To the Retirement and Benefits Committee of
Capitol Federal® Financial, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of Capitol Federal® Financial, Inc. Partners in Thrift 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of September 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Capitol Federal® Financial, Inc. Partners in Thrift 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Capitol Federal® Financial, Inc. Partners in Thrift 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Capitol Federal® Financial, Inc. Partners in Thrift 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capitol Federal® Financial, Inc. Partners in Thrift 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION AND BASIS OF PRESENTATION

General

The following brief description of the Capitol Federal® Financial, Inc. Partners in Thrift 401(k) Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for complete information.

The Plan, established October 1, 1969, is a defined contribution plan. The plan was restated effective September 1, 2018 to incorporate employees due to the merger with Capital City Bancshares, Inc. The Plan was previously amended and restated as of January 15, 2016. The Plan provides for the payment of benefits to participating employees of Capitol Federal® Financial, Inc. (the "Company", "Plan Administrator" or "Plan Sponsor"), and its wholly owned subsidiary Capitol Federal Savings Bank. Effective October 1, 2007, the employee stock ownership portion of the Plan was separated and it is operating as an independent Plan known as the Capitol Federal® Financial, Inc. Employee Stock Ownership Plan. The remaining Plan was known as the Capitol Federal® Financial, Inc. Partners in Thrift Plan. Effective October 1, 2014, the Plan was amended to include 401(k) retirement provisions and the Plan's name was changed to Capitol Federal® Financial, Inc. Partners in Thrift 401(k) Plan. The Retirement & Benefits Committee, which is made up of members appointed by the Board of Directors, controls and manages the operation and administration of the Plan. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Principal Trust Company (PTC) serves as the trustee of the Plan.

Eligibility

Each Employee who was an active participant in the Plan on September 30, 2007, shall continue to be an active participant if the participant is still an eligible employee on October 1, 2007, and his or her entry date shall not change. Effective October 1, 2020, employees, who have completed six months of service are eligible to defer earnings into the Plan. Employees are not eligible for the Company match until they have completed one year of service with at least 1,000 hours.

Contributions

The Company may make discretionary matching contributions and profit-sharing contributions. The percentage of elective deferral contributions matched and the amount of profit sharing shall be determined by the Board of Directors. Matching contributions are calculated based on elective deferral contributions and participants' eligible compensation for the Plan Year. The Company elected to make a 25% matching contribution for any amount up to the first 3% of eligible compensation contributed by the participant for 2023 and 2022. The Company did not make any profit-sharing contribution to the Plan for 2023 and 2022.

Effective October 1, 2014, participants may elect both pre-tax 401(k) and /or post-tax Roth elective deferral contributions to the Plan. All newly eligible participants in the plan are automatically enrolled with a deferral rate of 3% of compensation. The deferral rate is pre-set to increase by 1% each year up to a maximum of 10%. Participants can elect to change their deferral rate at any time. Participants' contributions are remitted to the Plan through payroll. The employer contribution is calculated and made at the end of the Plan year and is subject to Board approval. Contributions to the Plan shall be limited in accordance with Code Section 415 and the regulations thereunder.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. The benefit to

CAPITOL FEDERAL® FINANCIAL, INC.
PARTNERS IN THRIFT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocations

A participant meets the allocation requirements if the participant is an active participant, as defined by the Plan, on the last day of the Plan Year and has at least 1,000 hours of service during the Plan Year. If a participant is on an approved leave of absence on the last day of the Plan Year, thrift and voluntary contributions made by participants shall be credited to participants' accounts, no later than required by ERISA or the Department of Labor regulations thereunder.

Matching contributions, if any, shall be allocated to participants who meet the allocation requirements as stated above. Such contributions shall be based on the participant's contribution and his/her eligible compensation for the Plan Year. Matching contributions shall be allocated as of the last day of the Plan Year and credited to the participant's account attributable to matching contributions.

Profit-sharing contributions for the Plan Year (if any) shall be allocated as of the last day of the Plan Year to each person who meets the allocation requirements as stated above, using annual compensation, as defined by the Plan, for the Plan Year. The amount allocated to such participant shall be equal to the profit-sharing contributions multiplied by the ratio of such person's annual compensation to the total annual compensation of all such participants. The amount shall be credited to the participant's account attributable to profit-sharing contributions. There were no profit-sharing contributions as of September 30, 2023 and 2022.

