Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report.

We are required to be independent of the F.G. Pruitt 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about F.G. Pruitt 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of F.G. Pruitt 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about F.G. Pruitt 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter

The statement of net assets available for benefits as of December 31, 2022, was compiled by us and our report thereon, dated July 12, 2024, stated we did not audit or review the statement and, accordingly, do not express an opinion or provide any assurance about whether the statement is in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

F.G. PRUITT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the F.G. Pruitt 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description (“Plan Documents”) for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of F.G. Pruitt, Inc. (the “Plan Sponsor” or “Company”) who have completed six months of service, as defined by the Plan Documents. Ineligible employees include non-resident aliens, leased employees, and union employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Trustees are responsible for the oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

Contributions

The Plan is funded through pre-tax and Roth employee elective deferrals and Company contributions. A participant may elect to contribute up to 90% of their eligible compensation, subject to certain maximum limitations imposed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into the various investment options offered by the Plan.

The Plan allows for an annual Safe Harbor contribution. For the year ended December 31, 2023, a 3% Safe Harbor contribution was made subsequent to year end totaling \$165,612.

The Plan also allows for discretionary matching contributions and discretionary profit-sharing contributions. These contributions are determined on an individual basis. For the year ended December 31, 2023, a discretionary profit-sharing contribution was made subsequent to year end totaling \$808,983.

Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed by law.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, employer contributions, and an allocation of Plan earnings or losses. Participants may modify investment elections, transfer existing account balances, and obtain information regarding the investments daily.

F.G. PRUITT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are immediately vested in their deferred salary contributions, safe harbor contributions, and rollover contributions from other plans and actual earnings thereon. Vesting in the discretionary matching and profit-sharing contributions and actual earnings thereon, is based on years of service. A participant is 100% vested upon retirement, permanent disability, death or reaching retirement age while employed by the Company. If a participant separates from the employment of the Company for any other reason, a participant shall be vested based upon the following schedule:

Years of Service	Vesting
Less than 1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes Receivable from Participants

Participants may borrow against their balance. The minimum loan amount is \$1,000 and the maximum loan amount is the lesser of \$50,000 or 50% of their vested account balance. The maximum number of loans that a participant may have outstanding at any one time is three. A participant loan must be payable within a period not exceeding five years. The loans are secured by the balance in the participant's account and bear fixed interest at the prime rate.

Distributions to Participants

Upon normal retirement age, death, or disability, a participant's benefits are payable in a lump-sum equal to 100% of the participant's vested account balance. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. The remainder of their account is forfeited. Employees may also make hardship withdrawals on the balance of their account related to their elective deferral contributions. Account balances of \$5,000 or less at the time of distributions may be "cashed" out as an involuntary lump sum payment or by direct rollover into an individual retirement plan, based on certain criteria, as defined in the Plan Agreement.

Forfeitures

Forfeitures may be used to reduce employer contributions or offset Plan expenses. There were forfeitures totaling \$8,864 during 2023. At December 31, 2023 and 2022, unallocated forfeitures totaled \$19,547 and \$13,866, respectively.

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the gains and losses on the Plan's investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. As of December 31, 2023, and 2022, no allowance for credit losses has been recorded. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs. No allowance for credit losses has been recorded as of December 31, 2023, or 2022.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

F.G. PRUITT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Recent Accounting Pronouncements

During the year ended December 31, 2023, and through July 12, 2024, there were several new accounting pronouncements issued by the Financial Accounting Standards Board (“FASB”). Each of these pronouncements, as applicable, has been or will be adopted by the Plan. Plan management does not believe the adoption of any of these accounting pronouncements has had or will have a material impact on the Plan’s financial statements.

Date of Management Review

Subsequent events were evaluated through July 12, 2024, which is the date the financial statements were issued.

3. INFORMATION CERTIFIED AND PROVIDED BY EMPOWER TRUST COMPANY, LLC

The following is a summary of the Plan’s asset information as of December 31, 2023, and 2022, and for the year ended December 31, 2023, included throughout the Plan’s financial statements and supplemental schedule, that was prepared by, or derived from information provided by, Empower Trust Company, LLC (the Trustee) and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information in Note 4 and the supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), related to the assets as presented in the table below at December 31:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Mutual funds	\$ 10,334,987	\$ 8,904,547
Common/collective trusts	1,093,788	1,058,246
Total investments at fair value	<u>\$ 11,428,775</u>	<u>\$ 9,962,793</u>
Notes receivable from participants	<u>\$ 266,065</u>	<u>\$ 207,941</u>

The Trustee also certified to the completeness and accuracy of \$1,368,329 of net appreciation in fair value of investments, \$257,930 of interest and dividends on investments, and \$10,660 of interest on notes receivable from participants related to the aforementioned Plan assets for the year ended December 31, 2023.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

- | | |
|----------------|--|
| <u>Level 1</u> | Valuations based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities; |
| <u>Level 2</u> | Valuations based on quoted prices in markets that are not active, or financial instruments for which all significant inputs are observable; either directly or indirectly; and |
| <u>Level 3</u> | Valuations based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable; thus, reflecting assumptions about the market participants. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued based on the NAV of units of the common/collective trust held by the Plan at year-end. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments composing the trust less its liabilities based upon audited financial statements. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

F.G. PRUITT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to their fair value measurement.

		Level 1 Assets at Fair Value	
		2023	2022
Mutual funds		\$ 10,334,987	\$ 8,904,547
Total assets in the fair value hierarchy		10,334,987	8,904,547
Common/collective trust measured at NAV	(a)	1,093,788	1,058,246
Investments at fair value		\$ 11,428,775	\$ 9,962,793

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying statements of net assets available for benefits.

The following table summarizes investments measured at fair value measured using the net asset value practical expedient as of December 31, 2023 and 2022. There are no participation redemption restrictions for these investments.

	2023	2022
Common/collective trust measured at NAV		
Fair value	\$ 1,093,788	\$ 1,058,246
Unfunded commitment	\$ -	\$ -
Redemption frequency	Daily	Daily
Redemption notice period	Not Applicable	Not Applicable

5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employers, and certain others. As such, transactions conducted with the custodian, recordkeeper, financial advisor, third-party administrator, auditor, and the employer qualify as party-in-interest transactions.

During the year ended December 31, 2023, the Plan paid \$15,935 to Empower Trust Company, LLC, the Plan recordkeeper, for services provided to the Plan. During the year ended December 31, 2023, the Plan paid \$7,625 to Retirement Plan Solutions, Inc., the Plan's third-party administrator, for services provided to the Plan.

The Plan Sponsor pays directly any other fees related to the operation of the Plan.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their employer contributions.

F.G. PRUITT 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

7. TAX STATUS

The Plan is a Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. As such, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S. Federal, state, or local tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
