Independent Auditor's Report

To the Administrative Committee of the
Coreslab Structures, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Coreslab Structures, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coreslab Structures, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF THE PLAN

The following description of the Coreslab Structures, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan Agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General

In January 1989, the Coreslab Structures, Inc. 401(k) Plan (the "Plan") was established for the employees of Coreslab Structures (Ariz) Inc. and Coreslab Structures (Texas) Inc. In January 1994, the Plan was amended to include any employee who was a participant in a 401(k) plan maintained by a company acquired by Coreslab Holdings U.S. Inc. & Subsidiaries (the "Sponsor"). The companies eligible to participate in the Plan are:

Coreslab Structures (Ariz) Inc.	Coreslab Structures (Tulsa) Inc.
Coreslab Structures (Texas) Inc.	Coreslab Structures (Orlando) Inc.
Coreslab Structures (Okla) Inc.	Coreslab Structures (Tampa) Inc.
Coreslab Structures (Miami) Inc.	Coreslab Structures (L.A.) Inc.
Coreslab Structures (Atlanta) Inc.	Coreslab Structures (Conn) Inc.
Coreslab Structures (Ark) Inc.	Coreslab Structures (Indianapolis) Inc.
Coreslab Structures (Albuquerque) Inc.	Coreslab Structures (Omaha) Inc.
Coreslab Structures (Missouri) Inc.	Coreslab Structures (Kansas) Inc.

The Plan is a defined contribution plan maintained under Section 401 of the Internal Revenue Code that covers substantially all employees of the above companies who meet specified age and service requirements, and which provides for pension and disability benefits. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA").

As of December 31, 2023 and 2022, the Plan's record-keeper was Automatic Data Processing, Inc. ("ADP"). As of December 31, 2023 and 2022, the trustee was Reliance Trust Company.

Contributions

Contributions to the Plan are made as directed by the participants. Participants may generally contribute up to a maximum of 70% of their compensation on a pre-tax basis, within IRS limits (maximum of $22,500 and $20,500 for 2023 and 2022, respectively, with certain additional catch-up contributions of $7,500 and $6,500 for 2023 and 2022, respectively). Participants may also contribute amounts representing distributions from other qualified pension plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Employer contributions may be made at the discretion of the Sponsor. No employer contributions were made for 2023.

A. DESCRIPTION OF THE PLAN - Continued

Participant Accounts

Each participant's account is credited with their individual contributions on a cash basis when received by the Plan's trustee. In addition, each participant's account is credited with an allocation of any Sponsor's contribution, plan earnings and forfeitures of nonvested accounts of terminated employees. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participant accounts are also credited with rollovers from participants' other qualified plans when received by the Plan.

Vesting

Participants vest in their individual accounts based on years of continuous service. Participant contributions are 100% vested when contributed, and Sponsor contributions are 100% vested after three years of continuous service. The Plan sponsor may use forfeitures to pay plan expenses or to reduce amounts otherwise required to be contributed to the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $500 up to a maximum of $50,000 or 50% of their account balance, whichever is less. Loans are secured by the vested balance in the participant's account and bear interest at the prime rate (as published by the Wall Street Journal on the 14th day of each month) plus 1%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

If the value of a participant's vested benefit is less than $1,000 upon termination of service, participants automatically receive a cash out election form 60 days from termination date. If the value of a participant's vested benefit exceeds $1,000, participants may elect to receive either a lump sum payment amount equal to the value of his or her vested account, or to defer the distribution until retirement. On termination due to disability or death, a participant's vested account balance will be distributed to the participant (or participant's beneficiary) as soon as practicable. The distribution is made in the form of a single lump-sum payment.

