INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
SOLVIT, INC. 401(K) P/S PLAN
Southfield, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **SOLVIT, INC. 401(K) P/S PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **SOLVIT, INC. 401(K) P/S PLAN's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the **SOLVIT, INC. 401(K) P/S PLAN** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **SOLVIT, INC. 401(K) P/S PLAN's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **SOLVIT, INC. 401(K) P/S PLAN's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **SOLVIT, INC. 401(K) P/S PLAN's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of or for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SOLVIT, INC. 401(K) P/S PLAN

NOTES TO THE FINANCIAL STATEMENTS For the years ended December 31, 2023 and 2022

NOTE A - Description of Plan

The following description of the Solvit, Inc. 401 (k) P/S Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The plan is a defined contribution plan which covers substantially all employees of Solvit, Inc. (the "Company" and "Plan Sponsor"), meeting the eligibility requirements discussed below. The Plan has elected to be a 401(k) Safe Harbor Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Management of the Company is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan was most recently restated on November 23, 2021, with updates to eligibility and loan provisions following the restatement.

Eligibility to Participate - Except for employees covered by a collective bargaining agreement, non-resident aliens, and, prior to July 1, 2018 only, independent contractors, an employee is eligible to become a participant in the Plan provided the employee has completed three months of service. A participant is eligible to receive safe harbor matching contributions, discretionary matching contributions and discretionary profit sharing contribution made by the Company upon entrance into the Plan. Eligible participants may enter the Plan on the first day of the month coinciding with or following the date eligibility requirements are met.

Contributions - Contributions to participant accounts are made by employees through tax-deferred salary deductions, Roth deferrals, and by the Company from its earnings. Participants may voluntarily contribute up to 100% of their eligible compensation, not to exceed Internal Revenue Code ("IRC") limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as defined by the IRC. Participants may elect to change fund elections and transfer investment balances between funds on a daily basis and change contribution percentages each payroll period. Employees may directly "roll over" their assets from a qualified plan at a previous employer and transfer the assets into their Plan account.

The Company's safe harbor matching contributions are calculated as 100% of employee deferrals, on a payroll-by-payroll basis, up to 4% of eligible compensation. The Company's safe harbor matching contribution totaled \$175,616 and \$175,791 for the years ended December 31, 2023 and 2022, respectively. There were no discretionary employer matching contributions for the years ended December 31, 2023 or 2022. The Company's profit sharing contribution is discretionary and determined by management on an annual basis. There were no profit sharing contributions for the Plan years ended December 31, 2023 or 2022.

Participants' accounts - Each participant's account is credited with the participant's contribution, an allocation of the Company's non-discretionary matching contribution, an allocation of the Company's discretionary matching and profit sharing contribution, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participant contributions, safe harbor employer matching contributions, and earnings thereon are 100% vested at the date of contribution. Participants are 100% vested in Company discretionary matching and profit sharing contributions and earnings thereon after four years of credited service or upon other conditions as defined by the Plan document.

SOLVIT, INC. 401(K) P/S PLAN

NOTES TO THE FINANCIAL STATEMENTS (continued)

For the years ended December 31, 2023 and 2022

NOTE A - Description of Plan (continued)

Forfeited accounts - If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeiture accounts can be used to pay Plan-level administrative expenses or to reduce future employer contributions, as directed by the Plan Sponsor. There were no forfeitures as of December 31, 2023 or 2022.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to one-half of the total vested account balance, or \$50,000, reduced by the highest loan balance outstanding during the prior 12 months. Participant loans are secured by the vested balance in the participant's account and bear interest at a rate set by the Plan administrator in accordance with local prevailing rates for similar types of loans. Principal and interest payments are made through payroll deductions over a term not to exceed five years (except for loans used to acquire a principal residence, which prior to July 1, 2018 could be for a term consistent with a typical mortgage, not to exceed the participant's normal retirement date. After July 1, 2018, all loan terms shall not exceed five years).

Payment of benefits - Distributions and withdrawals are allowed upon retirement, disability or death of the employee, as well as termination of service with the Company. A participant or their beneficiary may elect to receive a lump-sum distribution of their total vested account balance, subject to minimum distribution requirements by the IRC. If a participant is no longer employed by the Company, they may be subject to various force-out provisions depending on the participant's account balance upon the date of valuation after termination.

NOTE B - Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Administrative expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Use of estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Participant loans are valued at their outstanding balances, which approximate fair value. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits - Benefits are recorded when paid. There were no benefits due as of December 31, 2023 and 2022.

SOLVIT, INC. 401(K) P/S PLAN

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2023 and 2022

NOTE B - Summary of Significant Accounting Policies (continued)

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the Plan has authority to take all reasonable actions to collect the loan balance including the participant loan balance may be reduced and a benefit payment recorded.

Risks and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credits risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Date of management's review - The Plan has evaluated subsequent events through the date of the auditors' report, the date the financial statements were available to be issued.

NOTE C - Related-Party Transactions

Plan investments are shares of pooled separate accounts managed by John Hancock. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments. John Hancock is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions.

Certain expenses, including salaries and services required for Internal Revenue Service ("IRS") reporting, related to the administration of the Plan are paid by the Company. The Company is the sponsor of the Plan; therefore, these transactions qualify as party-in-interest transactions.

NOTE D - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Company contribution portion of their account.

NOTE E - Investment Information and Information Certified by the Custodian

Information certified by the custodian - The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under this election, no audit procedures have been performed with respect to information certified as complete and accurate by the custodian of the Plan, John Hancock Life Insurance Company (U.S.A.), which held the Plan's investment assets and executed investment transactions from January 1, 2022 to December 31, 2023. The unaudited information included in the accompanying financial statements and supplemental schedule, which are certified by the custodian, is summarized below.

NOTE F - Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2: Inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2023 and 2022

NOTE F - Fair Value Measurements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Pooled separate accounts* are sub-accounts investing in mutual funds or collective investment trust funds valued at the daily closing net asset value per share quoted by the fund trading on an active market.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2023 and 2022:

	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2023:				
Pooled separate accounts	\$ 7,567,786	\$ 7,567,786	\$ -	\$ -
Total investments at fair value	<u>\$ 7,567,786</u>	<u>\$ 7,567,786</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2022:				
Pooled separate accounts	\$ 6,092,927	\$ 6,092,927	\$ -	\$ -
Total investments at fair value	<u>\$ 6,092,927</u>	<u>\$ 6,092,927</u>	<u>\$ -</u>	<u>\$ -</u>
