Independent Auditor's Report

Plan Administrator
Shelter Systems Limited 401(k) Plan and Trust
Westminster, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Shelter Systems Limited 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Shelter Systems Limited 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shelter Systems Limited 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shelter Systems Limited 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shelter Systems Limited 401(K) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shelter Systems Limited 401(K) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

1. Description of Plan

The following description of the Shelter Systems Limited (the “Company”) 401(k) Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Shelter Systems Limited 401(k) Plan and Trust is a defined contribution salary deferral pension plan which provides an individual account for each participant and provides benefits upon retirement based on amounts contributed by the employee and employer matching and discretionary contributions plus earnings on those contributions. The Plan was established on June 1, 1994.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

All employees of the Company are eligible to participate in the Plan. In order to be eligible to participate in the Plan, an employee must have completed one year of service with at least 1,000 hours of service during that year, and be at least eighteen years old. The initial year of eligibility is calculated from the employees' hire date. An employee becomes eligible to enter in the Plan on the first day of the plan year or the first day of the seventh month of the plan year after the age and service requirements are satisfied. Employees are eligible to receive employer discretionary matching contributions and employer discretionary profit sharing contributions after fulfilling one year of service.

Contributions

Eligible participants may defer amounts from 1% to 15% (in whole percentages) of their compensation, not to exceed the limits of Internal Revenue Code (“IRC”) sections 401(K), 402(g), 404 and 415 of \$22,500 and \$20,500 for 2023 and 2022, respectively. The Company may contribute a discretionary base matching contribution throughout the Plan year based on a percentage of elective employee deferrals.

The year-end discretionary matching contribution equaled 100% of the elective deferrals participants contributed to the Plan for the years ended December 31, 2023 and 2022.

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

1. Description of Plan (continued)

Contributions (continued)

Also, the Company may make a discretionary profit sharing contribution at the end of the Plan year for employees who have been credited with at least 500 hours or more of service during the Plan year and be employed on the last day of the Plan year. The 500 hour requirement is waived in the event of the participant's death, termination of employment after becoming disabled or upon termination of employment after having reached normal retirement age as defined by the Plan. The discretionary contribution is allocated based on eligible compensation as defined by the Plan. The Company did not make discretionary profit sharing contributions for the years ended December 31, 2023 and 2022. Participant and Company contributions are directed by the participant into various investment options offered by the Plan.

All employees over the age of 50 before the close of the Plan year are eligible to make catch-up contributions totaling \$7,500 and \$6,500 per year under IRC Sections 401 (a)(30), 402(g), 414(v) for 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's matching and discretionary contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. The standard measure for one year of service is completion of 1,000 hours during the Plan year. A participant is 100% vested after six years of credited service at a rate of 20% per year, beginning with the second year of service. Any employer discretionary matching contributions and discretionary profit sharing contributions which are not vested are forfeited upon termination. If a participant is re-employed prior to incurring five consecutive one year breaks in service, and restores their vested balance, the amount forfeited will be restored to his or her account. If the participant does not return, the forfeitures are used to offset future employer contributions.

Notwithstanding the above, a participant shall be fully vested in their entire account upon the attainment of age 65, attainment of age 55 with at least ten years of service, death, disability or if the Plan is terminated.

Participant Loans

The Plan does not allow participant loans.

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

1. Description of Plan (continued)

Payment of Benefits

Upon termination of service, death, disability, retirement at age 65 or early retirement at age 55 with ten years of service, a lump sum of the participants' vested account balance may be distributed to the participant or beneficiary. Involuntary distributions can be made by the Company if the vested account balance is less than \$5,000.

A terminated or retired participant may elect to receive payment from their account soon after it is valued or postpone payment until a later date. If payment is postponed, the account will continue to share in investment earnings. However, payments must begin on April 1 of the year after the year in which the participant reaches 73 years of age, even if they are still working.

Upon the death of a participant before retirement or termination of employment, the current balance of such participant's individual account shall become payable as of the valuation date coincident with or next following his or her death.

In-service withdrawals and hardship withdrawals are permitted if certain criteria are met.

Forfeited Accounts

As of December 31, 2023 and 2022, there were no forfeited nonvested accounts. The balance of the forfeiture account is used to reduce future Company contributions to the Plan or to pay for administrative expenses. No amounts were applied to reduce Company contributions to the Plan for 2023 or 2022.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

In accordance with generally accepted accounting principles, the Plan has adopted the provisions which establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Items carried at fair value on a recurring basis consist primarily of financial instruments which are valued primarily based on quoted prices in active or brokered markets for identical as well as similar assets and liabilities. Items carried at fair value on a non-recurring basis generally consist of assets held for sale, if applicable. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Cash: Valued at cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions and unrealized appreciation and depreciation of investments are determined using an average cost basis.

The Plan invests in mutual funds. Such investments are exposed to various risks such as market and credit risks. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. Plan assets are not FDIC insured.

Plan Expenses

The Company sponsors the Plan. Personnel within the employer organization perform certain administrative services for the Plan, including maintenance of participant records. The payroll and related overhead costs associated with these services are not included as Plan expenses. All expenses are paid by the Company.

Funding Policy

Contributions are funded as accrued.

Payments of Benefits

Benefit payments are recorded when paid.

3. Certified Information

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, realized gains from sales of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus Trust Company (the trustee of the Plan).

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

4. Fair Value Measurement

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2023

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	\$ 1,001,359	\$ -	\$ -	\$ 1,001,359
Mutual Funds	11,273,596	-	-	11,273,596
Total investments at fair value	<u>\$ 12,274,955</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,274,955</u>

2022

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	\$ 156,087	\$ -	\$ -	\$ 156,087
Mutual Funds	9,082,796	-	-	9,082,796
Total investments at fair value	<u>\$ 9,238,883</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,238,883</u>

5. Related Party Transactions

Certain Plan investments are mutual funds managed by Ascensus Inc. Ascensus was the trustee defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for asset management services are paid by the Plan and/or the Plan Sponsor. Administrator expenses were \$48,358 and \$44,701 for the years ended December 31, 2023 and 2022, respectively.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

7. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus Trust Company. The prototype plan received an opinion letter from the Internal Revenue Service dated March 31, 2014. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities.

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

7. Tax Status (continued)

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 as of December 31, 2023:

Distributions paid to participants per the financial statements	\$ 353,104
Less: excess contributions payable to participants at December 31, 2023	(29,446)
Plus: excess contributions payable to participants at December 31, 2022	<u>16,393</u>
Distributions paid to participants per Form 5500	<u><u>\$ 340,051</u></u>

9. Subsequent Events

Subsequent events have been evaluated through June 19, 2024, the date the financial statements were available to be issued. Subsequent to year end, the Plan was amended to allow separate deferral elections on bonuses, Roth contributions, and changed the entry dates to quarterly. There were no other subsequent events requiring disclosure.

Independent Auditor's Report

Plan Administrator
Shelter Systems Limited 401(k) Plan and Trust
Westminster, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Shelter Systems Limited 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Shelter Systems Limited 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shelter Systems Limited 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shelter Systems Limited 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shelter Systems Limited 401(K) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shelter Systems Limited 401(K) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

1. Description of Plan

The following description of the Shelter Systems Limited (the “Company”) 401(k) Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Shelter Systems Limited 401(k) Plan and Trust is a defined contribution salary deferral pension plan which provides an individual account for each participant and provides benefits upon retirement based on amounts contributed by the employee and employer matching and discretionary contributions plus earnings on those contributions. The Plan was established on June 1, 1994.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

All employees of the Company are eligible to participate in the Plan. In order to be eligible to participate in the Plan, an employee must have completed one year of service with at least 1,000 hours of service during that year, and be at least eighteen years old. The initial year of eligibility is calculated from the employees' hire date. An employee becomes eligible to enter in the Plan on the first day of the plan year or the first day of the seventh month of the plan year after the age and service requirements are satisfied. Employees are eligible to receive employer discretionary matching contributions and employer discretionary profit sharing contributions after fulfilling one year of service.

Contributions

Eligible participants may defer amounts from 1% to 15% (in whole percentages) of their compensation, not to exceed the limits of Internal Revenue Code (“IRC”) sections 401(K), 402(g), 404 and 415 of \$22,500 and \$20,500 for 2023 and 2022, respectively. The Company may contribute a discretionary base matching contribution throughout the Plan year based on a percentage of elective employee deferrals.

The year-end discretionary matching contribution equaled 100% of the elective deferrals participants contributed to the Plan for the years ended December 31, 2023 and 2022.

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

1. Description of Plan (continued)

Contributions (continued)

Also, the Company may make a discretionary profit sharing contribution at the end of the Plan year for employees who have been credited with at least 500 hours or more of service during the Plan year and be employed on the last day of the Plan year. The 500 hour requirement is waived in the event of the participant's death, termination of employment after becoming disabled or upon termination of employment after having reached normal retirement age as defined by the Plan. The discretionary contribution is allocated based on eligible compensation as defined by the Plan. The Company did not make discretionary profit sharing contributions for the years ended December 31, 2023 and 2022. Participant and Company contributions are directed by the participant into various investment options offered by the Plan.

All employees over the age of 50 before the close of the Plan year are eligible to make catch-up contributions totaling \$7,500 and \$6,500 per year under IRC Sections 401 (a)(30), 402(g), 414(v) for 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's matching and discretionary contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. The standard measure for one year of service is completion of 1,000 hours during the Plan year. A participant is 100% vested after six years of credited service at a rate of 20% per year, beginning with the second year of service. Any employer discretionary matching contributions and discretionary profit sharing contributions which are not vested are forfeited upon termination. If a participant is re-employed prior to incurring five consecutive one year breaks in service, and restores their vested balance, the amount forfeited will be restored to his or her account. If the participant does not return, the forfeitures are used to offset future employer contributions.

Notwithstanding the above, a participant shall be fully vested in their entire account upon the attainment of age 65, attainment of age 55 with at least ten years of service, death, disability or if the Plan is terminated.

Participant Loans

The Plan does not allow participant loans.

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

1. Description of Plan (continued)

Payment of Benefits

Upon termination of service, death, disability, retirement at age 65 or early retirement at age 55 with ten years of service, a lump sum of the participants' vested account balance may be distributed to the participant or beneficiary. Involuntary distributions can be made by the Company if the vested account balance is less than \$5,000.

A terminated or retired participant may elect to receive payment from their account soon after it is valued or postpone payment until a later date. If payment is postponed, the account will continue to share in investment earnings. However, payments must begin on April 1 of the year after the year in which the participant reaches 73 years of age, even if they are still working.

Upon the death of a participant before retirement or termination of employment, the current balance of such participant's individual account shall become payable as of the valuation date coincident with or next following his or her death.

In-service withdrawals and hardship withdrawals are permitted if certain criteria are met.

Forfeited Accounts

As of December 31, 2023 and 2022, there were no forfeited nonvested accounts. The balance of the forfeiture account is used to reduce future Company contributions to the Plan or to pay for administrative expenses. No amounts were applied to reduce Company contributions to the Plan for 2023 or 2022.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

In accordance with generally accepted accounting principles, the Plan has adopted the provisions which establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Items carried at fair value on a recurring basis consist primarily of financial instruments which are valued primarily based on quoted prices in active or brokered markets for identical as well as similar assets and liabilities. Items carried at fair value on a non-recurring basis generally consist of assets held for sale, if applicable. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Cash: Valued at cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions and unrealized appreciation and depreciation of investments are determined using an average cost basis.

The Plan invests in mutual funds. Such investments are exposed to various risks such as market and credit risks. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. Plan assets are not FDIC insured.

Plan Expenses

The Company sponsors the Plan. Personnel within the employer organization perform certain administrative services for the Plan, including maintenance of participant records. The payroll and related overhead costs associated with these services are not included as Plan expenses. All expenses are paid by the Company.

Funding Policy

Contributions are funded as accrued.

Payments of Benefits

Benefit payments are recorded when paid.

3. Certified Information

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, realized gains from sales of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Ascensus Trust Company (the trustee of the Plan).

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

4. Fair Value Measurement

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash and cash equivalents	\$ 1,001,359	\$ -	\$ -	\$ 1,001,359
Mutual Funds	11,273,596	-	-	11,273,596
Total investments at fair value	<u>\$ 12,274,955</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,274,955</u>

2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Cash and cash equivalents	\$ 156,087	\$ -	\$ -	\$ 156,087
Mutual Funds	9,082,796	-	-	9,082,796
Total investments at fair value	<u>\$ 9,238,883</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,238,883</u>

5. Related Party Transactions

Certain Plan investments are mutual funds managed by Ascensus Inc. Ascensus was the trustee defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees for asset management services are paid by the Plan and/or the Plan Sponsor. Administrator expenses were \$48,358 and \$44,701 for the years ended December 31, 2023 and 2022, respectively.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

7. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by Ascensus Trust Company. The prototype plan received an opinion letter from the Internal Revenue Service dated March 31, 2014. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities.

Shelter Systems Limited 401(k) Plan and Trust

Notes to Financial Statements

For the years ended December 31, 2023 and 2022

7. Tax Status (continued)

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of benefits paid to participants per the financial statements to Form 5500 as of December 31, 2023:

Distributions paid to participants per the financial statements	\$ 353,104
Less: excess contributions payable to participants at December 31, 2023	(29,446)
Plus: excess contributions payable to participants at December 31, 2022	<u>16,393</u>
Distributions paid to participants per Form 5500	<u><u>\$ 340,051</u></u>

9. Subsequent Events

Subsequent events have been evaluated through June 19, 2024, the date the financial statements were available to be issued. Subsequent to year end, the Plan was amended to allow separate deferral elections on bonuses, Roth contributions, and changed the entry dates to quarterly. There were no other subsequent events requiring disclosure.

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions.)

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount

4i			
4j			
4k			
4l			
4m			
4n			

b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)

c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)

d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)

e Was this plan covered by a fidelity bond?

f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?

g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?

h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?

i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)

j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)

k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?

l Has the plan failed to provide any benefit when due under the plan?

m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)

n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☐ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year