Administrative Expenses and Investment Fees

The Sponsor pays certain administrative expenses of the Plan except for recordkeeping expenses, which are charged directly to the participant's account. Additionally, any mutual fund expenses or other transaction fees are charged directly to the participant's account.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting. Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value using primarily quoted market prices. See Note H. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and netted against participant contributions in the statement of changes in net assets available for benefits. The Plan distributes the excess contributions to the applicable participants within the timeframe established by the IRS.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Fair Value Measurements

Assets recorded at fair value in the statements of net assets available for benefits are categorized based on the level of judgment associated with the inputs used to measure their fair value. Level inputs are as follows:

Level 1 - Values are unadjusted quoted prices for identical assets in active markets accessible at the measurement date.

Level 2 - Inputs include quoted prices for similar assets in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

Level 3 - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

Risks and Uncertainties

The Plan provides for various investment fund options, which in turn invest in any combination of stocks, bonds and other investment securities exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payments of Benefits

Benefit payments to participants are recorded when paid.

C. INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan has certified that the data presented below, included in the accompanying financial statements and supplemental schedule, is complete and accurate.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

	2023	2022
Investments, at fair value:		
Mutual funds	$64,715,421	$58,613,408
Notes receivable from participants	1,310,967	1,358,212
Net appreciation in fair value	7,853,879	Not applicable
Dividends	1,929,401	Not applicable
Other income	637	Not applicable
Interest income on notes receivable from participants	85,776	Not applicable

During 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by $7,853,879. See Note H for further information regarding investments.

D. PLAN TERMINATION

Although it has not expressed an intention to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, participants shall become 100% vested in their accounts.

E INCOME TAX STATUS

The Plan obtained its latest determination letter dated March 25, 2005, in which the Internal Revenue Service stated that the Plan, as designed August 18, 2004, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Sponsor and administrator believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan Sponsor and the administrator believe that the Plan was qualified as of December 31, 2023 and 2022 and, accordingly, no provision for income taxes is included in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

F. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits at December 31, 2023 and 2022:

	2023	2022
Net assets available for benefits per the financial statements	$65,980,063	$59,945,492
Corrective distributions at December 31	46,325	26,128
Net assets available for benefits per Form 5500	$66,026,388	$59,971,620

F. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 - Continued

The following is a reconciliation of participant contributions to net assets and total deductions from net assets per the financial statements for the year ended December 31, 2023 to Form 5500:

Participant contributions to net assets per the financial statements	$4,636,916
Add: Current year corrective distribution	46,325
Participant contributions to net assets per Form 5500	$4,683,241
Total benefits paid from net assets per the financial statements	$8,413,816
Add: Prior year corrective distribution	26,128
Total benefits paid from net assets per Form 5500	$8,439,944

G. EXCESS CONTRIBUTIONS REFUNDABLE

Contributions received from participants for 2023 are net of payments of $46,325 made in March 2024 to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. At December 31, 2023 and 2022, $46,325 and $26,128 respectively, have been included in the Plan's statements of net assets available for benefits as corrective distributions payable.

H. FAIR VALUE OF FINANCIAL INSTRUMENTS

Disclosures concerning the estimated fair value of financial instruments are presented below. The estimated fair value amounts have been determined based on the Plan's assessment of available market information and appropriate valuation methodologies. The following table summarizes required fair value disclosures and measurements at December 31, 2023 and 2022, for assets measured at fair value on a recurring basis under ASC 820, *Fair Value Measurements and Disclosures*:

		Fair Value Measurements at Reporting Date Using		
	Assets Measured at Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2023				
Mutual Funds	$64,715,421	$64,715,421	$ -	$ -
December 31, 2022				
Mutual Funds	$58,613,408	$58,613,408	$ -	$ -

H. FAIR VALUE OF FINANCIAL INSTRUMENTS - Continued

Mutual funds included above are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are with registered investment companies and are deemed to be actively traded.

The carrying value of corrective distributions approximates fair value due to the short maturity of the liability.

The carrying value of notes receivable from participants approximates fair value as interest approximates market rates.

I. SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 5, 2024, the date the financial statements were available for issuance, and has determined that there were no subsequent events requiring disclosure.
