Independent Auditor's Report

Plan Administrator
LinkOne Holdings, Inc. 401(k) Plan
Monett, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LinkOne Holdings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of LinkOne Holdings, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of LinkOne Holdings, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about LinkOne Holdings, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the LinkOne Holdings, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about LinkOne Holdings, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

General

The following description of LinkOne Holdings, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document and *Summary Plan Description* for a more complete description of the Plan’s provisions, which are available from the plan administrator.

The Plan was established January 1, 2012, by LinkOne Holdings, Inc. (the “Plan Sponsor”) as a defined contribution qualified retirement plan for the benefit of its employees age 18 or older.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Reliance Trust Company serves as the Plan’s trustee and Automatic Data Processing, Inc.’s Retirement Services is the Plan’s record keeper.

Contributions

Participants may contribute up to 90 percent of pretax annual compensation to their account. Roth contributions are permitted. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted. The Plan Sponsor may make discretionary employer matching contributions.

Effective January 1, 2022, discretionary employer matching contributions were adopted by the Plan Sponsor to match dollar-for-dollar on the first 3 percent of employee deferrals and 50 cents per dollar on the next 2 percent, with a maximum of \$4,000 annually.

The Plan Sponsor may also make annual discretionary profit-sharing contributions in which participants must be employed on the last day of the plan year and have worked 1,000 hours during the plan year to be eligible. No profit-sharing contributions were authorized for 2023 or 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Investment Account Options

Participants have the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

The Plan includes an automatic contribution arrangement. Each eligible participant not currently participating will be automatically enrolled in the Plan as a participant unless they affirmatively elect otherwise. The percentage of compensation deferred on each participant’s behalf as a pretax elective deferral is 3 percent and will increase by 1 percent each year up to a maximum of 10 percent.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Plan Sponsor’s contributions, plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

LinkOne Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Plan Sponsor's matching and profit-sharing contribution portion of their accounts plus earnings thereon is based on years of continuous service with the Plan Sponsor. A participant is fully vested after six years of continuous service.

Payment of Benefits

Upon termination of services, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution, installments, or partial withdrawals. For participants with vested balances not exceeding \$1,000, the plan administrator will authorize the benefit payment without the participant's consent as a single lump-sum payment. Absent an election made by a participant, account balances greater than \$1,000 and not exceeding \$5,000 will be directly rolled over to an individual retirement account. Withdrawals other than for termination are permitted under circumstances provided by the Plan.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$52,649 and \$21,925, respectively. Forfeited nonvested accounts may be used to pay administrative fees or reduce future employer contributions. In 2023 and 2022 employer contributions remitted to the Plan for 2023 and 2022 were reduced by \$2,301 and \$1,329 from forfeited nonvested accounts, respectively.

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan is \$500. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50 percent of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. Interest on the loans is based on prime rate plus 1 percent. The maximum number of loans a participant may have outstanding at one time is one.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

The Plan's interest in liquidating trust certificates is valued based on participants' interests in the 3D Holdings, Inc. Employee Stock Ownership Plan Liquidating Trust.

LinkOne Holdings, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2023 and 2022

The Plan's interest in the collective trust fund is valued based on information reported by the investment advisor using the audited financial statement of the stable value fund at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Rollover of Liquidating Trust Certificates

On May 30, 2019, the Board of Directors of 3D Holdings, Inc., voted to terminate the 3D Holdings, Inc. Employee Stock Ownership Plan (ESOP) in connection with the sale of certain assets by the Plan Sponsor. Upon the ESOP's termination, all remaining ESOP participants became 100 percent vested in that plan and were provided the option to have their cash account balance rolled into any qualified plan (including the Plan) or IRA, or receive a lump-sum distribution.

In connection with the sale of certain assets by the Plan Sponsor effective May 30, 2019, the ESOP acquired an interest in an escrow account, the purpose of which is to pay certain liabilities, if any, associated with the sold assets. In connection with the ESOP's termination, the ESOP's interest in the escrow was transferred to the 3D Holdings, Inc. Employee Stock Ownership Plan Liquidating Trust (the "Liquidating Trust") established effective March 26, 2020. The Liquidating Trust was established for the benefit of Company employees participating in the ESOP at the time of the ESOP's termination, of which each former ESOP participant may be entitled to a distribution from the Liquidating Trust consisting of a portion of the funds currently held in the escrow.

Pursuant to the terms of the Liquidating Trust, each employee participating in the ESOP received a "Certificate of Participation" in the Liquidating Trust (the "Liquidating Trust Certificates") evidencing an interest in the Liquidating Trust (each such recipient of the Liquidating Trust Certificate is referred to as a "Certificate Holder"). Certificate Holders also participating in the LinkOne Holdings, Inc. 401(k) Plan were permitted to rollover their Liquidating Trust Certificates into the 401(k) Plan as part of a tax-deferred rollover under Section 402 of the Internal Revenue Code.

The Plan Sponsor determined that it was necessary to establish the LinkOne Holdings, Inc. 401(k) Plan Trust for the Liquidating Trust Certificates, a separate trust under the LinkOne Holdings, Inc. 401(k) Plan, to hold in custody and safekeeping the Liquidating Trust Certificates rolled over to the 401(k) Plan.

On May 30, 2023, the restriction on the escrow account lapsed, and the Liquidating Trust received cash proceeds of \$1,299,102, relating to the interest in the Liquidating Trust of the Certificate Holders participating in the LinkOne Holdings, Inc. 401(k) Plan, at which time the Certificate Holders' Liquidating Trust Certificates, previously valued at \$793,152, as of December 21, 2022, were redeemed, and the cash proceeds were distributed in July 2023 from the Liquidating Trust and transferred into the Certificate Holders' account in the LinkOne Holdings, Inc. 401(k) Plan.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Plan Sponsor or the Plan, at the Plan Sponsor's discretion.

Note 3. Certification of Plan Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following investment information certified by Reliance Trust Company, a qualified institution, except for comparing such investment information certified by the trustee with information included in the Plan's financial statements and ERISA-required supplemental schedule as of December 31, 2023 and 2022.

	<u>2023</u>	<u>2022</u>
Investments		
Mutual funds	\$ 8,361,204	\$ 6,338,536
Collective trust fund	77,216	89,534
Notes receivable from participants	86,280	98,304

The trustee also certified to the completeness and accuracy of \$1,235,494 and \$(1,410,197) of net investment income (loss) related to the aforementioned investments, for the years ended December 31, 2023 and 2022, respectively, and \$4,355 and \$4,316 of interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, respectively.

Note 4. Fair Value Measurements

Fair value measurement is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Notes to Financial Statements
December 31, 2023 and 2022

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2023 and 2022.

		Fair Value Measurements Using		
	Fair Value	Level 1	Level 2	Level 3
December 31, 2023				
Mutual funds	\$ 8,361,204	\$ 8,361,204	\$ -	\$ -
Liquidating trust certificates	-	-	-	-
		<u>\$ 8,361,204</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>77,216</u>			
	<u>\$ 8,438,420</u>			
December 31, 2022				
Mutual funds	\$ 6,338,536	\$ 6,338,536	\$ -	\$ -
Liquidating trust certificates	793,152	-	-	793,152
		<u>\$ 6,338,536</u>	<u>\$ -</u>	<u>\$ 793,152</u>
Investments measured at net asset value (A)	<u>89,534</u>			
	<u>\$ 7,221,222</u>			

- (A) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2023 and 2022. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. For assets classified within Level 3 of the fair value hierarchy, the process used to develop the reported value is described below.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and are valued at the net asset value (NAV) of shares held by the Plan at year-end. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. See the table below for inputs and valuation techniques used for Level 3 securities.

December 31, 2023 and 2022

Unobservable (Level 3) Inputs

The following table presents quantitative information about unobservable inputs used in recurring Level 3 fair value measurements at December 31, 2022.

	Fair Value 12/31/2022	Valuation Technique	Unobservable Inputs
Liquidating trust certificates	\$ 793,152	Cash flow	Estimated expenses paid by escrow

Uncertainty of Fair Value Measurements

The following is a description of the sensitivity of significant unobservable inputs, the interrelationships between those inputs, and other unobservable inputs used in recurring fair value measurements and how those inputs might magnify or mitigate the effect of changes in the unobservable inputs on the fair value measurement.

Liquidating Trust Certificates

The significant unobservable input used in the fair value measurement of the Plan's investment in liquidating trust certificates is the future estimated expenses that will be required to be paid by the escrow. Changes in the expenses paid could result in a significant change in fair value to the extent the changes deviate from the original estimate. Generally, an increase (decrease) in the expenses is accompanied by a directionally opposed change in the fair value.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan. This fund files a Department of Labor Form 5500 as a direct filing entity.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2023				
Collective trust fund	\$ 77,216	\$ -	Daily	10 days
December 31, 2022				
Collective trust fund	\$ 89,534	\$ -	Daily	10 days

Note 5. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Fees incurred by the Plan for recordkeeping, administrative, and investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are primarily paid through revenue sharing, rather than a direct payment. Individually nonmaterial direct expenses paid to parties in interest totaled \$41,531 for 2023 and \$37,394 for 2022. The Plan Sponsor provides certain additional administrative services at no cost to the Plan.

Notes to Financial Statements
December 31, 2023 and 2022

Note 6. Plan Termination

Although it has not expressed an intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions accounts.

Note 7. Tax Status

The Plan operates under an adoption agreement in connection with a nonstandardized prototype retirement plan and trust document sponsored by ADP, LLC. The prototype plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2023 and 2022, to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 8,546,782	\$ 7,336,094

Net assets available for benefits per Form 5500	<u>\$ 8,524,700</u>	<u>\$ 7,319,526</u>

The following is a reconciliation of the net increase (decrease) in net assets available for benefits per the financial statements for the years ended December 31, 2023 and 2022, to Form 5500:

	<u>2023</u>	<u>2022</u>
Net increase (decrease) per the financial statements	\$ 1,210,688	\$ (1,933,524)
Change in participants' contributions receivable	(4,980)	(11,205)
Change in employer's contributions receivable	<u>(534)</u>	<u>(5,363)</u>
Net increase (decrease) per Form 5500	<u>\$ 1,205,174</u>	<u>\$ (1,950,092)</u>

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

Subsequent events have been evaluated through July 8, 2024, which is the date the financial statements were available to be issued.
