INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of September 30, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended September 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Supplemental Schedules Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

S. H. TEVIS & SON, INC. EMPLOYEES' 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan, established on June 29, 1966, is a defined contribution plan covering substantially all employees of S.H. Tevis & Son Inc. and subsidiaries, and the Plan's participating employers: Tevis Energy, Inc., Tevis Propane, LLC, Tevis Oil, Inc. and Modern Comfort Systems, Inc. (collectively, the Companies). The Plan is subject to the provisions of ERISA.

Effective November 30, 2020, the prototype plan with Pollard & Associates Inc was amended and restated in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). Accordingly, the plan administrator executed a new Adoption Agreement, effective October 1, 2022. Significant changes to plan provisions are discussed throughout these financial statements.

Eligibility - The Plan covers substantially all employees of the Companies, except nonresident aliens, union employees (as defined by the Plan) and leased employees. Prior to October 1, 2022, seasonal employees were also excluded from participation; however, if a seasonal employee had completed one year of service, as defined, they would have become eligible to participate at the next plan entry date.

There is no minimum service required and eligible employees may enter the Plan on the first day of the month coincident with or next following date of hire for employee deferrals, and effective October 1, 2022, the Companies' matching contribution. Employees are eligible for the Companies' discretionary nonelective profit sharing contribution on the first day of the plan year or first day of the seventh month of the plan year coinciding with or next following the date one year of service, as defined, is attained. The Plan will recognize up to five years of service (for eligibility purposes) for acquired employees of certain other employers, as stated in the plan document.

Contributions - Each year, participants may elect to contribute up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pretax or after-tax Roth deferral contributions. Effective October 1, 2022, the Plan added an auto enrollment feature. This automatic deferral feature applies to all new employees and any eligible employees without an existing affirmative election in effect as of October 1, 2022. Eligible employees will be automatically enrolled with a pre-tax deferral contribution of 6% of eligible compensation (as defined) and will remain in effect unless otherwise directed by the employee. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Companies provide for the following contributions on behalf of participants:

A matching contribution equal to 50% of a participant's salary deferral up to 6% of eligible compensation, made on a pay period basis. For 2023, the Companies' matching contribution totaled \$402,698.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Contributions - continued - A discretionary nonelective profit sharing contribution as determined by the Companies and allocated using the grouping method. The contribution is allocated pro rata based on eligible compensation and years of service to each group. In order to share in the allocation of the discretionary nonelective profit sharing contribution, a participant must have 1,000 hours of service during the plan year. Additionally, participants not actively employed at the end of the plan year will not share in the discretionary nonelective profit sharing contribution, regardless of service, except in the event of death, incurring total and permanent disability or termination on or after normal retirement age, as defined. No discretionary nonelective profit sharing contribution was made for 2023.

Qualified Nonelective Contributions (QNECs), as defined in the Plan. For 2023, the Companies' QNECs totaled \$4,119.

Participant Accounts - Each participant's account is credited with the participant's contributions and the Companies' contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and the Companies' contributions into a Group Annuity Contract (the Contract) with John Hancock Life Insurance Company (U.S.A) (John Hancock), which contains various pooled separate accounts. For those participants who do not make an investment selection, their contributions and the related Companies' contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in their contributions and QNECs plus earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service, as defined. The Companies' matching contributions are subject to a three-year cliff vesting schedule for participants terminating after September 30, 2022 and prior to October 1, 2022, a participant was 100 percent vested in the employer matching contributions after six years of credited service. A participant is 100 percent vested after five years of credited service for discretionary nonelective profit sharing contributions. Additional vesting schedules apply to the discretionary nonelective profit sharing contributions made for employees hired before October 1, 2002, as defined in the plan document. Regardless of the vesting schedules, participants will become fully vested upon reaching the normal retirement age, death or total and permanent disability while an employee. The Plan will recognize up to five years of service for acquired employees of certain other employers for vesting purposes.

