Independent Auditor's Report

To the Plan Administrator
Viwinco, Inc. 401(k) Plan
Morgantown, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Viwinco, Inc. 401(k) Plan ('the Plan'), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Viwinco, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Viwinco, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Viwinco, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report
(continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Viwinco, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Viwinco, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report
(continued)

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Viwinco, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1 - Description of the plan

The following description of the Viwinco, Inc. (“the Company”) 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company age twenty-one or older. Employees are eligible to join the Plan after ninety days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to one hundred percent (100%) of pretax annual compensation, as defined in the Plan, subject to a maximum dollar limit which is set by law. The maximum contribution amount was \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified plans. Participants can change their contribution percentages at any time throughout the year. The Company match is a discretionary contribution. The Company matched fifty percent (50%) of participants’ contributions up to three percent (3%) of their compensation for the years ended December 31, 2023 and 2022. Additional amounts may be contributed at the option of the Company’s board of directors. There were no additional amounts contributed in 2023 or 2022.

Participant accounts

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, an allocation of the Company’s optional contribution and Plan earnings. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. The Plan’s allocation requirements are one (1) hour of service for the Company’s matching contribution and employment by the Company on the last day of the Plan year for the Company’s optional contribution.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Investment options

Upon enrollment in the Plan, a participant may direct employee contributions among various investment options. A participant may change such allocations and investment options daily and may transfer all or a portion of the value of his or her accounts among the various funds.

Viwinco, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 1 - Description of the plan (continued)

Participant notes

Participants may borrow from their fund account(s) up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund(s) from (to) the Participant Notes Funds. Loan terms range from one to five years. Loans taken by the participant that are used to acquire a principal residence of the participant may provide for a repayment period exceeding five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates ranged from 4.25% to 9.50%. Principal and interest are repaid by the participants via weekly or monthly payroll deductions.

Derivative instruments

Derivative instruments, which are held in certain funds, are primarily investments in futures contracts comprising agreements to purchase or sell a commodity for delivery in the future at a price determined at initiation of the contract. The risk of any given transaction may result in a futures trading loss.

Payment of benefits

On termination of service due to death, disability, or retirement a participant or designated beneficiary may elect to receive the value of the vested interest in their account as a lump-sum distribution or installment payments. A participant may also take an in-service distribution upon attainment of the age 59 ½.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's fund investments are stated at fair value, as based on quoted market prices and other observable inputs of the underlying assets, in accordance with the *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification. Participant notes are valued at amortized cost which approximates fair value.

Viwinco, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 2 - Summary of accounting policies (continued)

Investment valuation and income recognition (continued)

The Empower Key Guaranteed Portfolio Fund invests in guaranteed investment contracts which are accounted for in accordance with the requirements of the *Plan Accounting - Defined Contribution Pension Plans - Investments* Topic of the FASB Accounting Standards Codification. Under this FASB Topic, as the guaranteed investment contracts held by the Plan are considered non-benefit responsive, they are valued at fair value, which is the amount participants would receive currently if they were to withdraw or borrow funds from or transfer funds within the Plan.

The interest rates for the Empower Key Guaranteed Portfolio Fund are reset at least as frequently as annually. Using a discounted cash flow valuation methodology, fair value, prior to contract termination, equals contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Plan's administrative expenses are paid either by the Plan or the Company, as provided by the Plan document.

Note 3 - Fair value measurement

The Plan fair values its investments utilizing a hierarchy that prioritizes inputs to the valuation techniques that are used to measure fair value, in accordance with authoritative guidance on fair value measurements and disclosures. Where inputs for an asset fall in more than one level in the fair value hierarchy, the investment is classified in its entirety based on the lowest level input that is significant to that investment's fair value measurement. Assets measured at fair value on a recurring basis are comprised of funds held as available-for-sale securities. The three levels of the fair value hierarchy are described below:

- Level 1 - unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 - inputs are unobservable and cannot be corroborated by observable market data.

Viwinco, Inc. 401(k) Plan
Notes to the Financial Statements
December 31, 2023 and 2022

Note 3 - Fair value measurement (continued)

Fair value of the Plan's fund investments is determined to be Level 1, based on quoted prices in active markets. The underlying investments within each fund may be invested in Level 2 or Level 3.

Realized and unrealized gains are included in total investment income on the statements of changes in net assets available for benefits. Realized and unrealized gains/(losses) were \$754,800 and \$(813,354) for the years ended December 31, 2023 and 2022, respectively.

The following table summarizes the inputs used in valuing the Plan's investments:

	Quoted Prices in Active Markets (Level 1)		Other Significant Observable Inputs (Level 2)		Significant Unobservable Inputs (Level 3)
