**Base commissions paid on your contract.

***Other fees/commissions paid on your contract or policy such as consulting fees or General Agent commissions.

****To calculate the proportion of the special program payments allocated to your policy or contract, your eligible volumes for the following categories are divided by the broker/consultant's total volume for that special program category. The resulting fraction is multiplied by the broker/consultant's total payment for that special program category to get the allocated portion. This calculation is completed for the Blue Ribbon New Sales categories of Medical, excluding those policies or contracts that meet or exceed the Blue Ribbon New Sales maximum per group payout amount. The resulting figures are totaled with other special program defined (ex. non-graded per head or per group) payments.

The settlement applies to the group numbers referenced on the Benefit Program Application and may include canceled group numbers if applicable.

The Summary Annual Report...SAR

SS I have reviewed the SAR.

The Summary Annual Report, also known by its acronym, the SAR, is, generally speaking, a one-page summary of the ERISA Plan's Form 5500 report. ERISA mandates for the SAR to be distributed to Plan Participants within two months from the Form 5500's due date (the SAR is not required to be issued if the plan is 100% self-funded such as a Health FSA plan).

The SAR's purpose is to inform the Plan Participants of the carriers and the policies included within the Form 5500 report. Additionally, funding is noted as well as the financials including the total premium spent and the claim total, if applicable.
