INDEPENDENT AUDITOR'S REPORT

Board of Directors and Plan Administrator
403(b) Thrift Plan for R'Club Child Care, Inc.
St. Petersburg, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan for R'Club Child Care, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of September 30, 2023 and 2022 and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Board of Directors and Plan Administrator
403(b) Thrift Plan for R'Club Child Care, Inc

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2023

NOTE 1 - PLAN DESCRIPTION

The following description of the 403(b) Thrift Plan for R'Club Child Care, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established in 2005 and subsequently amended and restated, is classified as a defined-contribution plan, covering the eligible employees of R'Club Child Care, Inc. and Louise Graham Regeneration Center (an affiliated employer under controlled group rules) (collectively, the "Organization"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Immediately upon hire, substantially all employees of the Organization may contribute a percentage of their compensation, as defined in the Plan, subject to the Internal Revenue Code ("IRC") rules and limitations. Contribution deferral percentages can be changed throughout the year. The Plan also includes an automatic contribution arrangement where 3% of eligible participant wages will automatically be deferred unless an affirmative election is made. At the discretion of the Board of Directors, the Organization may also make contributions to the Plan each year. Employees must be at least 21 years of age and complete one year of service, have 1,000 hours of service, and be employed on the last day of the Plan's year to be eligible to receive employer contributions. The employer matching contribution for the years ended September 30, 2023 and 2022 were \$104,916 and \$87,291, respectively, and were receivables at year end.

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution, the Organization's contribution, if any, an allocation of Plan earnings, and may be charged for Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - PLAN DESCRIPTION (Continued)**Vesting**

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts are used for the payment of Plan expenses. The unallocated forfeitures account, which consists of the unused balance of terminated participants' non-vested employer contributions, approximated \$10,000 and \$8,000 for the years ended September 30, 2023 and 2022, respectively. No forfeitures were used during the 2023 Plan year to pay Plan expenses.

Investment Options

Participants may direct their account balance among any of the investment options offered by the Plan, which include pooled separate accounts and an insurance company general accounts. Participants may change their investment options at any time, with certain exceptions.

Participant Loans with Mutual

The Plan provides for participants to obtain loans directly from Mutual of America Life Insurance Company ("Mutual") as opposed to borrowing from their individual accounts; accordingly, such loans are not deemed to be Plan assets. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. The loans are collateralized by the balance in the participant's account (required collateral of 120% of the outstanding loan balance) and bear interest at a rate that is 3% higher than the interest rate credited to the insurance company general account. Loans must be repaid to Mutual by the participant in accordance with the repayment terms of the agreement. In the event of default, foreclosure on the participant's account balance will not occur until a distributable event occurs in the Plan. The amount collateralized for participant loans held by Mutual was approximately \$54,000 and \$65,000 at September 30, 2023 and 2022, respectively.

NOTE 1 - PLAN DESCRIPTION *(Continued)*

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant becomes fully and automatically vested and may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in their account, installments, or annuity payments over a fixed period of time, not to exceed the life expectancy of the participant/designated beneficiary. Participants who terminate for reasons other than death, disability, or retirement are entitled only to their vested balances payable in a lump-sum distribution. The Plan allows for in-service distributions if a participant reaches age 59^{1/2} and hardship distributions subject to Plan provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments held in pooled separate accounts are reported at fair value and are valued using a market valuation basis at the reported closing net asset value ("NAV") of the funds daily. NAV is based on the fair market value of the funds' underlying investments, less any fund liabilities.

Purchases and sales of securities are recorded on a trade-date basis, and interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/depreciation in the fair value of the Plan's investments include the Plan's gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition *(Continued)*

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest. The Plan's investments in the Mutual of America Interest Accumulation Account and Empower's Guaranteed Certificate and Guaranteed Fixed Funds, which are insurance company general accounts, are stated at contract value (see Note 5).

Payment of Benefits

Benefits to participants are recorded when paid. As of September 30, 2023 and 2022, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

Administrative Costs and Investment Fees

Administrative costs are paid by the Plan and are allocated to the individual participant accounts in accordance with the Plan document. Investment-related fees and commissions are netted against net appreciation/depreciation in fair value of investments. Certain Plan expenses are paid directly by the Organization.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through July 12, 2024, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN CUSTODIANS

Mutual, the Empower Trust Company, and the Empower Annuity Insurance Company of America (the "Plan Custodians") hold the Plan's investments and execute all investment transactions. All investment information disclosed in the financial statements and supplemental schedule, including investments held at September 30, 2023 and 2022, net change in fair value of investments and interest for the year ended September 30, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodians.

NOTE 4 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of September 30, 2023 and 2022:

	2023			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	<u>\$4,751,946</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$4,751,946</u>

	2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	<u>\$4,036,253</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$4,036,253</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Investments held in unallocated insurance company contracts are invested in the Mutual of America General Account, Empower Guaranteed Certificate Fund, and the Empower Guaranteed Fixed Fund. These funds are deemed to be fully benefit-responsive investment contracts and are reported at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts, because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS *(Continued)*

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, withdrawals influenced by Organization-triggered events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the contract issuer's ability to meet its financial obligations. There are no reserves against contract values for credit risk of the contract issuer or otherwise.

The insurance company contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The average yield for these contracts ranged from 1.3% to 3.4% for the year ended September 30, 2023.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan has investments that are exposed to risk, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near term and that such change could materially affect the amounts reported in these financial statements.

The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan's investments are not insured or protected by the Plan Custodians, the Plan sponsor, the Pension Benefit Guarantee Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with similar investments.

NOTE 7 - INCOME TAX STATUS

The Plan administrator believes that the Plan, as amended, is qualified under Section 403(b) of the IRC and is, therefore, exempt from federal income taxes, provided that all terms of the Plan continue to be followed and the eligibility requirements or benefit provisions are not more favorable for highly compensated employees. The Plan administrator also believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

During 2023 and 2022, certain Plan investments were managed by the Plan Custodians and, therefore, these transactions qualify as party-in-interest transactions.