Vesting

Participants are 100% vested at all times in their account balance.

Participant loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate of 1% plus the prime rate. Principal and interest are paid ratably through bi-weekly payroll deductions. Participant loans are reported on the financial statements as notes receivable from participants but as investments on Schedule H of Form 5500 and Schedule of Assets (Held at End of Year).

Payment of benefits

Upon termination, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Investments

Participants are able to self-direct their contributions and any matching or profit-sharing contributions received from the company. Investment options include several pooled separate accounts, mutual funds and collective investment trust. Participants can allocate their contributions to any one of the available investments or allocate across a variety of the available options.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

CAPITOL FEDERAL® FINANCIAL, INC.
PARTNERS IN THRIFT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement and Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note 8 for discussion of fair value measurements.

Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recorded on the accrual basis.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Payment of benefits

Benefit payments to participants are recorded upon distribution.

Administrative expenses

Administrative expenses of the Plan are paid by either the Plan or the Company, as provided in the Plan Document.

3. TAX STATUS

The plan obtained its latest determination letter on October 18, 2013, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. The plan adopted the "Volume Submitter Profit Sharing Plan with CODA", a prototype plan, from Principal Life Insurance Co. and restated the plan effective September 1, 2018 to incorporate provisions for employees acquired from a merger. The prototype plan was approved by the IRS on August 8, 2014 with no new certification letter required. The plan administrator and the plan's tax counsel believe that the plan was qualified and the related trust was tax-exempt as of the financial statements date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Services (IRS). The Plan administrator has analyzed the tax positions taken by the Plan, and concluded that as of September 30, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax

periods in progress.

4. RELATED PARTY TRANSACTIONS

Certain Plan investments and participant loans are managed by Principal. Principal is the trustee and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

Principal provides certain administrative services to the Plan and certain amounts owed to Principal for its administrative services to the Plan are reduced from investment earnings.

Beginning in April 2021, intellicents began providing fiduciary and plan advisory services to the employees of the Company.

Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Legal and accounting fees are paid directly by the Company.

5. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, unallocated assets, if any will be allocated to participant accounts and distributed in such a manner as the Company may determine.

6. INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at September 30, 2023 and 2022, and net appreciation (depreciation) in fair value of investments and interest for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal.

The investments held and certified by Principal were liquidated on September 29, 2023 and wired to the new provider, OneAmerica on October 2, 2023. The trades from the liquidation of assets do not settle until one business day after the trade, therefore the investments have been recorded as due from broker on the statement of net assets available for benefits as of September 30, 2023.

7. COLLECTIVE INVESTMENT TRUSTS

The following information is obtained from PTC:

- 1) The Principal Stable Value Fund is a Collective Investment Trust (CIT) maintained by Union Bond and Trust Company (UBT). UBT serves as the trustee and has retained Morley Capital Management (MCM) to serve as investment adviser (Adviser). UBT is an Oregon trust organization providing fiduciary services, primarily administration of collective trust funds and custodial services, for institutional clients. MCM is an affiliate of the UBT.

The objective of the fund is to provide preservation of capital, relatively stable returns consistent with its

NOTES TO FINANCIAL STATEMENTS

comparatively low risk profile, and liquidity for benefit responsive payments. The Fund seeks to achieve this objective by investing primarily in a variety of high-quality stable value investment contracts, as well as cash and cash equivalents. It is intended that the fund's stable value investment contracts will maintain a minimum weighted average credit rating of A or better. The underlying fixed income securities must be rated investment grade and meet issuer diversification guidelines. The duration of investments in the fund will not exceed 4 years. The Fund is typically appropriate for investors who desire low volatility, stable principal value, and returns commensurate with a capital preservation objective for a component of their retirement savings. The fund is designed for long term retirement investing.

