INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR AND PARTICIPANTS OF WOODMONT REAL ESTATE SERVICES, L.P. 401(k) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of WOODMONT REAL ESTATE SERVICES, L.P. 401(k) PROFIT SHARING PLAN ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022 and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of September 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Woodmont Real Estate Services, L.P. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established on October 1, 1990, to provide retirement benefits for employees of Woodmont Real Estate Services, L.P. (the “Company”). The Plan is a defined contribution plan covering all eligible employees who have attained 18 years of age and are not covered by a collective bargaining agreement. To receive profit sharing contributions, participants must be employed by the Company at the end of the Plan year and have performed at least 1,000 hours of service for the Company during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Company’s majority owner.

The Plan provides for a Plan administrator who is responsible for keeping accurate and complete records with regards to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

Employer Contributions – The Company makes discretionary matching contributions based on a percentage of employee deferrals, which is determined annually by the Company’s majority owner. For the year ended September 30, 2023, the contribution rate was equal to 10% of each employee’s elective deferral up to a maximum of \$2,250. The Company may also make annual discretionary profit sharing contributions at the option of the Company’s majority owner, subject to limitations imposed by applicable provisions of the Internal Revenue Code (the “IRC”). There were no profit sharing contributions for the year ended September 30, 2023.

Participant Contributions – The Plan provides for an automatic enrollment feature, which was amended effective September 13, 2021. Unless an eligible new hire employee elects otherwise, a contribution equal to 7% of the employee’s compensation is deducted from the employee’s paycheck and contributed to the Plan on the participant’s behalf. Unless elected otherwise, the automatic deduction will begin 35 days following the participant’s date of hire and increase annually by 1% of compensation, until the deferral percentage is equal to 11% of compensation.

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Contributions (Continued) – Participants may voluntarily contribute up to 60% of their annual pretax compensation, as defined in the Plan, with maximum contributions in a calendar year of \$22,500 for 2023. Additionally, participants who have attained or are expected to attain age 50 before the close of the calendar year will be permitted to make catch up contributions limited to \$7,500 for 2023. Participants may make rollover contributions representing distributions from other qualified plans.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant's contributions and Company's matching contributions and allocations of the Company's profit sharing contributions and Plan investment earnings or losses, and charged with an allocation of administration expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that may be provided from the participant's vested account.

Vesting – Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions is based on years of continuous service. Effective January 1, 2020, the Company's vesting schedule is based on a three-year graded scale as follows:

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
1	30%
2	60%
3	100%

Investment Options – Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into the various investments offered under the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balances provided they meet the Plan's eligibility requirements. The minimum loan amount is \$1,000 and the maximum amount is the lesser of one-half of the participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account. The duration of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. Interest rates are based on the prevailing rates charged by persons in the business of lending money with similar terms. Principal and interest are repaid through payroll deductions, and loans are due immediately upon termination of employment.

NOTES TO FINANCIAL STATEMENTS

September 30, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits – Upon termination of employment or termination of service due to death, disability or retirement, a participant may receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Terminated participants with account balances over \$5,000 may delay receipt of distributions. If a terminated participant's balance is between \$1,000 and \$5,000 and no instructions have been received from such participant, the amount will be rolled over to an individual retirement account plan as designated by the Plan administrator. Terminated participant account balances of less than \$1,000 are automatically distributed unless otherwise instructed by the participant within the required time-frame specified by the Plan document.

Forfeited Accounts – The non-vested portion of a terminated participant's account balance is forfeited. Forfeited accounts are applied to reduce required employer contributions and fund administrative expenses. As of September 30, 2023 and 2022, forfeited non-vested accounts amounted to \$19,962 and \$17,095, respectively. During the year ended September 30, 2023, \$21,253 of forfeitures was used to fund administrative expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared under the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3). The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee and investment advisors. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2023 or 2022.

Administrative Expenses – The Company has elected to fund certain administrative costs of the Plan other than those associated with certain participant transactions, such as participant loan and withdrawal fees. Accounts of a terminated participant will be charged a participation fee on a per capita basis. The Company will fund expenses either directly or will use forfeitures. Expenses that are paid directly by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) in fair value of the investments.

Payments of Benefits – Benefits are recorded when paid.

Subsequent Events – The Plan has evaluated subsequent events through July 12, 2024, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at September 30, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	\$ 21,090,291	\$ -	\$ -	\$ 21,090,291

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

	2022			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	\$ 18,499,885	\$ -	\$ -	\$ 18,499,885

As of September 30, 2023 and 2022, two investments accounted for approximately 35% and 33%, respectively of the Plans total investments. In addition, as of September 30, 2023 and 2022, the target date funds taken as a whole accounted for 49% and 50%, respectively, of total investments.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The Plan administrator has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to the investments:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Interests and dividends
- Interest income on notes receivable from participants
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination from among the funds sponsored by Fidelity. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 6 – TAX STATUS

The Plan is designed to qualify as a tax-exempt plan under the IRC. A favorable opinion letter from the Internal Revenue Service was received on June 30, 2020 regarding the qualified status of the prototype plan on which the terms of the Plan were based. The Plan has not filed for a determination letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by an affiliate of Fidelity. Fidelity and its affiliated companies are the trustee, custodian, and record keeper, as defined by the Plan and, therefore, these transactions with its affiliate qualify as party-in-interest transactions.

Fidelity provides certain administrative services to the Plan pursuant to a service agreement between the Company and Fidelity. Fidelity receives revenue from certain investment service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. Because these expenses are paid through this revenue sharing arrangement, they are included in appreciation (depreciation) in fair value of investments.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