Notes Receivable from Participants - Participants may borrow from their non-Roth accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Prior to October 1, 2022, participants could only borrow from their pre-tax deferral and rollover fund accounts. The notes are secured by the balance in the participant's account, bear interest at a rate equal to 1% above the prime rate and can only exceed a repayment period of five years for the purchase of a principal residence. Only one note may be outstanding at a time. Principal and interest is paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Payment of Benefits - Benefit payments may be in the form of lump sums, partial withdrawals (minimum of \$1,000) and substantially equal installments (prior to October 1, 2022) and are payable upon termination of employment, death or retirement at age 65. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals and in-service withdrawals for participants who have attained age 50 and have participated in the Plan for at least five years are also permitted, subject to provisions defined in the plan document.

Forfeitures - Forfeitures of the Companies' contribution portion of participants' accounts (due to participants' termination prior to full vesting) are used to pay administrative expenses or to reduce the Companies' contributions. At September 30, 2023 and 2022, forfeited non-vested accounts totaled \$3,259 and \$20,378, respectively. During 2023, forfeitures of \$14,083 were used to pay plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and John Hancock. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the accounts, but do have an interest therein represented by units valued daily. The accounts earn dividends and realized gain distributions, which are automatically reinvested in additional units. Unit values are calculated daily before taking into consideration unitholders' contributions and withdrawals made on that day. These transactions are then valued using those unit values and recorded for that day.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of September 30, 2023 and 2022. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Contributions - Contributions from plan participants and the matching contributions from the Companies' are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment. A John Hancock asset charge, investment management fees, third party administration fees and fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurement*, provides a practical expedient permitting a reporting entity to measure the fair value of certain investments using the net asset value (NAV) per share (or its equivalent) of the underlying investment (NAVPE, the net asset value per share practical expedient). The Plan invests in pooled separate accounts whose fair value at September 30, 2023 and 2022 was \$12,839,272 and \$10,410,418, respectively.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2023 and 2022.

Pooled Separate Accounts: Unit value, as determined by John Hancock, based on the observable NAV of the underlying investments and adjusted for reinvested investment income from the underlying investments and John Hancock levied charges. The unit value is not a publicly quoted price in an active market.

The underlying investments of the pooled separate accounts consist of mutual funds, common collective trusts or exchange traded funds, of which each pooled separate account follows a separate investment strategy. The Plan's pooled separate accounts are concentrated in target date funds and their primary investment strategy is to seek high total return until the account's target retirement date. The accounts primarily invest in assets in underlying funds using an asset allocation strategy designed for investors expected to retire around the account's target retirement date.

The pooled separate accounts do not have unfunded commitments or significant restrictions on redemptions, as they may be redeemed daily. However, in the event an underlying investment or John Hancock determines that a fund transfer may result in disruptive short term trading, trading restrictions may be imposed and may include restricting, the number of transfers made during a defined period, the dollar amount of transfers, the method used to submit transfers and transfers into and out of certain investments.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at September 30, 2023 and 2022, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended September 30, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock, a qualified institution.

NOTE 5 - TAX STATUS

The IRS has determined and informed Pollard & Associates Inc, by a letter dated November 30, 2020, that the prototype plan adopted by the Plan effective October 1, 2022, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The IRS had determined and informed Pollard & Associates Inc, by a letter dated March 31, 2014, that the volume submitter plan adopted by the Plan through September 30, 2022 was designed in accordance with applicable sections of the IRC. Although the Plan had been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments consist of pooled separate accounts managed by John Hancock and therefore, these transactions qualify as party in interest transactions.

John Hancock provides certain administrative services to the Plan pursuant to the Contract between the Trustees and John Hancock. As stated in the Contract, John Hancock agrees to perform certain administrative and recordkeeping services and as such receives an asset charge based on the value of investments calculated monthly and fees related to the administration of notes receivable from participants and participant distributions. In addition, John Hancock receives, as additional compensation, revenue sharing fees paid by the underlying source of the Plan's pooled separate accounts, for recordkeeping and other services provided to the Plan and short-term interest (float). The Plan or Companies may make payments to John Hancock for administrative expenses not covered by revenue sharing fees. Fees paid by the Plan to John Hancock and included in administrative expenses amounted to \$27,196 for 2023.

