Washington, D.C.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Connections 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Community Connections 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan pursuant to the provisions of Section 403(b) of the Internal Revenue Code (the Code) established for the benefit of all employees in the Plan. The Plan became effective April 1, 1992, and was established through the merger of the Community Connections Tax Deferred Annuity Plan into the Community Connections 403(b) Plan. The plans were merged effective July 1, 2008, to comply with final regulations under Section 403(b) of the Internal Revenue Code. Substantially, all employees are eligible to participate in the Plan upon meeting the Plan's service requirements. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). A complete description of the Plan is contained in the Plan Document and Adoption Agreement, which governs the operation of the Plan.

Effective October 1, 2010, the Plan engaged the services of USI Consulting Group, a service organization, and a custodial relationship was established with WyStar Global Retirement Solutions, a division of Wells Fargo Bank, N.A. (Wells Fargo). Effective October 1, 2020, the custodial relationship was transferred to Charles Schwab Trust Bank (Schwab). All contributions to the Plan are now directed to Schwab. However, participants who chose not to roll-forward their accounts have balances within TIAA-CREF and Lincoln Financial Group.

The Plan was formerly amended for the SECURE Act and the CARES Act provisions elected in accordance with applicable law and IRS guidance on September 13, 2022. The Plan was amended and restated effective October 1, 2022.

Eligibility

An employee is eligible to participate in the salary reduction portion of the Plan upon date of hire. For purposes of the employer non-elective contribution portion of the Plan, participants must complete two years of service. The Plan defines a year of service as a 12-month period in which 1,000 hours of service is credited.

Contributions

Each year participants may make voluntary contributions from pre-tax compensation subject to the limits established by the Code. Participants expected to reach age 50 or older during the calendar year may make an additional "catch up" contribution. For the years ending September 30, 2023, and 2022 Community Connections, Inc. (CCI), made a non-elective contribution of up to 3% of eligible compensation to all participants who have completed at least two years of service, but not more than nine years. For participating employees who have completed ten or more years of service, the employer contribution made by CCI equals 5% of the employees' eligible compensation. Participants entering the Plan may roll over contributions from other plans. Investments from contributions are participant-directed.

COMMUNITY CONNECTIONS 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (i) CCI's non-elective contributions and (ii) the Plan's earnings and charged with an allocation of administrative expenses. A participating employee may allocate contributions in whole percentages between any of the funds offered by the Plan in any desired proportion. The participant may change or revoke the allocation proportion of subsequent plan contributions. Participants may change their investment options on a daily basis.

Notes Receivable from Participants

Effective January 1, 2011, CCI restated the Plan's participant loan program as discussed in Note 7. Participants may elect to borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance. Participants may only have one loan outstanding at a time and all loans must be repaid within five years unless the loan qualifies as a home loan for the purchase of a primary residence, in which case the repayment period may not exceed ten years. The loans are secured by the participant's account balance and bear interest at prime plus one percent for each calendar quarter as published in the *Wall Street Journal* on the last day of the immediate preceding calendar quarter. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum, partial lump-sum, installment distributions equal to the value of the participant's vested interest in the account, or distribution via a monthly annuity option. A participant whose vested balance is \$1,000 or less will receive a lump-sum distribution. Benefits are recorded when paid.

Distributions from the Plan are permitted upon termination of employment, retirement, attainment of age 65, death, or disability. To receive benefits each participant may select from among several options including annuities.

A participant experiencing serious financial hardship may, with sufficient evidence, withdraw the portion of their vested account balance. The amount of the withdrawal may not be greater than the immediate financial need.

Vesting

Participants are immediately vested in the benefits arising from contributions made under this Plan. Such amounts are non-forfeitable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

COMMUNITY CONNECTIONS 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments, other than guaranteed investment contracts, are stated at fair value provided by the investment custodians. Insurance general accounts and annuity contracts, when present, are stated at contract value, which approximates fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion on fair value measurements.

Investments in guaranteed investment contracts, including the TIAA Traditional Account (benefit responsive), Lincoln Fixed Account, and Prudential Guaranteed Income Fund, are reported at contract value, as discussed in Note 5 and Note 6. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals.

Pooled separate accounts are valued at the net assets values of the units held by the Plan at year end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's realized and unrealized gains and losses on investments sold as well as held during the year. Investment income is reported net of investment fees.

Income Taxes

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the IRC and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended September 30, 2023.

