INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
King's Ridge Christian School 403(b) Plan
Alpharetta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform an audit of the financial statements of King's Ridge Christian School 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended September 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended September 30, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of King's Ridge Christian School 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of King's Ridge Christian School 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about King's Ridge Christian School 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of September 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KING'S RIDGE CHRISTIAN SCHOOL 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following is a brief description of King's Ridge Christian School 403(b) Plan (the "Plan"). Participants or other interested parties should refer to the plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan adopted by King's Ridge Christian School, Inc. (the "School"), effective October 1, 2001, to provide deferred tax benefits, savings and matching employer contributions to eligible employees. On January 1, 2018, the School adopted the FIS Business Systems LLC 403(b) Volume Submitter Plan. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the requirements of Section 403(b) of the Internal Revenue Code. The School is the sponsor and administrator of the Plan and the custodians are Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal Trust"), The Variable Annuity Life Insurance Company ("VALIC") and The Voya Retirement Insurance and Annuity Company ("Voya"). The custodians manage the investments as directed by participants and provide recordkeeping services for the Plan. The Plan was amended effective January 1, 2024 to change the Plan's year end to December 31st.

B. Eligibility

Employees are typically eligible to participate in the Plan once employment commences and may enter the Plan the first day of each month of the Plan year.

C. Contributions

Participants may contribute during the Plan year up to the applicable limit pursuant to Code Section 403(b) of their pre-tax annual compensation, as defined by the Plan, subject to certain limitations for highly compensated individuals. Participants who attained age 50 before the end of the Plan year may make additional catch-up contributions. Effective July 27, 2019, the School elected to amend the Plan for an automatic contribution feature that applies to new participants that has an entry date following the automatic deferral effective date. Under the automatic contribution feature, the employees will be automatically enrolled at a deferral rate of 3% of compensation. Participants may elect to not defer or to contribute more or less than the automatic contribution amount. The School may, but is not required to make, matching contributions up to 3% of eligible compensation if the participant has completed one year of service and is at least 18 years old. During the year ended September 30, 2023, the School made matching contributions equal to 3% of qualified employee compensation up to the amount of the respective employee deferral.

D. Participant Accounts

KING'S RIDGE CHRISTIAN SCHOOL 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2023 AND 2022

Participants' accounts are maintained by the Plan custodians and are credited with the participant's contribution and allocations of Plan sponsor contributions, Plan earnings and certain Plan administrative expenses. Allocations are based on participant contributions or account balances, as defined. Participants' accounts are charged administrative fees for loans, termination and/or withdrawals on an individual basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Matching contributions become vested once the participant has completed three years of eligible service.

F. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. The minimum loan amount is \$1,000 and cannot exceed the lesser of 50% of a participant's vested account balance or \$50,000. Repayment of loans must be made at least quarterly and must be repaid within five years unless the loan is related to the purchase of a primary residence. The notes receivable, which are collateralized by the balance in the participant's account, bear interest at 5.75%. Principal and interest are paid ratably through monthly payroll deductions.

G. Payments to Participants

Upon termination of service due to retirement, attainment of age 59½, attainment of normal retirement age before severance from employment, termination, financial hardship, death or disability, a participant or representative may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, upon written request and approval, participants may withdraw some or all of the elective contributions in their employee contribution account if the withdrawal is necessary due to hardship.

H. Forfeited Accounts

Employer contributions and related earnings forfeited by participants are applied to pay Plan administrative costs and employer contributions. There was \$1,944 and \$3,302 of unused forfeited balances as of September 30, 2023 and 2022, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

KING'S RIDGE CHRISTIAN SCHOOL 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2023 AND 2022

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts ("FBRIC"), which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodians.

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

E. Payments of Benefits

Benefits are recorded when paid.

F. Expenses

Certain expenses of maintaining the Plan are paid directly by the School and are excluded from these financial statements. Principal Trust charges contract administration fees directly to

KING'S RIDGE CHRISTIAN SCHOOL 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2023 AND 2022

the participant account and are included in administrative expenses. Fees related to the administration of notes receivable from participants and benefits paid to participants or beneficiaries are charged directly to the participant account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

G. Subsequent Events

Subsequent events have been evaluated by management through July 12, 2024, the date these financial statements were issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

KING'S RIDGE CHRISTIAN SCHOOL 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2023 AND 2022

At September 30, 2023 and 2022, investments are the only assets that are measured at fair value on a recurring basis in periods subsequent to initial recognition. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2023 and 2022.