NOTE 7 - DELINQUENT CONTRIBUTIONS

DOL regulations require employee contributions be remitted as soon as they can be segregated from the plan sponsor's assets, but in no instance later than the fifteenth business day of the month following the month of the contribution. The Companies' procedures allowed for the employee contributions to be remitted as soon as reasonably segregated. However, there was one contribution payment during the year ended September 30, 2022 that exceeded this practice. The Companies' determined that \$212 of employee contributions were not remitted timely and lost earnings on the late contributions were calculated and remitted to the Plan during the year ended September 30, 2023.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the Companies' contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of September 30, 2023 and 2022, 69% and 63%, respectively, of net assets available for benefits is invested in the John Hancock T. Rowe Price Retirement pooled separate accounts; however, by their nature, these pooled separate accounts are a diversified mix of equities and fixed income that rebalance over time.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at September 30, 2023 and 2022 to Schedule H of Form 5500:

INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of September 30, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended September 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Supplemental Schedules Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

S. H. TEVIS & SON, INC. EMPLOYEES' 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan, established on June 29, 1966, is a defined contribution plan covering substantially all employees of S.H. Tevis & Son Inc. and subsidiaries, and the Plan's participating employers: Tevis Energy, Inc., Tevis Propane, LLC, Tevis Oil, Inc. and Modern Comfort Systems, Inc. (collectively, the Companies). The Plan is subject to the provisions of ERISA.

Effective November 30, 2020, the prototype plan with Pollard & Associates Inc was amended and restated in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). Accordingly, the plan administrator executed a new Adoption Agreement, effective October 1, 2022. Significant changes to plan provisions are discussed throughout these financial statements.

Eligibility - The Plan covers substantially all employees of the Companies, except nonresident aliens, union employees (as defined by the Plan) and leased employees. Prior to October 1, 2022, seasonal employees were also excluded from participation; however, if a seasonal employee had completed one year of service, as defined, they would have become eligible to participate at the next plan entry date.

There is no minimum service required and eligible employees may enter the Plan on the first day of the month coincident with or next following date of hire for employee deferrals, and effective October 1, 2022, the Companies' matching contribution. Employees are eligible for the Companies' discretionary nonelective profit sharing contribution on the first day of the plan year or first day of the seventh month of the plan year coinciding with or next following the date one year of service, as defined, is attained. The Plan will recognize up to five years of service (for eligibility purposes) for acquired employees of certain other employers, as stated in the plan document.

Contributions - Each year, participants may elect to contribute up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pretax or after-tax Roth deferral contributions. Effective October 1, 2022, the Plan added an auto enrollment feature. This automatic deferral feature applies to all new employees and any eligible employees without an existing affirmative election in effect as of October 1, 2022. Eligible employees will be automatically enrolled with a pre-tax deferral contribution of 6% of eligible compensation (as defined) and will remain in effect unless otherwise directed by the employee. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Companies provide for the following contributions on behalf of participants:

A matching contribution equal to 50% of a participant's salary deferral up to 6% of eligible compensation, made on a pay period basis. For 2023, the Companies' matching contribution totaled \$402,698.

S. H. TEVIS & SON, INC. EMPLOYEES' 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Contributions - continued - A discretionary nonelective profit sharing contribution as determined by the Companies and allocated using the grouping method. The contribution is allocated pro rata based on eligible compensation and years of service to each group. In order to share in the allocation of the discretionary nonelective profit sharing contribution, a participant must have 1,000 hours of service during the plan year. Additionally, participants not actively employed at the end of the plan year will not share in the discretionary nonelective profit sharing contribution, regardless of service, except in the event of death, incurring total and permanent disability or termination on or after normal retirement age, as defined. No discretionary nonelective profit sharing contribution was made for 2023.

