REPORT OF INDEPENDENT AUDITOR

TO THE PLAN ADMINISTRATOR
JML OPTICAL INDUSTRIES LLC
401 (K) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of the JML Optical Industries LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of September 30, 2023 (in liquidation) and December 31, 2022 (ongoing), and the related statements of changes in net assets available for benefits for the periods then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the periods ended September 30, 2023 and December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1, the Plan Sponsor approved a resolution on June 14, 2023 to terminate the Plan effective June 30, 2023. The Plan's assets were fully distributed by September 20, 2023. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. My opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audits.

A handwritten signature in black ink that reads 'KP Lynch CPA PC'.

JML OPTICAL INDUSTRIES LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2023 AND DECEMBER 31, 2022

1. DESCRIPTION OF PLAN

The JML Optical Industries LLC 401(k) Profit Sharing Plan (the Plan) is a defined contribution plan covering substantially all non-union employees of JML Optical Industries, LLC (the Employer or Plan Sponsor). The Plan was established July 7, 2011 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

PLAN TERMINATION

In January 2023, the Plan Sponsor was acquired by Thorlabs. In conjunction with this, continuing employees became employees of Thorlabs and began participating in a Plan sponsored by Thorlabs and no further employee contributions were made after January 30, 2023. On June 14, 2023, the Plan Sponsor approved a resolution to terminate the Plan effective June 30, 2023. As a result, all participants became fully vested in their account balances. All assets of the Plan were fully distributed by September 20, 2023.

The following description of the Plan provisions in effect through June 30, 2023 only provides general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

PARTICIPATION

All eligible employees of the Plan Sponsor who attained age 18 and completed 3 months of service could participate in all contributions under the Plan. Eligible employees could enter the Plan on the first day of the month following the completion of the eligibility requirements.

CONTRIBUTIONS

Participants could elect to defer a specified percentage of compensation, as defined, not to exceed 90% or Internal Revenue Code limitations. Participants could also make after-tax Roth elective contributions. The Plan Sponsor withheld 3% of compensation for any new or rehired participants, unless the participant affirmatively elected a different percentage.

The Plan Sponsor could make discretionary matching contributions to participants who were employed on the last day of the Plan year. During 2022, the matching contribution was 50% of an employee's elective deferral contribution, disregarding any elective deferral contribution in excess of 6%. There were no discretionary matching contributions made during 2023.

**JML OPTICAL INDUSTRIES LLC
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (CONTINUED)

The Plan Sponsor could also make discretionary non-elective contributions to participants who were employed on the last day of the Plan year. These contributions were allocated based on participant earnings, as defined in the Plan. There were no discretionary profit sharing allocations for 2023 or 2022.

VESTING

Participants were immediately vested in their elective deferral contributions. As noted above, participants became fully vested in their accounts as a result of the June 30, 2023 Plan termination. Prior to this, the participants' vesting percentage in Plan Sponsor contributions was:

Vesting Service (credited years)	Vesting Percentage
<2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

FORFEITURES

Participants who left the Plan Sponsor with less than the required years of service forfeited the nonvested portion of the Plan Sponsor's contributions. Forfeitures may be first used to pay Plan expenses, then used to reduce employer contributions. Approximately \$900 and \$700 of forfeitures were used to reduce employer contributions during 2023 and 2022, respectively. In addition, approximately \$2,900 of forfeitures were used to pay Plan expenses during 2023 (none in 2022). Any unutilized forfeiture balances as of the Plan termination date were allocated to remaining Plan participants (approximately \$7,500).

NOTES RECEIVABLE FROM PARTICIPANTS

Participants could obtain loans up to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous year less any current outstanding loan balance), or 50% of the participants' vested account balance. In addition, participants could only have one loan outstanding, generally at a five year maximum term (longer for primary residence purchase). Loans were subject to a minimum of \$500, and earned interest at a prime-based rate.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The 2022 financial statements were prepared on the accrual basis.

As a result of the Plan's termination described in Note 1, the 2023 Plan financial statements are presented using the liquidation basis of accounting. The liquidation basis of accounting did not have a significant impact compared to the going concern accrual basis of accounting.

VALUATION OF INVESTMENTS

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of September 30, 2023 and December 31, 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during 2023 and 2022.

- Registered investment companies – Fair value is based on quoted net asset values of the shares held by the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value information for investments held at December 31, 2022 is as follows:

	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 4,770,944	-	-	\$ 4,770,944

4. INVESTMENTS

All investment information disclosed in the accompanying financial statements, including investments held at September 30, 2023 and December 31, 2022, and net gain (loss) on registered investment companies for the periods then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, the trustee of the Plan (a qualified institution).

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan incurs various management fees and operating expenses for its investments in registered investment companies. These costs are not reflected separately, but are included in the net investment return of these investments.

Direct expenses paid from Plan assets consist primarily of an asset-based fee deducted from participant accounts to cover the cost of plan investment advisory services. Other direct expenses include withdrawal and loan processing fees deducted from the respective participant accounts.

All other administrative services, including recordkeeping and accounting, are provided at the expense of the Plan Sponsor.

6. TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated October 6, 2020, stating that the written form of the underlying pre-approved prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is exempt from taxation. Subsequent to the issuance of this opinion letter, the plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps to maintain the Plan's qualified status.

6. TAX STATUS (CONTINUED)

The Plan Sponsor has concluded that as of September 20, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2020.

7. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022:
