INDEPENDENT AUDITORS' REPORT

The Trustees
Greater Opportunities 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Greater Opportunities 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREATER OPPORTUNITIES 403(b) PLAN

Notes to Financial Statements

December 31, 2023 and 2022

(1) Description of Plan

The following description of Greater Opportunities 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was formerly known as Opportunities for Chenango 403(b) Plan. Upon the merger of the sponsoring organizations, the Opportunities for Chenango 403(b) Plan and the Opportunities for Broome, Inc. 401(k) Plan were merged on July 1, 2020 to become the Greater Opportunities 403(b) Plan. Upon the merger, the Opportunities for Chenango 403(b) Plan was the surviving entity and the name was changed to Greater Opportunities 403(b) Plan. The Plan is a 403(b) plan sponsored by Greater Opportunities for Broome and Chenango, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was formed on January 1, 2009 and was restated on October 18, 2018 to amend matching contributions, forfeiture allocations, acceleration of death and disability benefit post-severance distributions and in-service distribution and plan loans. Employees can make elective deferrals beginning on the first day of employment with the Company. The Plan was restated on January 1, 2021 to allow for prior service credits to employees of Opportunities for Chenango, Inc. and the Opportunities for Broome, Inc. and to change the limit on matching contributions.

(b) Contributions

Participants can elect to either (a) contribute to the Plan on a tax-deferred basis under an agreement for salary reduction executed in accordance with Internal Revenue Code (the Code) Section 403(b), or (b) make after tax contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also roll-over amounts representing distributions from other qualified plans.

Plan participants may make an elective deferral not to exceed a dollar limit set by law. Matching contributions of 100% of the elective deferral are made up to 3%. Matching contributions of 50% of the elective deferral are made from 3% to 5%.

The Company may allocate a non-elective contribution for participants who have attained the age of 21 and two years of service.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, as well as allocations of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of investment and administrative expenses that are paid by the Plan. Allocations are based on the participant's account balance, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

GREATER OPPORTUNITIES 403(b) PLAN

Notes to Financial Statements, Continued

(1) Description of Plan, Continued

(d) Vesting

Participants are immediately vested in their elective deferrals, including catch-up contributions, Company's nonelective contributions and rollover contributions and earnings thereon. Matching contributions are vested after one year of service.

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested balance, or \$50,000. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate of prime plus 1%. Loans generally have a maximum term of 5 years, unless used to acquire a primary residence, in which the term may be extended up to 10 years. Principal and interest is paid ratably through payroll deductions.

(f) Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant will be paid in a lump sum or in installments for required minimum distributions. Hardship withdrawals are permitted under certain conditions.

(g) Forfeited Accounts

Forfeitures of non-vested accounts will be used to reduce future employer contributions or pay administrative fees. Forfeitures totaled \$2,428 of the year ended December 31, 2023. Administrative fees of \$552 were paid from forfeited accounts during the year ended December 31, 2023. At December 31, 2023 and 2022, forfeited balances available for future use amounted to \$2,345 and \$542, respectively.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

GREATER OPPORTUNITIES 403(b) PLAN

Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(d) Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes both the Plan's gains and losses on investments bought and sold, as well as held during the year.

(e) Payment of Benefits

Benefits paid to participants are recorded when paid.

(f) Operating Expenses

Except for certain administrative fees, all expenses of maintaining the Plan are paid by the Company.

(g) Subsequent Events

The management of the Plan has evaluated subsequent events through the date of the report which is the date the financial statements were available to be issued.

(h) Reclassifications

Reclassifications have been made to certain 2022 balances in order to conform them to the 2023 presentation.

(3) Fair Value Measurements

The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

(3) Fair Value Measurements, Continued

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Fixed return product - Valued at fair market value which is equal to contract value less a contingent deferred sales charge, if applicable. Amounts are held in a general account and are credited on a net daily basis at annual effective rates. The crediting rate was 2.42% for 2023 and 1.94% for 2022. This investment is not considered fully benefit responsive insofar as the contract does not restrict participant-directed exchanges.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

<u>Assets at Fair Value as of December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,679,116	-	-	3,679,116
Fixed return product	<u>-</u>	<u>-</u>	<u>4,252</u>	<u>4,252</u>
	<u>\$ 3,679,116</u>	<u>-</u>	<u>4,252</u>	<u>3,683,368</u>
<u>Assets at Fair Value as of December 31, 2022</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 3,071,152	-	-	3,071,152
Fixed return product	<u>-</u>	<u>-</u>	<u>1,825</u>	<u>1,825</u>
	<u>\$ 3,071,152</u>	<u>-</u>	<u>1,825</u>	<u>3,072,977</u>

Management evaluates the significance of transfers between fair value levels based upon the nature of the financial instrument and size of the transfer relative to total assets available for benefits. For the years ended December 31, 2023 and 2022, there were no transfers. The Plan's policy is to recognize transfers as of the actual date of the event or change in circumstances that caused the transfer.

(3) Fair Value Measurements, Continued

The following table summarizes the changes in financial assets classified in level 3 for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Balance at beginning of year	\$ 1,825	999
Purchases	2,391	1,208
Investment income	57	34

Balance at end of year	\$ <u>4,252</u>	<u>1,825</u>

(4) Financial Certification

The financial information relating to the Plan's assets at December 31, 2023 and 2022, as well as investment income (loss) and investment transactions for the years then ended, have been derived from information provided by Nationwide Trust Company (Nationwide) and has been certified by them as complete and accurate. The incorporation of this financial information in the accompanying financial statements is based solely on their certification and has not been audited by independent auditors.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ <u>3,683,368</u>	<u>3,072,977</u>
Notes receivable from participants	\$ <u>48,960</u>	<u>75,561</u>

The custodian also certified to the completeness and accuracy of \$522,619 and (\$617,490) of investment income (loss) and \$3,389 and \$3,282 of interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, respectively.

(5) Party-In-Interest Transactions

Nationwide is the custodian of the Plan's assets; therefore, transactions with Nationwide qualify as party-in-interest. Fees paid to Nationwide during the years ended December 31, 2023 and 2022 totaled \$13,525 and \$13,133, respectively. Additionally, notes receivable from participants qualify as party-in-interest transactions.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall have a vested interest in their account of 100%.

(7) Tax Status

The Plan adopted a 403(b) volume submitter plan through a third party administrator. This prototype plan received a favorable determination letter on March 31, 2017 from the Internal Revenue Service (IRS) indicating that the features, as then designed, conform with the applicable requirements of Section 403(b) of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions and the DOL; however, there are currently no audits for any tax periods in progress.

(8) Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