Qualified Nonelective Contributions (QNECs), as defined in the Plan. For 2023, the Companies' QNECs totaled \$4,119.

Participant Accounts - Each participant's account is credited with the participant's contributions and the Companies' contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and the Companies' contributions into a Group Annuity Contract (the Contract) with John Hancock Life Insurance Company (U.S.A) (John Hancock), which contains various pooled separate accounts. For those participants who do not make an investment selection, their contributions and the related Companies' contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in their contributions and QNECs plus earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service, as defined. The Companies' matching contributions are subject to a three-year cliff vesting schedule for participants terminating after September 30, 2022 and prior to October 1, 2022, a participant was 100 percent vested in the employer matching contributions after six years of credited service. A participant is 100 percent vested after five years of credited service for discretionary nonelective profit sharing contributions. Additional vesting schedules apply to the discretionary nonelective profit sharing contributions made for employees hired before October 1, 2002, as defined in the plan document. Regardless of the vesting schedules, participants will become fully vested upon reaching the normal retirement age, death or total and permanent disability while an employee. The Plan will recognize up to five years of service for acquired employees of certain other employers for vesting purposes.

Notes Receivable from Participants - Participants may borrow from their non-Roth accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Prior to October 1, 2022, participants could only borrow from their pre-tax deferral and rollover fund accounts. The notes are secured by the balance in the participant's account, bear interest at a rate equal to 1% above the prime rate and can only exceed a repayment period of five years for the purchase of a principal residence. Only one note may be outstanding at a time. Principal and interest is paid ratably through payroll deductions.

S. H. TEVIS & SON, INC. EMPLOYEES' 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Payment of Benefits - Benefit payments may be in the form of lump sums, partial withdrawals (minimum of \$1,000) and substantially equal installments (prior to October 1, 2022) and are payable upon termination of employment, death or retirement at age 65. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals and in-service withdrawals for participants who have attained age 50 and have participated in the Plan for at least five years are also permitted, subject to provisions defined in the plan document.

Forfeitures - Forfeitures of the Companies' contribution portion of participants' accounts (due to participants' termination prior to full vesting) are used to pay administrative expenses or to reduce the Companies' contributions. At September 30, 2023 and 2022, forfeited non-vested accounts totaled \$3,259 and \$20,378, respectively. During 2023, forfeitures of \$14,083 were used to pay plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and John Hancock. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the accounts, but do have an interest therein represented by units valued daily. The accounts earn dividends and realized gain distributions, which are automatically reinvested in additional units. Unit values are calculated daily before taking into consideration unitholders' contributions and withdrawals made on that day. These transactions are then valued using those unit values and recorded for that day.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of September 30, 2023 and 2022. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

SEPTEMBER 30, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Contributions - Contributions from plan participants and the matching contributions from the Companies' are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment. A John Hancock asset charge, investment management fees, third party administration fees and fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurement*, provides a practical expedient permitting a reporting entity to measure the fair value of certain investments using the net asset value (NAV) per share (or its equivalent) of the underlying investment (NAVPE, the net asset value per share practical expedient). The Plan invests in pooled separate accounts whose fair value at September 30, 2023 and 2022 was \$12,839,272 and \$10,410,418, respectively.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2023 and 2022.

Pooled Separate Accounts: Unit value, as determined by John Hancock, based on the observable NAV of the underlying investments and adjusted for reinvested investment income from the underlying investments and John Hancock levied charges. The unit value is not a publicly quoted price in an active market.

The underlying investments of the pooled separate accounts consist of mutual funds, common collective trusts or exchange traded funds, of which each pooled separate account follows a separate investment strategy. The Plan's pooled separate accounts are concentrated in target date funds and their primary investment strategy is to seek high total return until the account's target retirement date. The accounts primarily invest in assets in underlying funds using an asset allocation strategy designed for investors expected to retire around the account's target retirement date.

The pooled separate accounts do not have unfunded commitments or significant restrictions on redemptions, as they may be redeemed daily. However, in the event an underlying investment or John Hancock determines that a fund transfer may result in disruptive short term trading, trading restrictions may be imposed and may include restricting, the number of transfers made during a defined period, the dollar amount of transfers, the method used to submit transfers and transfers into and out of certain investments.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at September 30, 2023 and 2022, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended September 30, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock, a qualified institution.

NOTE 5 - TAX STATUS

The IRS has determined and informed Pollard & Associates Inc, by a letter dated November 30, 2020, that the prototype plan adopted by the Plan effective October 1, 2022, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The IRS had determined and informed Pollard & Associates Inc, by a letter dated March 31, 2014, that the volume submitter plan adopted by the Plan through September 30, 2022 was designed in accordance with applicable sections of the IRC. Although the Plan had been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments consist of pooled separate accounts managed by John Hancock and therefore, these transactions qualify as party in interest transactions.

John Hancock provides certain administrative services to the Plan pursuant to the Contract between the Trustees and John Hancock. As stated in the Contract, John Hancock agrees to perform certain administrative and recordkeeping services and as such receives an asset charge based on the value of investments calculated monthly and fees related to the administration of notes receivable from participants and participant distributions. In addition, John Hancock receives, as additional compensation, revenue sharing fees paid by the underlying source of the Plan's pooled separate accounts, for recordkeeping and other services provided to the Plan and short-term interest (float). The Plan or Companies may make payments to John Hancock for administrative expenses not covered by revenue sharing fees. Fees paid by the Plan to John Hancock and included in administrative expenses amounted to \$27,196 for 2023.

NOTE 7 - DELINQUENT CONTRIBUTIONS

DOL regulations require employee contributions be remitted as soon as they can be segregated from the plan sponsor's assets, but in no instance later than the fifteenth business day of the month following the month of the contribution. The Companies' procedures allowed for the employee contributions to be remitted as soon as reasonably segregated. However, there was one contribution payment during the year ended September 30, 2022 that exceeded this practice. The Companies' determined that \$212 of employee contributions were not remitted timely and lost earnings on the late contributions were calculated and remitted to the Plan during the year ended September 30, 2023.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the Companies' contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of September 30, 2023 and 2022, 69% and 63%, respectively, of net assets available for benefits is invested in the John Hancock T. Rowe Price Retirement pooled separate accounts; however, by their nature, these pooled separate accounts are a diversified mix of equities and fixed income that rebalance over time.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at September 30, 2023 and 2022 to Schedule H of Form 5500:

INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of September 30, 2023 and 2022, and the related Statement of Changes in Net Assets Available for Benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended September 30, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees, Plan Administrator and Participants of
S.H. Tevis & Son, Inc. Employees' 401(k) Profit Sharing Plan

Supplemental Schedules Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan, established on June 29, 1966, is a defined contribution plan covering substantially all employees of S.H. Tevis & Son Inc. and subsidiaries, and the Plan's participating employers: Tevis Energy, Inc., Tevis Propane, LLC, Tevis Oil, Inc. and Modern Comfort Systems, Inc. (collectively, the Companies). The Plan is subject to the provisions of ERISA.

Effective November 30, 2020, the prototype plan with Pollard & Associates Inc was amended and restated in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). Accordingly, the plan administrator executed a new Adoption Agreement, effective October 1, 2022. Significant changes to plan provisions are discussed throughout these financial statements.

Eligibility - The Plan covers substantially all employees of the Companies, except nonresident aliens, union employees (as defined by the Plan) and leased employees. Prior to October 1, 2022, seasonal employees were also excluded from participation; however, if a seasonal employee had completed one year of service, as defined, they would have become eligible to participate at the next plan entry date.

There is no minimum service required and eligible employees may enter the Plan on the first day of the month coincident with or next following date of hire for employee deferrals, and effective October 1, 2022, the Companies' matching contribution. Employees are eligible for the Companies' discretionary nonelective profit sharing contribution on the first day of the plan year or first day of the seventh month of the plan year coinciding with or next following the date one year of service, as defined, is attained. The Plan will recognize up to five years of service (for eligibility purposes) for acquired employees of certain other employers, as stated in the plan document.

