INDEPENDENT AUDITOR'S REPORT

Board of Directors and Plan Administrator
Guardian Care, Inc. Tax-Deferred Annuity Plan
Orlando, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the accompanying financial statements of Guardian Care, Inc. Tax-Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022 and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of the Plan referred to in the first paragraph. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents with respect to individual participant account balances accumulated from the inception of the Plan to September 30, 2008. Accordingly, we were unable to apply auditing procedures sufficiently to determine the extent to which the accompanying financial statements and supplemental schedule may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were unable to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter discussed in the Basis for Disclaimer of Opinion section, it is inappropriate to, and we do not express an opinion on the supplemental schedule referred to above.

GUARDIAN CARE, INC.
TAX-DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2023

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Guardian Care, Inc. Tax-Deferred Annuity Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, which was established on October 1, 1986, and subsequently amended, is classified as a defined-contribution plan covering all employees of Guardian Care, Inc. (the “Company”). The purpose of the Plan is to reward eligible employees of the Company for long and loyal service by providing them with retirement benefits. To become eligible to participate in the Plan, an employee must complete 12 months of service and be at least 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company’s Board of Directors is responsible for overseeing the Plan, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Contributions

The Company, at the discretion of its Board of Directors, can contribute a percentage of a participant’s eligible compensation to the Plan. There was no discretionary Company contribution made during 2023. Employee contributions are not permitted by the Plan.

Participant Accounts

A separate account is maintained for each participant. Each participant’s account is credited with the participant’s allocation of the Company’s contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations of Plan earnings and administrative expenses are primarily based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Vesting in the participants' accounts is based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. The unallocated forfeitures account, which consists of the unused balance of terminated participants' non-vested employer contributions, approximated \$33,000 and \$28,000 at September 30, 2023 and 2022, respectively. During the year ended September 30, 2023, no forfeited account balances were used to reduce employer contributions to the Plan.

Investment Options

Participants direct their account balance among any of the Plan's offered investment options held by The Variable Annuity Life Insurance Company ("VALIC") (the "Plan Custodian"), which include guaranteed interest contracts and registered investment companies. Participants may change their investment options at any time, with certain exceptions.

Participant Loans with Plan Custodian

The Plan provides for participants to obtain loans directly from the Plan Custodian, as opposed to borrowing from their individual accounts; accordingly, such loans are not deemed to be Plan assets. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms range from 1-5 years, or up to 10 years for the purchase of a principal residence. The loans are collateralized by a portion of the balance in the participant's account and bear interest at a rate based on Moody's Average Corporate Yield. At September 30, 2023 and 2022, the amount collateralized for participant loans held by the Plan Custodian approximated \$103,000 and \$115,000, respectively.

Payment of Benefits

Upon termination of service due to death, disability, or retirement of a participant, their entire account balance becomes fully vested. Distribution of benefits may be made in either a lump sum, installments, or annuity payments over a fixed period, not to exceed the life expectancy of the participant/designated beneficiary. Participants who terminate for reasons other than death, disability, or retirement are entitled only to their vested balances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are reported at fair value and are valued using a market valuation basis at the daily reported closing net asset value ("NAV") of the funds. NAV is based on the fair market value of the funds' underlying investments, less any unpaid expenses.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/depreciation in the fair value of the Plan's investments include the Plan's gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for that portion attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest. The Plan's investments in the unallocated insurance company contracts with VALIC are guaranteed investment contracts, are deemed to be fully benefit-responsive, and are stated at contract value (see Note 4).

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits to participants are recorded when paid. As of September 30, 2023 and 2022, a distribution payable of approximately \$34,000 was due from the Plan to a participant due to a vesting error made on a distribution during the year ended September 30, 2022. As of September 30, 2023, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

Administration and Investment Expenses

Certain administrative costs and professional fees are paid by the Company, on behalf of the Plan, and will not be reimbursed by the Plan. Investment fees and commissions are netted against interest and earnings.

Plan Certification

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment information disclosed in the financial statements and the supplemental schedule, including investments held at September 30, 2023 and 2022, net change in fair value of investments, and interest for the year ended September 30, 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through July 12, 2024, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of September 30, 2023 and 2022:

	September 30, 2023			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 2,442	\$ -	\$ -	\$ 2,442

	September 30, 2022			
	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 2,112	\$ -	\$ -	\$ 2,112

There were no transfers of investment classifications between levels during the year ended September 30, 2023.

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Investments held in unallocated insurance company contracts are invested in the VALIC Fixed Account Plus. These funds are deemed to be fully benefit-responsive investment contracts and are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, withdrawals triggered by Company-initiated events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the contract issuer's ability to meet its financial obligations. There are no reserves against contract values for credit risk of the contract issuer or otherwise.

The VALIC Fixed Account Plus contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at specified interest rates that are guaranteed to the Plan. Interest rates are set based upon the month a participant begins contributions to the VALIC Fixed Account Plus and can be adjusted subject to the contract terms. The average annual yield for these contracts was 5.51% and 2.70% for the years ended September 30, 2023 and 2022, respectively.

NOTE 5 - INCOME TAX STATUS

The Plan administrator believes the Plan, as amended, is qualified under Section 403(b) of the Internal Revenue Code ("IRC") and is, therefore, exempt from federal income taxes, provided that all terms of the Plan continue to be followed and the eligibility requirements or benefit provisions are not more favorable for highly compensated employees. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

During 2023, the Plan's investments were managed by the Plan Custodian and therefore, transactions with this party qualify as party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
