WIPFLI

Independent Auditor's Report

To the Plan Administrator
Northwest Michigan Community Action Agency TDA
Traverse City, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Northwest Michigan Community Action Agency TDA, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits and of accumulated plan benefits as of September 30, 2023 (in liquidation) and 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the year ended September 30, 2023 (in liquidation) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Northwest Michigan Community Action Agency TDA's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022 and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Northwest Michigan Community Action Agency TDA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northwest Michigan Community Action Agency TDA's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Emphasis of Matter - Plan Termination

As discussed in Note 1 to the financial statements, the governing body of Northwest Michigan Community Action Agency TDA Employee Benefit Plan approved a plan of liquidation on May 12, 2023, and management determined liquidation is imminent. As a result, the liquidation basis of accounting is used in presenting the 2023 and 2022 financial statements. Our opinion is not modified with respect to this matter.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northwest Michigan Community Action Agency TDA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1: Description of Plan

The following description of the Northwest Michigan Community Action Agency TDA (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. During 2023, the plan was terminated effective May 12, 2023 with all plan assets distributed by September 29, 2023.

Plan Termination

As further discussed in Notes 2 and 8, during 2023, Northwest Michigan Community Action Agency (the "Employer") committed to terminate the Plan and on April 20, 2023, a resolution was adopted to terminate the Plan effective May 12, 2023. Therefore, in accordance with Accounting Principles Generally Accepted in the United States of America (GAAP), the liquidation basis of accounting is presented for the year ended September 30, 2023 and 2022. TIAA annuity contracts to the controlling participants and transferring assets held in the group TIAA-CREF contract to individual Retirement Accounts (IRAs) that comply with the Safe Harbor Regulation-657(c) of the Economic Growth and Tax Relief Action of 2001, unless otherwise directed by the participant. The remaining balance as of September 30, 2023 and is included in the transfer in transit liability on the statements of net assets available for benefits.

General

The Plan is a tax-sheltered annuity plan under Section 403(b) of the Internal Revenue Code. Northwest Michigan Community Action Agency (the "Employer") is the plan sponsor and is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and/or all or part of their account balances among the Plan's investment alternatives.

Contributions

Each year participants may contribute up to 100% of their eligible compensation, as defined by the Plan, not to exceed the limits of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1: Description of Plan (Continued)

Vesting

Participants are fully and immediately vested in their voluntary contributions plus earnings thereon.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive the value of the vested interest in his or her account as an annuity contract or a lump-sum distribution. The Plan also permits in-service distributions in the event of hardship or upon attaining the age of 59 1/2.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.65% to 5.87%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

As discussed in Note 1 and 8, a resolution was adopted to terminate the Plan effective May 12, 2023. In accordance with GAAP, the Plan is reported on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts (FBRICs)). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2023 and 2022. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Employer, with the exception of the plan servicing fee, which is included in administrative expenses on these financial statements. Expenses that are paid by the Employer are excluded from these financial statements. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in total investment income (loss).

Subsequent Events

The Plan has evaluated subsequent events through July 3, 2024, which is the date the financial statements were available to be issued.

Note 3: Nonparticipant-Directed Investments

As of September 30, 2023 and 2022, nonparticipant-directed investments consisted of \$0 and \$12,208 held in the TIAA Traditional Benefit Responsive account. Changes in the account balance during the year ended September 30, 2023, are as follows:

Balance at September 30, 2022	\$	12,208
Earnings		346
Withdrawals		(12,554)
<hr/>		
Balance at September 30, 2023	\$	-

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of September 30, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual funds held in pooled separate accounts: Fair value of mutual funds held in pooled separate accounts is based on quoted net asset values of underlying investments held by the pooled separate accounts, adjusted by an asset charge. The underlying mutual funds held in the pooled separate accounts are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of September 30, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of September 30, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Mutual funds held in pooled separate accounts	-	-	-	-
Total investment assets at fair value	\$ -	\$ -	\$ -	\$ -

	Assets at Fair Value as of September 30, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,524,445	\$ -	\$ -	\$ 3,524,445
Mutual funds held in pooled separate accounts	-	246,071	-	246,071
Total investment assets at fair value	\$ 3,524,445	\$ 246,071	\$ -	\$ 3,770,516

Note 5: Fully Benefit-Responsive Investment Contract (FBRIC)

The Plan invests in a FBRIC with Teachers Insurance Annuity Association - College Retirement Equities Fund ("TIAA-CREF") in the form of a guaranteed investment contract (GIC) that invests in traditional investment contracts. TIAA-CREF maintains contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. TIAA-CREF is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The GIC is carried at contract value. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with TIAA-CREF including plan termination and other events as specified in the GIC. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the other issuer are probable of occurring. The GIC does not permit TIAA-CREF to terminate the agreement prior to the scheduled maturity date.

Note 6: Information Prepared and Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and guaranteed investment contracts held at September 30, 2023 and 2022, and net appreciation in fair value of investments and interest and dividends for the year ended September 30, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by TIAA-CREF, the Custodian of the Plan.

Note 7: Related Party Transactions and Party-In-Interest Transactions

Certain plan investments are managed by the TIAA-CREF. TIAA-CREF is the Custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 8: Plan Termination

The Employer has the right under the Plan, in certain circumstances, to terminate the Plan subject to the provisions set forth in ERISA. As discussed in Note 1, Effective May 12, 2023, the Plan was terminated and began liquidation of participant account balances. Subsequent to that date, contributions to the plan ceased and participants have become 100% vested in their Plan contributions. TIAA annuity contracts to the controlling participants and transferring assets held in the group TIAA contract to individual Retirement Accounts (IRAs) that comply with the Safe Harbor Regulation-657(c) of the Economic Growth and Tax Relief Action of 2001, unless otherwise directed by the participant. The balance at has been deemed distributed by TIAA-CREF as of September 29, 2023 and was transferred out in October 2023.

Notes to Financial Statements

Note 9: Tax Status

The Plan adopted a nonstandard prototype document with an IRS notification letter which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 11: Commitments

The Plan's Custodian offers collateral loans to qualifying participants. Under this form of loan, participants may borrow directly from the Plan's Custodian, TIAA-CREF, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance subject to plan provisions. These collateral loans are not from Plan asset dollars, but rather loaned directly from TIAA-CREF and therefore, are not recorded as an asset on the Statements of Net Assets Available for Benefits. The loans are secured by the participants' vested account balances in the amount equal to the outstanding loan balances plus accrued interest. Loans bear interest at rates that may be fixed or variable depending upon the plan. Principal and interest is paid ratably by participants to TIAA-CREF and each payment will reduce amounts secured by the participant's account. The amount of such outstanding loans was \$0 and \$12,284 as of September 30, 2023 and 2022, respectively, collateralized by guaranteed interest contracts in an equal amount.