Contributions - Each year, participants may elect to contribute up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pretax or after-tax Roth deferral contributions. Effective October 1, 2022, the Plan added an auto enrollment feature. This automatic deferral feature applies to all new employees and any eligible employees without an existing affirmative election in effect as of October 1, 2022. Eligible employees will be automatically enrolled with a pre-tax deferral contribution of 6% of eligible compensation (as defined) and will remain in effect unless otherwise directed by the employee. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Companies provide for the following contributions on behalf of participants:

A matching contribution equal to 50% of a participant's salary deferral up to 6% of eligible compensation, made on a pay period basis. For 2023, the Companies' matching contribution totaled \$402,698.

S. H. TEVIS & SON, INC. EMPLOYEES' 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Contributions - continued - A discretionary nonelective profit sharing contribution as determined by the Companies and allocated using the grouping method. The contribution is allocated pro rata based on eligible compensation and years of service to each group. In order to share in the allocation of the discretionary nonelective profit sharing contribution, a participant must have 1,000 hours of service during the plan year. Additionally, participants not actively employed at the end of the plan year will not share in the discretionary nonelective profit sharing contribution, regardless of service, except in the event of death, incurring total and permanent disability or termination on or after normal retirement age, as defined. No discretionary nonelective profit sharing contribution was made for 2023.

Qualified Nonelective Contributions (QNECs), as defined in the Plan. For 2023, the Companies' QNECs totaled \$4,119.

Participant Accounts - Each participant's account is credited with the participant's contributions and the Companies' contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and the Companies' contributions into a Group Annuity Contract (the Contract) with John Hancock Life Insurance Company (U.S.A) (John Hancock), which contains various pooled separate accounts. For those participants who do not make an investment selection, their contributions and the related Companies' contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in their contributions and QNECs plus earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service, as defined. The Companies' matching contributions are subject to a three-year cliff vesting schedule for participants terminating after September 30, 2022 and prior to October 1, 2022, a participant was 100 percent vested in the employer matching contributions after six years of credited service. A participant is 100 percent vested after five years of credited service for discretionary nonelective profit sharing contributions. Additional vesting schedules apply to the discretionary nonelective profit sharing contributions made for employees hired before October 1, 2002, as defined in the plan document. Regardless of the vesting schedules, participants will become fully vested upon reaching the normal retirement age, death or total and permanent disability while an employee. The Plan will recognize up to five years of service for acquired employees of certain other employers for vesting purposes.

Notes Receivable from Participants - Participants may borrow from their non-Roth accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Prior to October 1, 2022, participants could only borrow from their pre-tax deferral and rollover fund accounts. The notes are secured by the balance in the participant's account, bear interest at a rate equal to 1% above the prime rate and can only exceed a repayment period of five years for the purchase of a principal residence. Only one note may be outstanding at a time. Principal and interest is paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2023 AND 2022

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Payment of Benefits - Benefit payments may be in the form of lump sums, partial withdrawals (minimum of \$1,000) and substantially equal installments (prior to October 1, 2022) and are payable upon termination of employment, death or retirement at age 65. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. Hardship withdrawals and in-service withdrawals for participants who have attained age 50 and have participated in the Plan for at least five years are also permitted, subject to provisions defined in the plan document.

