INDEPENDENT AUDITOR'S REPORT

The Plan Administrator of
Metalcraft, Inc. Employees' Profit Sharing and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the financial statements of Metalcraft, Inc. Employees' Profit Sharing and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended September 30, 2023 and schedule of assets (held at end of year) as of September 30, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

SHARING AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
September 30, 2023 and 2022**

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the Metalcraft, Inc. Employees' Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all employees of Metalcraft, Inc. (the Company or Plan Administrator) who have one year of service and are age 18 or older. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Company has contracted with Principal Trust Company (Principal) to hold the Plan's assets, execute investment transactions, perform allocations of contributions and investment earnings, and make benefit payments.

Contributions

The Plan allows for employee contributions up to 50% of eligible compensation, subject to certain Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit plans (rollover). The Plan includes an automatic-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically-enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participant deferral rates are automatically increased 1% annually to a maximum of 10%. Additionally, the Plan provides for matching Company contributions equal to 25% of the participants' first 6% of contributions. Additional discretionary contributions may be made by the Company from time to time.

Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is increased or decreased by the participant's contributions, withdrawals and an allocation of Plan earnings (losses), net of administrative expenses and an allocation of the Company's contributions. Allocations to participants are based on the funds selected by the participant, as defined in the agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon, Company matching, and discretionary contributions.

NOTE 1 — DESCRIPTION OF THE PLAN (Continued)

Notes Receivable, Participants

Participants are permitted to borrow from their account a minimum of \$500 up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. Outstanding loans are limited to two per participant at any given time, are secured by the balance in the participant's account, and bear a reasonable fixed interest rate, as determined by the loan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants may withdraw account balances related to their elective contributions and rollover contributions at any time. Account balances related to Company contributions may be withdrawn upon termination, unless noted below. A participant may withdraw a portion of his or her vested interest upon attaining age 55 while still employed by the Company. In addition, hardship distributions are permitted if certain criteria are met.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the accrued benefits of all participants shall be distributed to participants as provided in the agreement.

Forfeited Accounts

Forfeitures of nonvested accounts may be used to pay administrative expenses of the Plan. As of September 30, 2023 and 2022, the Plan had no unallocated account balances. No unallocated balances were utilized during the years ended September 30, 2023 or 2022.

Plan Transfers

Along with the Plan, the Company also sponsors a defined contribution employee stock ownership plan. Participants meeting certain eligibility requirements of the employee stock ownership plan may elect to diversify their account balance and transfer amounts into the Plan. For the years ended September 30, 2023 and 2022, there were transfers to the Plan of \$63,147 and \$272,965, respectively.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**METALCRAFT, INC. EMPLOYEES' PROFIT
SHARING AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
September 30, 2023 and 2022**

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of the financial statements in accordance GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable, Participants

Notes receivable from participants are measured at the unpaid principal balance, plus any accrued interest. No allowance for credit losses has been recorded as of September 30, 2023 and 2022.

Contributions

Contributions from the Plan participants and the matching contributions from the Company are recorded in the year in which the participant's contributions are withheld from compensation.

Administrative Expenses

The cost of administering the Plan is paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Participants are responsible for certain transaction-related expenses. Certain investment-related expenses are included as a reduction of net appreciation (depreciation) in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 — INFORMATION CERTIFIED BY PRINCIPAL

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended September 30:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ 9,767,107	\$ 8,681,274
Notes receivable, participants	157,937	167,236
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	\$ 946,126	\$ (1,729,260)
Dividends	11,270	8,078
Interest income on notes receivable, participants	8,022	7,700

NOTE 4 — FAIR VALUE MEASUREMENTS

GAAP establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority): Level 1, defined as observable inputs such as quoted prices in active markets for identical assets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring the Plan to develop its own assumptions. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2023 and 2022.

Mutual funds: Valued based on quoted prices of identical assets in active markets.

Pooled separate accounts and stable value fund: The fair value of units held in pooled separate accounts and stable value fund are valued based on quoted redemption values, also known as net asset value (NAV), determined by using available market information and appropriate valuation methods, as provided by Principal and represent the value at which the Plan (or the participant) could initiate a transaction with Principal. There are no imposed redemption restrictions on participants, except for certain short-term trading restrictions, which prohibit participants from reinvesting into the same account within 30 days. Other than the U.S. Property Separate Account, there are no limitations on redemptions.

**METALCRAFT, INC. EMPLOYEES' PROFIT
SHARING AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
September 30, 2023 and 2022**

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

The NAV of the Principal U.S. Property Separate Account is based on the underlying real estate assets, which are valued using discounted cash flow valuation models that utilize public real estate market data such as: transaction prices, market rents, vacancy levels, leasing absorption, market cap rates and discount rates. In addition, each property is appraised annually by an independent appraiser. Principal has the ability to apply a contractual limitation, which delays the payment of withdrawal requests (Withdrawal Limitation). At September 30, 2023 the Withdrawal Limitation was in effect, and the Plan had \$105,688 in outstanding distribution requests. At September 30, 2022 the Plan did not have any outstanding distribution requests.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables show assets measured at fair value as of September 30, 2023 and 2022 on the Plan's statements of net assets available for benefits and the input categories associated with those assets:

Description	Assets at fair value as of September 30, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 779,781	\$ -	\$ -	\$ 779,781
Pooled separate accounts	-	7,432,637	-	7,432,637
Stable value fund	-	<u>1,091,192</u>	-	<u>1,091,192</u>
	<u>\$ 779,781</u>	<u>\$ 8,523,829</u>	<u>\$ -</u>	9,303,610
Investments measured at NAV (a)				<u>463,497</u>
Investments, at fair value				<u>\$ 9,767,107</u>

Description	Assets at fair value as of September 30, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 827,422	\$ -	\$ -	\$ 827,422
Pooled separate accounts	-	6,449,076	-	6,449,076
Stable value fund	-	<u>888,606</u>	-	<u>888,606</u>
	<u>\$ 827,422</u>	<u>\$ 7,337,682</u>	<u>\$ -</u>	8,165,104
Investments measured at NAV (a)				<u>516,170</u>
Investments, at fair value				<u>\$ 8,681,274</u>

(a) Due to the Withdrawal Limitation applied on July 1, 2022, the Principal U.S. Property Separate Account utilized the NAV as a practical expedient to estimate fair value at September 30, 2023 and 2022. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. The Principal U.S. Property Separate Account has no unfunded commitments, allows daily redemptions when Withdrawal Limitation is not in effect, and has no required redemption notice period.

September 30, 2023 and 2022**

NOTE 5 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 — PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Principal. Principal is the recordkeeper and custodian for the Plan and provides investment advice to the Company as to the selection of investment options. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund. Therefore, these transactions with Principal qualify as party-in-interest transactions. A participant who acquires a participant loan is also a party-in-interest. However, all such transactions are exempt and are not prohibited by ERISA.

NOTE 7 — INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by Principal. Principal received a letter from the IRS, dated June 30, 2020, which states that the prototype plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan and has concluded that as of September 30, 2023 and 2022, there have been no uncertain positions taken.

NOTE 8 — PROHIBITED TRANSACTIONS

During the year ended September 30, 2023, the Company inadvertently failed to deposit participant deferrals and loan payments of approximately \$115,905 within the required timeframe as stated by the DOL. The DOL considers late deposits to be prohibited transactions. The Company made deposits into the Plan for lost earnings attributable to the delinquent contributions and loan payments to fully correct the prohibited transactions.

NOTE 9 — SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through July 10, 2024, the date the financial statements were available to be issued.
