Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Component Repair Technologies, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Component Repair Technologies, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2023 and 2022, and for the year ended September 30, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Component Repair Technologies, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Component Repair Technologies, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Component Repair Technologies, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Component Repair Technologies, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule H, Part IV, item 4i - schedule of assets (held at year end) as of September 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMPONENT REPAIR TECHNOLOGIES, INC. 401(k) PLAN

September 30, 2023 and 2022

NOTE A - DESCRIPTION OF PLAN

The following brief description of Component Repair Technologies, Inc. (Company) 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is a defined contribution 401(k) profit sharing plan covering all employees of the Company. Employees are eligible to participate in the salary reduction portion of the Plan after completing 3 months of service and are age 18 or older. Employees are eligible for the discretionary profit-sharing contributions after completion of 1,000 hours of service in a 12-month period, are age 18 or older, and are employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may make voluntary contributions from their compensation, as defined in the Plan agreement. The maximum voluntary contribution was \$22,500 in 2023. The total annual participant voluntary contribution is adjusted annually by a cost of living factor. Participants who will be at least age 50 by the end of the year may make additional contributions of \$7,500 in 2023.

In addition, the employer may make annual discretionary profit-sharing contributions to the Plan allocated based on the participants' compensation during the year which is nonelective. The Company can choose not to contribute to the Plan for a particular year. The Company made profit sharing contributions totaling \$1,841,781 for 2023.

The Company's employer matching contributions are discretionary and are based on a percentage of the employee's contribution. For the year ended September 30, 2023, the Company's contribution was 25% of the employee's contribution up to the first 6%.

The Plan includes an eligible automatic contribution arrangement (EACA). Unless an affirmative election not to participate is made, all newly eligible employees will be automatically enrolled in the Plan with a default deferral rate of 3% of eligible compensation. The initial automatic deferral rate will escalate by 1% on the first day of the Plan year until it reaches a maximum rate of 6% of eligible compensation. Contributions are automatically invested in a designated balance fund until changed by the participant.

Participants' voluntary contributions and employer's profit-sharing contributions are designated under a qualified deferred arrangement as allowed by Section 401(k) and 401(m) of the Internal Revenue Code.

Participants may direct the investment of their voluntary contributions and employer's match and profit-sharing contributions into any of several mutual fund options.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Participants' Accounts:

Each participant's account is credited with their voluntary contributions and employer's match and profit-sharing contributions and an allocation of the Plan's net earnings as defined by the Plan.

Vesting:

Participants are immediately vested in their voluntary contributions. Vesting in the Company's matching and discretionary contribution portion of their accounts is determined based upon years of service. A participant is vested according to the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	100%

Payment of Benefits:

Distributions are available upon termination, financial hardship, disability, death or attaining age 59-1/2. Benefits are paid in either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments over a specified period of time, or a combination thereof, if the value of the account is over \$5,000. For accounts less than \$5,000, the participant will receive a lump-sum payment.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear an interest rate of prime plus 2%.

Plan Costs:

Except for investment and auditing fees, the employer is absorbing all significant administrative costs of the Plan.

Forfeitures:

Forfeitures that are available to reduce the plan expenses and contributions of the employer to the Plan totaled \$20,172 at September 30, 2023 and \$5,049 at September 30, 2022. Forfeitures used to reduce employer contributions totaled \$5,049 for the year ended September 30, 2023.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investments:

The investment funds are valued by Counsel Trust Company dba Mid Atlantic Trust Company, the custodian, at quoted market prices of the underlying securities comprising each fund. The Plan's investment in an investment fund is expressed in "units". A "unit value" is calculated by dividing the value of the entire investment fund by the total number of units in the fund. The value of the Plan's investment in an investment fund is determined by multiplying the number of units held by the Plan by the fund's unit value.

Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses on investment transactions are recorded as the difference between proceeds received and the investment's fair value at the beginning of the year or acquisition cost if acquired during the year. Unrealized appreciation and depreciation are recorded as the difference between the investment's fair value at the end of the year and the fair value at the beginning of the year, or cost if acquired during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events:

Management evaluated all activity of the Plan through July 10, 2024, the date the financial statements were available to be issued and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes except as discussed in Note I.

NOTE C - INVESTMENTS CERTIFIED BY CUSTODIAN

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

Assets at September 30, 2023 are comprised of the following:

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan agreement to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, employees will become fully vested and net assets of the Plan are to be distributed to employees on the basis of individual account balances at the date of termination.

NOTE F - INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Prototype Plan Sponsor by a letter dated October 1, 2021, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the custodian of the Plan and therefore, these transactions qualify as party-in-interest.

NOTE I - AMENDMENTS TO PLAN DOCUMENT

Subsequent to year end, the Plan document is being amended to reduce the eligibility requirement from three months of service to one month of service. The Plan document is also being amended to change the allocation method for the profit-sharing component of the Plan. An estimate of the effect on the financial statements cannot be made.
