The Bradbury Company, Inc. Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Bradbury Company, Inc. Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended September 30, 2022, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2022 and 2021, and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE BRADBURY COMPANY, INC. PROFIT SHARING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of The Bradbury Company, Inc. Profit Sharing 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions. The Board of Trustees is responsible for oversight of the Plan. The administrative committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

General - The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), covering all employees other than those classified as a member of a collective bargaining unit or leased employee of The Bradbury Co., Inc. and its domestic subsidiaries (collectively, Employer). Employees are eligible to participate on their date of hire and are automatically enrolled on the first day of each Plan year quarter following their hire date, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contribution invested in a designated balanced fund until changed by the participant. Employees who are actively employed on the last day of the Plan year and who have completed 1,000 hours of service during the Plan year are eligible to participate in the employer discretionary and matching contributions.

Contributions - The Plan provides that active participants may make voluntary contributions to the Plan on a pre-tax or post-tax basis, between 1% and 75% of eligible compensation, up to a maximum of \$20,500 for calendar year 2022. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 for calendar year 2022. Participants may also contribute amounts representing distributions from other qualified plans. The Employer may also elect to annually make discretionary contributions from profits and accumulated earnings at the discretion of the Employer's Board of Directors. The Employer's matching contributions for eligible participants are limited to 50% of the first 4% of compensation, then 25% of the next 6% of compensation that a participant contributed to the Plan.

Participant Accounts - Each participant's account is credited with the participant's salary deferral contribution and the Employer's matching and discretionary contributions, the Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their voluntary contributions. The Employer matching and discretionary contributions are vested based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% as of the date of the note. Principal and interest is paid ratably through regular payroll deductions. Notes receivable may not exceed five years unless the note is for the purpose of purchasing a personal residence, in which case the term may be up to fifteen years.

THE BRADBURY COMPANY, INC. PROFIT SHARING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. Installment payments are not to extend beyond the life expectancy of the participant or his or her spouse, or any combination of the two. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Normal Retirement Age - Normal retirement age is 65.

Forfeitures - At September 30, 2022 and 2021, forfeitures of nonvested accounts totaled \$7,065 and \$18,784, respectively. These amounts may be used to reduce future Employer contributions. In 2022, \$18,784 from forfeited nonvested accounts was used to reduce the Employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates - The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance has been recorded as of September 30, 2022 and 2021 for these notes receivable. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Benefit Payments - Benefits are recorded when paid.

Administration Expenses - Certain expenses of the Plan may be paid directly by the Employer and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Some investment related expenses may be included in net change in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events - Subsequent events have been evaluated through July 14, 2023, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY INTRUST BANK, N.A. (UNAUDITED)

The following is a summary of the information as of September 30, 2022 and 2021 and for the year ended September 30, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by INTRUST Bank, N.A. (INTRUST), a qualified institution, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from INTRUST that information provided to the Plan Administrator by INTRUST related to the following assets is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information below, the fair values in Note 4, and the values in the supplemental schedule related to the following assets:

	2022	2021
Investments at fair value:		
Mutual funds	\$ 36,703,973	\$ 47,583,405
Collective investment fund	3,200,161	1,088,528
	<u>\$ 39,904,134</u>	<u>\$ 48,671,933</u>
Notes receivable from participants	\$ 710,330	\$ 580,794
Cash	<u>\$ 1,431</u>	<u>\$ --</u>

INTRUST also certified to the completeness and accuracy of (\$13,108,872) of net change in fair value of investments and \$2,918,730 of dividends, interest and other income related to the aforementioned investments and notes receivable from participants for the year ended September 30, 2022.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

THE BRADBURY COMPANY, INC. PROFIT SHARING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds

These investments, which include mutual funds, money market funds and lifecycle funds, are valued using a quoted price in an active market.

Self-Directed Brokerage Account

These investments, which include bank held certificates of deposit and stocks, are valued using a quoted price in an active market.

Collective Investment Fund

This investment (T Rowe Price Stable Value Common Trust Fund) is valued at the Net Asset Value (NAV). The NAV, as provided by INTRUST, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective investment fund, the investment advisor reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly manner.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels described previously (there are no level 2 or 3 investments).

	Fair Value at September 30, 2022		
	Level 1	Not Classified	Fair Value

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

	Fair Value at September 30, 2021		
	Level 1	Not Classified	(Unaudited) Fair Value
Assets in fair value hierarchy:			
Mutual funds	\$ 47,583,405	\$ --	\$ 47,583,405
Investments measured at net asset value ^(a)	--	1,088,528	1,088,528
Investments at fair value	<u>\$ 47,583,405</u>	<u>\$ 1,088,528</u>	<u>\$ 48,671,933</u>

(a) Certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy, as allowed by U.S. accounting policies. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of September 30, 2022 and 2021, respectively.

Investment	September 30, 2022			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment fund	<u>\$ 3,200,161</u>	<u>\$ --</u>	Daily	12 Months

Investment	September 30, 2021			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment fund	<u>\$ 1,088,528</u>	<u>\$ --</u>	Daily	12 months

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets are managed by INTRUST (party-in-interest), and therefore, these transactions qualify as party-in-interest transactions. NestEgg Consulting Inc., the record-keeper, is an affiliate of INTRUST, and therefore, also qualifies as a party-in-interest. Total fees incurred and paid directly by the Plan for the investment management services were \$103,564. Total loan fees incurred and paid by participants were \$1,400. The various funds' operating expense ratios ranged from 0.035 to 0.98 percent as of September 30, 2022.

6. TAX STATUS

The Plan adopted a Prototype Non-Standardized Profit Sharing Plan designed to qualify under the applicable sections of the Internal Revenue Code (IRC). The Internal Revenue Service (IRS), in a letter dated June 30, 2020, has provided a favorable opinion that this prototype defined contribution plan is designed in accordance with applicable sections of the IRC.

THE BRADBURY COMPANY, INC. PROFIT SHARING 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

6. TAX STATUS (CONTINUED)

Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the IRC and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that it had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer reserves the right to discontinue its contributions and to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination of the Plan, the interests of the participants in the Plan shall be fully vested at the time of termination and INTRUST shall liquidate all assets of the trust and continue to administer the trust in accordance with its provisions until all obligations have been satisfied.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