- 2) Principal Lifetime Hybrid Collective Investment funds are collective investment trusts (CITs) maintained by Principal Global Investors Trust Company. The trust company has retained Principal Global Investors, LLC to serve as investment adviser with respect to the CITs. The CITs invest in various types of investments, including underlying Principal Funds, and each is managed toward a particular target (retirement) date, or approximate date an investor starts withdrawing money. As each Principal Lifetime Hybrid approaches its target date, the investment mix becomes more conservative by increasing exposure to generally more conservative investment options and reducing exposure to typically more aggressive investment options. The assets allocation for each principal lifetime Hybrid CIT is regularly re-adjusted within a time frame that extends 15 years beyond the target date, at which point it reaches its most conservative allocation. Neither the principal nor the underlying assets of the Principal Life Hybrids CITs are guaranteed at any time, including the target date. The Principal Lifetime Hybrid CITs met the requirements to estimate their fair values by using the NAV per share as a practical expedient.

8. FAIR VALUE MEASUREMENT

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, it consists of three levels. The fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

- Level 1 — Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2 — Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Principal provided the following descriptions of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts: uses unit value for each class of contracts within a separate account by dividing the portion of the market value of the separate account allocated to the rate level less the management fee for that rate level by the total number of units outstanding for contracts in that rate level or plans investing in the separate account hold units of participation in the account. The plan shares in the appreciation/depreciation of the separate account through the separate account's unit value.

CAPITOL FEDERAL® FINANCIAL, INC.
PARTNERS IN THRIFT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

- A) Pooled separate accounts invested in one mutual fund as the underlying investment. The market value of the separate account is the market value of the mutual funds minus operating expenses.
- B) Pooled separate accounts invested in multiple securities as the underlying investments. The market value of the separate account is the fair value or market value of the underlying investments in its portfolio minus operating expenses.

Mutual Funds: valued at a quoted market price on an active market.

Collective Investment Trust: These Principal Lifetime Hybrid CIT funds invest in collective trust funds as well as variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The fair value of all these investments are used in determining the net assets value (NAV) of the CIT funds, which are not publicly quoted. However, these Principal Lifetime Hybrid CIT funds met the requirements to estimate their fair values by using the NAV per share as practical expedient.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, within the fair value hierarchy, the Plan's assets measure at fair value on a recurring basis as of September 30, 2022:

Description	Fair Value Measurements at Reporting Date Using:				Total
	Quoted Price in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Observable Inputs (Level 3)		
Pooled separate accounts	\$ 879,242	\$ -	\$ -		\$ 879,242
Mutual funds	2,531,228	-	-		2,531,228
Total assets in the fair value hierarchy	3,410,470	-	-		3,410,470
Investments measured at NAV	-	-	-		21,942,185
Total investments, at fair value	\$ 3,410,470	\$ -	\$ -		\$ 25,352,655

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share practical expedient as of September 30, 2022. There are no participant redemption restrictions for these investments.

September 30, 2022	Fair Value	Unfunded Commitments	Redemption frequency (if currently eligible)	Redemption Notice Period
Collective Investment Trust				
Principal Lifetime Hybrid CIT funds	\$ 21,942,185	N/A	Daily	N/A

There were no plan assets available to level for fair market value as of September 30, 2023 due to the transfer between third party administrators and the due from broker recorded on the statement of net assets available for benefits.

9. PLAN AMENDMENTS

There were no plan amendments for the year ended September 30, 2023.

CAPITOL FEDERAL® FINANCIAL, INC.

NOTES TO FINANCIAL STATEMENTS

10. RISKS AND UNCERTAINTIES

The Plan invests in investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

11. SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 8, 2024 the date which the financial statements were available to be issued.

The Plan changed third-party administrators on September 30, 2023 but due to the timing of the Plan year end falling on a weekend, the investments were liquidated on September 29, 2023 and received by OneAmerica on October 2, 2023 as described further in Note 6.

The Plan adopted a new plan document with the transition to OneAmerica, effective October 1, 2023. Amendments include the change in the Plan name from Capitol Federal Financial, Inc. Partner in Thrift 401(k) Plan to Capitol Federal 401(k) Plan. In addition, changes have been made to the vesting schedule, valuation of the plan assets from annual to daily, and the match now occurs with each period, etc.