The Plan's policy would be to recognize in income tax expense in its financial statements any interest and penalties on uncertain tax positions related to its unrecognized tax benefits. No interest or penalties were incurred or recognized during the year ended September 30, 2023. The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

COMMUNITY CONNECTIONS 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

A portion of the administrative expenses and other fees are paid out of the Plan's assets. CCI pays the remaining expenses of the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

3. INFORMATION CERTIFIED BY CUSTODIANS

The plan administrator has elected the method of annual reporting compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Act of 1974. Schwab, TIAA-CREF, and Lincoln act as custodians of the Plan's investments and are responsible for handling trust asset transactions. The Plan's custodians have certified all of the plan investments, transactions, and income included in the accompanying financial statements and supplementary schedules is complete and accurate:

	2023	2022
Noninterest-Bearing Cash	\$ -	\$ 27,435
Investments, at Fair Value	13,468,976	12,125,034

4. FAIR VALUE MEASUREMENTS

Certain of the Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three board levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are observable and have the lowest priority.

COMMUNITY CONNECTIONS 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Following is a description of the valuation methodologies used for assets measured at fair value as of September 30, 2023 and 2022.

TIAA Traditional Account: This account has two components, a non-benefit responsive component (Note 5) and a benefit responsive component (Note 6). The TIAA Traditional Account is a guaranteed annuity subject to TIAA's claims paying ability. TIAA guarantees the principal and a minimum interest rate of generally 3%, but between 1% and 3% for some recent contracts. The annuity also offers the opportunity for additional amounts in excess of the guaranteed rate of interest declared by TIAA. The TIAA Traditional Account - non-benefit responsive is reported at fair market value. The TIAA Traditional Account - benefit responsive is reported at contract value. TIAA has not computed a fair value, but management believes contract value approximates fair value based on current yields of similar instruments with comparable durations. The account provides for a 2.5% withdrawal fee if a participant separates from services and elects to withdraw accumulations within 120 days of separation.

TIAA Real Estate Account: This account generally invests in real estate properties and real estate-related investments. The account's value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally utilizing external appraisals, which are estimates of property values based on a professional's opinion. The Real Estate Account sometimes holds securities as well. These are generally priced using values obtained from independent pricing sources. Unit values are calculated daily. Holdings are reported as other investments at net asset value.

TIAA Access Annuity Accounts: These are variable annuity products that invest in proprietary and non-proprietary mutual funds through various sub-accounts. Sub-accounts unit values are calculated daily, and these are valued using market quotations obtained from independent pricing services.

CREF Accounts: The CREF Accounts, as investment options available and permitted under the governing plan, fund variable annuity contracts issued by CREF. The CREF Accounts invest principally in equity securities, fixed-income instruments, and short-term investments in accordance with each portfolio's investment objectives. Account investments are primarily valued using market quotations or prices obtained from independent pricing sources who may employ various pricing methods to value the investments including matrix pricing. CREF Money Market Account holdings are generally valued at amortized cost. Each CREF Account determines its unit value each day.

Registered Investment Companies - Mutual Funds: These funds are registered with the Securities and Exchange Commission and are required to publish net asset values (NAVs) on a daily basis and to transact at that price. The mutual funds held by the Plan are actively traded, and are classified as Level 1 inputs. The funds are valued at their reported daily closing prices.

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

5. TIAA TRADITIONAL ACCOUNT - NON-BENEFIT RESPONSIVE REPORTED AT FAIR VALUE

The investment in the non-benefit responsive TIAA component of the Traditional Account is a fixed annuity contract that is fully and unconditionally guaranteed by Teachers Insurance and Annuity Association of America (TIAA), a New York domiciled non-profit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Account guarantees the principal and a minimum rate of interest, and the potential for additional interest if declared by TIAA. Additional interest is not guaranteed for future years. When the accumulation in TIAA Traditional is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation and it is distributed in the form of a life annuity or in ten installments over a period of nine years and one day. The average yield based on actual earnings and interest rate credited to participants was 4.85% and 4.24% during the years ended September 30, 2023 and 2022, respectively.

6. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan has entered into benefit-responsive guaranteed investment contracts with Lincoln National Life Insurance Company (Lincoln), Teachers Insurance and Annuity Association of America (TIAA), and Prudential Retirement (Prudential).

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Lincoln, TIAA, and Prudential are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against the contracts for the credit risk of the contract issuer or otherwise. Management estimates the fair value of the investment contracts at September 30, 2023 and 2022, approximate contract value based on current yields of similar instruments with comparable durations. The crediting interest rate is based on a formula agreed upon with the issuers and is guaranteed to never be less than the Guaranteed Minimum Interest Rate in effect for that year. Such interest rates are reviewed for resetting on an annual basis for TIAA and Lincoln and on a semi-annual basis for Prudential.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events may include complete or partial plan termination, bankruptcy of the plan sponsor, or failure of the Plan to qualify as tax exempt. The plan administrator does not believe any event which would limit the Plan's ability to transact at contract value with participants, is probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity dates.