- Registered investment companies, which are mutual funds, are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- The fair values of Voya pooled separate account shares are based on each account's daily net asset value ("NAV"). Plan management has determined the NAV practical expedient to be the best approximation of fair value. Pooled separate accounts are not exchange traded. Data for NAVs are available daily to plan administrators and client investors on the websites of Principal Trust, VALIC, and Voya, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of the underlying holdings. Underlying holdings are primarily invested in mutual funds that are valued using published market quotations from active exchanges.

- Investments in the unallocated contracts that are non-fully benefit responsive ("NFBRIC") are reported at contract value, which approximates fair value. As these investments are contract-based, observable prices for identical or similar investments do not exist and, accordingly, these investments are valued using unobservable inputs (Level 3). The contract value equals the accumulated cash contributions and interest credited to the contract, less any withdrawals. Liquidity restrictions apply to certain types of contracts that could impact the value realized upon exiting the contract.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. PRINCIPAL FIXED INCOME GUARANTEED OPTION

During the year ended September 30, 2018, the Plan entered into the Principal Fixed Income Guaranteed Option, a fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company ("Principal"). Principal maintains contributions in a general account. The account is credited with the Composite Crediting Rate and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract was \$1,015,690 and \$1,187,976 as of September 30, 2023 and 2022, respectively. The crediting interest rate is the Composite Crediting Rate, which will never be less than the Guaranteed Minimum Interest Rate. Such interest rates are reviewed on a semiannual basis for resetting.

5. VALIC FIXED ACCOUNTS

VALIC Fixed Accounts are guaranteed fixed annuity contracts available as an investment option to Plan participants. Each contract is fully and unconditionally guaranteed by The Variable Annuity Life Insurance Company. VALIC employs a modified new money interest crediting policy for the Fixed Account Plus ("FAP") and the Short-Term Fixed Account ("STFA"). Under this policy, VALIC declares a current interest rate at the beginning of each

KING'S RIDGE CHRISTIAN SCHOOL 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED SEPTEMBER 30, 2023 AND 2022

month applicable to contributions received during that month. The current rate declared is guaranteed until the end of the calendar year. VALIC intends to continue to credit interest at that same rate for an additional calendar year; however, that is not guaranteed. At the beginning of the third calendar year, such contributions will earn interest at a new declared pool rate, which is established January 1 of each calendar year and guaranteed for that entire calendar year. The contractually guaranteed minimum interest rate is applicable for the lifetime of the contract. Currently, VALIC permits participants to transfer up to 20% from the FAP and STFA options per year. For accumulating FAP and STFA contracts, the crediting interest rate was 3% as of September 30, 2023 and 2022. These fixed annuity contracts are fully benefit-responsive investment contracts which represent general obligations of VALIC and are stated at contract value. At September 30, 2023 and 2022, the FAP contract value was \$1,291 and \$891 respectively, and the STFA contract value was \$4,533 and \$3,170, respectively.

6. INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodians.

	<u>2023</u>	<u>2022</u>
Investments at fair value	\$ 8,157,437	\$ 6,721,857
Investments at contract value	\$ 1,021,514	\$ 1,192,037
Notes receivable from participants	\$ 1,844	\$ 4,878
Investment income	\$ 1,141,250	
Interest income on notes receivable from participants	\$ 143	

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Principal Trust, VALIC, and Voya, the custodians as defined by the Plan; therefore, these investments and investment transactions qualify as party-in-interest transactions. Fees paid to Principal Trust for the year ended September 30, 2023 totaled \$50,352.

8. DELINQUENT EMPLOYER MATCH CONTRIBUTIONS

For the year ended September 30, 2023, the plan has employer contribution receivable amounting to \$47,395. The above amount includes receivables of \$7,462, \$5,753 and \$11,991 from plan years 2020, 2021 and 2022, respectively.

9. PLAN TERMINATION

Although they have not expressed any intent to do so, the School has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, no further contributions will be made to the Plan and all amounts credited to participants would become fully vested.

10. TAX STATUS

The Plan has adopted a Volume Submitter Plan intended to conform and qualify under Section 403(b) of the Internal Revenue Code (the "Code"). The Volume Submitter 403(b) Plan has received a favorable opinion letter dated March 31, 2017 from the Internal Revenue Service ("IRS") stating that it is acceptable under section 403(b) of the Internal Revenue Code. This letter considers the changes contained in the final regulations under Code section 403(b) (sections 1.403(b)-1 through 1.403(b)-11) that were published on July 26, 2007 (72 FR 41128) and the applicable requirements of the 2012 Cumulative List of Changes in Plan Qualification Requirements contained in Notice 2012-76, 2012-52 I.R.B. 775. The terms of the Plan conform to the requirements provided by the IRS in Revenue Procedure 2013-22, 2013-18 I.R.B. 985. The Plan is required to operate in conformity with the terms of the Plan to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of the Code.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.
