INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the Autobody Products, Inc. Profit Sharing Plan
133 South Monroe Street
Butler, Pennsylvania 16001

Opinion

We have audited the accompanying financial statements of Autobody Products, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Autobody Products, Inc. Profit Sharing Plan as of December 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Autobody Products, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Autobody Products, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.**
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Autobody Products, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.**
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Autobody Products, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT-SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

A. Description of Plan

The following description of the Autobody Products, Inc. (company) Profit Sharing Plan (plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions:

- 1) *General.* The plan is a defined contribution plan covering all full time employees of the company who have one year of service and are age twenty-one or older. The plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA).
- 2) *Contributions.* The amount to be contributed to the Plan shall be determined by the Employer, in its absolute discretion. A contribution may be made without regard to the existence of current or accumulated profits. Participants direct the investments of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds as investment options for participants. For the year ended December 31, 2023 the company contributed 15 percent of eligible employees compensation to the plan.
- 3) *Participant Accounts.* Each participant's account is credited with the company's contribution and their respective earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- 4) *Vesting.* A participant will be credited with a year of service for vesting purposes upon completion of 1,000 hours of service during a plan year. A participant is 100 percent vested after 6 years of credited service.
- 5) *Participant Loans.* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$25,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's accounts and bear interest, not less than 1 percent in excess of the prime rate in effect as of the date of such loan. Principal and interest are paid ratably through monthly payroll deductions.
- 6) *Payment of Benefits.* On termination of service due to death, disability, or retirement, a participant may elect to receive a lump amount equal to the value of the participant's vested interest in his or her account, or annual installments over the approximate joint life expectancy of the participant and his spouse or designated beneficiary. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
- 7) *Forfeited Accounts.* At December 31, 2023 forfeited nonvested accounts totaled \$26,582. These accounts will be used to reduce future employer contributions. In 2023, employer contributions were reduced by \$26,658 from forfeited nonvested accounts.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

B. Summary of Accounting Policies

Basis of Accounting.

The financial statements of the plan are prepared on the accrual basis of accounting. Investments held by a defined-contribution plan are required to be reported at fair value. The Statement of Net Assets Available for Benefits and Statement of Changes in Net Assets Available for Benefits are prepared on a fair value basis.

Use of Estimates.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes, therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition.

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan accrues a percentage of the fair market value of the Plan assets which is transferred into a holding account to pay recordkeeping fees and other administrative expenses as they come due. The Company must pay any expenses which exceed amounts accumulated in the holding account.

Subsequent Events

Management has evaluated events as of July 18, 2024, and has concluded that there were no subsequent events that materially affected these financial statements for the years ended December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

C. Fair Value Measurements

FASB ASC 820 Provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

Following is a description of the valuation methodologies used for assets measure at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds

Valued at the net asset value (NAV) of shares held by the plan at year end.

The following methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The plan's assets are valued at Level 1, based upon the FASB ASC 820 method for determining fair value.

D. Plan Termination

Although it has not expressed any intent to do so, the company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

E. Tax Status

The IRS has determined and informed the company by a letter dated January 27, 2015, that the plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Service Code (IRC). The plan administrator and the plan's tax counsel believe that the plan is currently being operated in compliance with the applicable requirements of the IRC.

The federal tax returns of the Plan for 2021, 2022 and 2023 are subject to examination by the taxing authorities, generally for three years after they were filed.

FOR THE YEAR ENDED DECEMBER 31, 2023

F. Risk and Uncertainties

The plan invests in various investment mutual funds. Investment mutual funds are exposed to various risk such as interest rates, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of assets available for benefits.

G. Related Party Transactions

The Company absorbs a portion of the administrative costs related to the plan. Certain administrative functions of the Plan are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

The Plan's investments include proprietary funds managed by American Funds, who holds these investments and therefore, these transactions qualify as party-in-interest transactions.

Participants have loans from their fund accounts outstanding in the amount of \$78,158 and \$50,106, as of December 31, 2023 and 2022, respectively.