Forfeitures - Forfeitures of the Companies' contribution portion of participants' accounts (due to participants' termination prior to full vesting) are used to pay administrative expenses or to reduce the Companies' contributions. At September 30, 2023 and 2022, forfeited non-vested accounts totaled \$3,259 and \$20,378, respectively. During 2023, forfeitures of \$14,083 were used to pay plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and John Hancock. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the pooled separate accounts are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the accounts, but do have an interest therein represented by units valued daily. The accounts earn dividends and realized gain distributions, which are automatically reinvested in additional units. Unit values are calculated daily before taking into consideration unitholders' contributions and withdrawals made on that day. These transactions are then valued using those unit values and recorded for that day.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of September 30, 2023 and 2022. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Contributions - Contributions from plan participants and the matching contributions from the Companies' are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment. A John Hancock asset charge, investment management fees, third party administration fees and fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - FAIR VALUE MEASUREMENTS

ASC Topic 820, *Fair Value Measurement*, provides a practical expedient permitting a reporting entity to measure the fair value of certain investments using the net asset value (NAV) per share (or its equivalent) of the underlying investment (NAVPE, the net asset value per share practical expedient). The Plan invests in pooled separate accounts whose fair value at September 30, 2023 and 2022 was \$12,839,272 and \$10,410,418, respectively.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2023 and 2022.

Pooled Separate Accounts: Unit value, as determined by John Hancock, based on the observable NAV of the underlying investments and adjusted for reinvested investment income from the underlying investments and John Hancock levied charges. The unit value is not a publicly quoted price in an active market.

The underlying investments of the pooled separate accounts consist of mutual funds, common collective trusts or exchange traded funds, of which each pooled separate account follows a separate investment strategy. The Plan's pooled separate accounts are concentrated in target date funds and their primary investment strategy is to seek high total return until the account's target retirement date. The accounts primarily invest in assets in underlying funds using an asset allocation strategy designed for investors expected to retire around the account's target retirement date.

The pooled separate accounts do not have unfunded commitments or significant restrictions on redemptions, as they may be redeemed daily. However, in the event an underlying investment or John Hancock determines that a fund transfer may result in disruptive short term trading, trading restrictions may be imposed and may include restricting, the number of transfers made during a defined period, the dollar amount of transfers, the method used to submit transfers and transfers into and out of certain investments.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at September 30, 2023 and 2022, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended September 30, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock, a qualified institution.

NOTE 5 - TAX STATUS

The IRS has determined and informed Pollard & Associates Inc, by a letter dated November 30, 2020, that the prototype plan adopted by the Plan effective October 1, 2022, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The IRS had determined and informed Pollard & Associates Inc, by a letter dated March 31, 2014, that the volume submitter plan adopted by the Plan through September 30, 2022 was designed in accordance with applicable sections of the IRC. Although the Plan had been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments consist of pooled separate accounts managed by John Hancock and therefore, these transactions qualify as party in interest transactions.

John Hancock provides certain administrative services to the Plan pursuant to the Contract between the Trustees and John Hancock. As stated in the Contract, John Hancock agrees to perform certain administrative and recordkeeping services and as such receives an asset charge based on the value of investments calculated monthly and fees related to the administration of notes receivable from participants and participant distributions. In addition, John Hancock receives, as additional compensation, revenue sharing fees paid by the underlying source of the Plan's pooled separate accounts, for recordkeeping and other services provided to the Plan and short-term interest (float). The Plan or Companies may make payments to John Hancock for administrative expenses not covered by revenue sharing fees. Fees paid by the Plan to John Hancock and included in administrative expenses amounted to \$27,196 for 2023.

NOTE 7 - DELINQUENT CONTRIBUTIONS

DOL regulations require employee contributions be remitted as soon as they can be segregated from the plan sponsor's assets, but in no instance later than the fifteenth business day of the month following the month of the contribution. The Companies' procedures allowed for the employee contributions to be remitted as soon as reasonably segregated. However, there was one contribution payment during the year ended September 30, 2022 that exceeded this practice. The Companies' determined that \$212 of employee contributions were not remitted timely and lost earnings on the late contributions were calculated and remitted to the Plan during the year ended September 30, 2023.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the Companies' contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of September 30, 2023 and 2022, 69% and 63%, respectively, of net assets available for benefits is invested in the John Hancock T. Rowe Price Retirement pooled separate accounts; however, by their nature, these pooled separate accounts are a diversified mix of equities and fixed income that rebalance over time.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at September 30, 2023 and 2022 to Schedule H of Form 5500:
