INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Retirement Plan Committee
Foundation for Educational Services Inc. 401(k) Plan
Lincoln, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Foundation for Educational Services Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Foundation for Educational Services Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Foundation for Educational Services Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Foundation for Educational Services Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foundation for Educational Services Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Foundation for Educational Services Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following brief description of the Foundation for Educational Services Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan, which became effective January 1, 1985, and was most recently amended on May 21, 2021, is a defined contribution plan covering certain groups of employees of Foundation for Educational Services, Inc. (Plan Sponsor) who have completed 90 days of continuous employment with at least 1 hour of service and have attained 19 years of age. Entry is available on the first day of each quarter subsequent to the employee's completion of the participation requirements. Related employers who also participate in the Plan include Nebraska Student Loan Program, Inc., EducationQuest Foundation, Inc., Collegiate Financial Services, Inc., Foundation for Educational Funding II, Inc., and FES, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Elective Contributions. Each year eligible employees may make pre-tax salary and Roth reduction contributions to the Plan not to exceed Internal Revenue Code limitations of up to 85% of their eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 18 mutual funds, six common trusts, one money market account, and a self-directed brokerage account as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 5% of eligible compensation and increase by 1% annually until a deferral rate of 10% is reached unless participants designate otherwise.

Employer Contributions. The Plan Sponsor may make a discretionary matching contribution to the Plan on behalf of each eligible participant. Discretionary matching contributions are made on a per payroll period basis. Any discretionary matching contributions made are on behalf of all participants who have attained 19 years of age and with at least six continuous months of employment with at least 1,000 hours of service. During the Plan year ended December 31, 2023, the discretionary matching contribution was \$1,566,828.

Additional nonelective profit sharing employer contributions may be contributed at the discretion of the Plan Sponsor's management. Participants must have attained 19 years of age, have at least six continuous months of employment with at least 1,000 hours of service, and be employed on the last day of the plan year. Any profit-sharing contributions made to the Plan will be divided among eligible participants based on certain designated groups based on years of service under the Plan. Profit sharing contributions are made on the basis of a participant's defined compensation for the Plan year. For the Plan year ended December 31, 2023, the nonelective profit sharing contribution was \$448,991.

Participant Accounts. Each participant's account is credited with the participant's contributions and the Plan Sponsor's matching contributions, as well as allocations of the Plan Sponsor's discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Vesting. Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching and discretionary contribution portion of their accounts is based on years of continuous service. For the employer matching portion, a participant is 25% vested after two years of service, 50% after three years, 75% vested after four years, and 100% vested after five years. For the nonelective profit sharing contribution, a participant is 20% vested after two years of service, 40% vested after three years, 60% vested after four years, 80% vested after five years, and 100% vested after six years.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested interest in the plan. The loans are secured by the balance in the participant's account. The loan interest rate, determined at the time of the loan, is based on the prime rate plus one percent. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits. On separation of service due to death, disability, retirement, termination or attainment of age 65, a participant may elect to receive (a) a single sum payment or (b) the minimum required distributions. Distributions may be made to a participant who has not separated from service upon reaching age 59½. Distributions may be made as soon as administratively feasible at the participant's election.

Termination of employment prior to normal retirement age requires a distribution if the account balance does not exceed \$5,000. The participant can elect to receive: (a) a direct rollover to an IRA or another qualified retirement plan or (b) a payment in cash, subject to federal tax withholding and generally a penalty tax if under age 59½. If no election is made, the benefit will be rolled over to an IRA. If the account balance is less than \$1,000, the distribution will be paid in cash. If the account is greater than \$5,000, the participant may defer distribution until normal retirement age or further defer to age 73.

Hardship withdrawals are permitted for purposes specified by the Internal Revenue Code. Withdrawals cannot exceed the amount of financial need plus any amount necessary to pay taxes or penalties as a result of the withdrawal from accounts that are fully vested.

Forfeited Accounts. Forfeiture accounts may be used at the discretion of the Plan Sponsor. At December 31, 2023 and 2022, these accounts totaled \$37,597 and \$10,765, respectively. Forfeiture account balances used to reduce the Company's discretionary matching contributions and nonelective profit sharing employer contributions during 2023 totaled \$14,874.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee.

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Continued. The Plan utilizes a framework to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. See Note C for discussion of fair value measurements.

Investments measured at net asset value (NAV) per share (or its equivalent using the practical expedient in FASB's fair value measurement guidance) are not required to be categorized in the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contribution Receivable. Employer contribution receivable is measured at the amount owed to participants by the Plan Sponsor at December 31, 2023 and 2022.

Payment of Benefits. Benefits are recorded when paid.

Expenses. Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Expenses incurred for the administration of the Plan are the responsibility of the Plan. Fees related to administration of the Plan are shown on the statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR MARKET VALUE

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2023 and 2022.

Money market: Money market funds are valued at the cost plus accrued interest. The money market funds held by the Plan are deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Trusts: A common trust fund is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-directed brokerage account: The underlying investments, which consist primarily of mutual funds and individual corporate common stocks, are valued at the closing price reported on the open market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR MARKET VALUE – CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Fair Value	Quoted Prices in Active Markets for identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Investments at fair value	<u>\$73,429,531</u>	<u>\$ 73,429,531</u>	<u>\$ -</u>	<u>\$ -</u>

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2023.

December 31, 2023	Fair Value	Unfunded Commitments	Frequency (If Currently Eligible)	Redemption Notice Period
Common trust	\$22,980,353	N/A	Daily	12 months

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE E - TAX STATUS

The Plan is based on a volume submitter adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored Matrix Trust Company. These prototype plan documents have been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

NOTES TO FINANCIAL STATEMENTS

NOTE E - TAX STATUS – CONTINUED

For the years ended December 31, 2023 and 2022, the Plan had no tax liability on unrelated business activity. The Plan believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan's Federal Returns for 2023, 2022, and 2021 are subject to examination by the IRS, generally for three years after they were filed.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Matrix Trust Company (the trustee of the Plan). Accordingly, Matrix Trust has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate.

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 87,113,742</u>	<u>\$ 73,429,531</u>
	Year Ended December, 31 <u>2023</u>	
Investment income		
Dividends and interest	\$ 2,495,146	
Net appreciation in fair value of investments	<u>10,410,929</u>	
Total investment income	<u>\$ 12,906,075</u>	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

NOTE H - PARTY IN INTEREST TRANSACTIONS

The Plan made direct payments to OneAmerica Retirement Services, LLC, the third party administrator, of \$47,152 for recordkeeping services. The Plan also made direct payments of \$49,179 to Global Retirement Partners, LLC. Certain Plan investments are managed by Matrix Trust Company. Other indirect fees for trustee services and administration are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note B, the Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE I - SUBSEQUENT EVENTS

Subsequent events have been evaluated through the audit report date, the date the financial statements were available to be issued.