COMMUNITY CONNECTIONS 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

6. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (CONTINUED)

The following summarizes the Plan's guaranteed investment contracts measured at contract value for the years ended September 30, 2023 and 2022:

	2023	2022
TIAA Traditional Annuity	\$ 654,783	\$ 727,187
Lincoln Fixed Account	142,547	350,896
Prudential Guaranteed Income Fund	329,835	440,931
Total Investments at Contract Value	<u>\$ 1,127,165</u>	<u>\$ 1,519,014</u>

Lincoln Fixed Account

The Lincoln Fixed Account is a guaranteed investment contract subject to Lincoln's claims paying ability. Interest is credited daily at an interest rate that will not be less than the Guaranteed Account Minimum Interest Rate. The interest crediting rate is declared on a quarterly basis. The Lincoln Fixed Account is reported at contract value. Lincoln has not computed a fair value, but management believes contract value approximates fair value based on current yields of similar instruments with comparable durations.

Upon contract discontinuance, money may be withdrawn from the Fixed Account subject to a Market Value Adjustment (MVA) or according to a withdrawal schedule. An MVA is applied to the account at contract discontinuance unless the account value is withdrawn via the five-year withdrawal schedule. Withdrawals can be taken without an MVA for hardship needs, death, retirement, or separation from service. Lincoln maintains the contribution in a general account.

TIAA Traditional Account, Benefit Responsive

The TIAA Traditional Account, benefit-responsive component, is a fixed rate annuity contract that is fully and unconditionally guaranteed and backed by the claims-paying ability by Teachers Insurance and Annuity Association of America (TIAA), a New York domiciled nonprofit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest between 1% and 3% and the potential for additional interest, if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. When the contract value accumulation (plan asset) of TIAA Traditional Annuity is converted to an annuity (plan withdrawal) based on life expectancy, the present value of the stream of payments is equal to the accumulation.

Prudential Guaranteed Income Fund

The Prudential Guaranteed Income Fund is a fully benefit responsive guaranteed investment contract with Prudential through Wells Fargo. Contributions to the Guaranteed Income Fund are maintained in a general account of Prudential. The fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fund is reported at contract value, without reserve, which represents the contributions to the fund, plus earnings, less withdrawals and administrative expenses.

COMMUNITY CONNECTIONS 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS SEPTEMBER 30, 2023 AND 2022

6. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (CONTINUED)

Prudential Guaranteed Income Fund (Continued)

Contract value approximates fair value at September 30, 2023 and 2022. Generally, there are not any events that could limit the ability of the fund to transact at contract value paid within 90 days or in certain rate-based circumstances, paid over time. Contributions to the fund are maintained in a general account of Prudential.

7. PARTICIPANT AND PLAN LOANS

Effective January 1, 2011, CCI restated the Plan's participant loan program (Note 1). The participant loans are reported in the loan fund and identified separately in the statements of net assets available for benefits with related income and activities reported in the statement of changes in net assets available for benefits. Terms and conditions are governed by applicable rules and regulations of the Internal Revenue Code.

Loans receivable from participants are measured at the unpaid balance plus accrued interest, if any. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

Participant loans are not allowed by TIAA-CREF and Lincoln. Participants who have accounts with TIAA-CREF and Lincoln may obtain plan loans. These do not reduce a participant's account balance, but rather the account balance collateralizes the outstanding loan. TIAA-CREF and Lincoln act as the lenders instead of the Plan.

TIAA-CREF transfers 110% of the loan balances from CREF related investments into the TIAA Traditional Annuity. The TIAA Traditional Annuity balance is reduced as the loan is repaid and restored into the participant's designated investments.

Accordingly, at September 30, 2023 and 2022, \$20,893 and \$19,918, respectively, of the Traditional Annuity balance collateralizes loan balances.

Lincoln transfers 100% of the loan balances from other related investments into the Lincoln Fixed Account. The Lincoln Fixed Account balance is reduced as the loan is repaid and restored into the participant's designated investments. Accordingly, at September 30, 2023 and 2022, \$17,510 and \$18,009, respectively, of the Lincoln Fixed Account balance collateralizes loan balances.

8. RELATED PARTY TRANSACTIONS

Party-in-interest transactions are described in Notes 1 and 4. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment. The plan sponsor pays directly any other fees related to the Plan's operations.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, CCI has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

COMMUNITY CONNECTIONS 403(b) PLAN

**NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022**

10. TAX STATUS

403(b) plans currently are not required to submit plans to the Internal Revenue Service for determination. However, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

11. CONTINGENCIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. SUBSEQUENT EVENTS

Subsequent to year end CCI has elected to not make nonelective contributions to the Plan.

The Plan's management has evaluated subsequent events through July 10, 2024, the date on which the financial statements were available to be issued.
