INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Boling Vision Center, LLC Employees' Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Boling Vision Center, LLC Employees' Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certifications from MidAtlantic Trust Company as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held at End of Year, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOLING VISION CENTER, LLC EMPLOYEES' RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Boling Vision Center, LLC Employees' Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more comprehensive description of its provisions. The Plan began January 1, 1987.

General. The Plan is a defined contribution plan with a 401(k) provision covering all employees of Boling Vision Center, LLC and Elkhart Day Surgery, LLC, the sponsors of the Plan, (collectively the "Employer"). The custodian of the Plan during the Plan year ended December 31, 2023 was MidAtlantic Trust Company ("MidAtlantic") (the "Custodian").

Eligibility. Employees are eligible to contribute to the Plan as of the first day of the month coinciding with or immediately following 30 consecutive days of employment and upon reaching age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Participant Contributions. The Plan is funded through participant contributions, as well as Employer contributions. Participants may elect to contribute a percentage of their pretax earnings subject to maximum amounts as established by the Internal Revenue Code (the "Code"). Subsequent to year-end, the option to contribute a percentage of their post-tax net earnings to the Plan was added.

The Plan accepts rollovers and transfers as defined in the Plan document. Rollover contributions consist of contributions from other employers' plans which employees have elected to include with the Plan and are reflected in other contributions, if applicable, on the statement of changes in net assets available for benefits.

Employer Contributions. The Employer may elect to make discretionary matching contributions equal to a uniform percentage of an eligible employee's salary deferrals. Discretionary matching contributions equal to 10% of participant deferrals were elected for the year ended December 31, 2023. The Employer may also elect to make a profit-sharing contribution which is allocated to eligible participants as described in the Plan document. The Employer did not elect any profit-sharing contribution for the year ended December 31, 2023.

Participants' Accounts. Each participant's account is credited with the participant's contribution, allocations of the Employer contributions, and Plan earnings, and is charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan document.

Investment Options. Participants direct the investment of their entire account balance into various investment options offered by the Custodian. Participants may change their investment options on a daily basis.

Vesting. Participants are always 100% vested in their contributions and earnings as well as Employer matching contributions. Participants vest in their allocation of Employer profit-sharing contribution accounts in accordance with the following table:

Completed Years of Service	Percentage of Account Balance Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

(Continued)

See Independent Auditor's Report.

BOLING VISION CENTER, LLC EMPLOYEES' RETIREMENT PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 1 – DESCRIPTION OF PLAN (Concluded)**

Notes Receivable from Participants. The Plan provides that a participant may borrow from their vested account balance. Outstanding loans may not exceed the lesser of 50% of the participant's vested balance or \$50,000. This \$50,000 maximum is further reduced by the largest outstanding loan balance during the past year. Interest due on the outstanding balance of a loan is calculated on a daily basis at an interest rate determined by the prime rate (8.50% at December 31, 2023) plus one percent, and is fixed at the time of issuance. The loans are collateralized by the vested account balance of the participant receiving the loan. Loans are repayable in periods up to five years or could be longer if the loan proceeds are used to acquire a principal residence. Should a participant default on a Plan loan, as defined by the Plan loan policy, the loan would then be considered a distribution.

Payment of Benefits. Upon termination, death, retirement, or resignation, a Participant may elect to withdraw his or her balance in a lump sum or in periodic installments. Participants may also withdraw their vested account balances upon attaining age 62. Participants may also obtain hardship withdrawals of their vested account balances.

Forfeitures. Forfeited non-vested accounts totaled approximately \$6,000 and \$5,800 as of December 31, 2023 and 2022, respectively. These accounts will be used to pay certain expenses and/or reduce future Employer contributions. No forfeitures were used to reduce Employer contributions during the year ended December 31, 2023.

Concentration of Credit Risk. As of December 31, 2023, substantially all of the Plan's assets were held by MidAtlantic. The assets of the Plan are managed and administered under the terms of an agreement between Employer and MidAtlantic. MidAtlantic is responsible for the investment of such assets and the accounting for all related receipts and disbursements.

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual method of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's administrator ("Plan Administrator") to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants' loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments. Benefits are recorded when paid.

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Employer, are provided by the Employer at no charge to the Plan, and the Employer's management has no plans to obtain reimbursement of these expenses from the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN ASSETS

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified certain information included in the accompanying financial statements and supplemental schedule is complete and accurate as follows:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2023, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2.** Inputs to the valuation methodology include (1) quoted prices for similar assets and liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;
- Level 3.** Inputs that are both unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Self-Directed Funds. Valued at the daily closing price as reported by each fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual Funds. Valued at closing price reported on the active market on which the mutual funds are traded.

Common Collective Trust. A stable value fund that is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of units of the collective trust ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2023

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

Fair Value of Investments in Entities that use NAV. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023. There are no participant redemption restrictions for those investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	\$ 57,454	N/A	Daily	5 days
December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	\$ 39,205	N/A	Daily	5 days

NOTE 5 – PLAN TERMINATION

While the Employer has not expressed any intent to discontinue its contributions or terminate the Plan, it is free to do so at any time, subject to the provisions of ERISA and the Plan document. In the event of Plan termination, all participants will automatically become fully vested in all their accounts and the Custodian will distribute participant assets.

NOTE 6 – INCOME TAX STATUS

The Internal Revenue Service has determined in a letter dated June 30, 2020, that the prototype plan agreement used by the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operating in compliance with the applicable requirements of the Code.

NOTE 7 – RISKS AND UNCERTAINTIES

The Custodian provides for various investment options in any combination of stocks, bonds, fixed income securities, registered investment companies and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2023 through July 10, 2024, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Boling Vision Center, LLC Employees' Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Boling Vision Center, LLC Employees' Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certifications from MidAtlantic Trust Company as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets Held at End of Year, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOLING VISION CENTER, LLC EMPLOYEES' RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Boling Vision Center, LLC Employees' Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more comprehensive description of its provisions. The Plan began January 1, 1987.

General. The Plan is a defined contribution plan with a 401(k) provision covering all employees of Boling Vision Center, LLC and Elkhart Day Surgery, LLC, the sponsors of the Plan, (collectively the "Employer"). The custodian of the Plan during the Plan year ended December 31, 2023 was MidAtlantic Trust Company ("MidAtlantic") (the "Custodian").

Eligibility. Employees are eligible to contribute to the Plan as of the first day of the month coinciding with or immediately following 30 consecutive days of employment and upon reaching age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Participant Contributions. The Plan is funded through participant contributions, as well as Employer contributions. Participants may elect to contribute a percentage of their pretax earnings subject to maximum amounts as established by the Internal Revenue Code (the "Code"). Subsequent to year-end, the option to contribute a percentage of their post-tax net earnings to the Plan was added.

The Plan accepts rollovers and transfers as defined in the Plan document. Rollover contributions consist of contributions from other employers' plans which employees have elected to include with the Plan and are reflected in other contributions, if applicable, on the statement of changes in net assets available for benefits.

Employer Contributions. The Employer may elect to make discretionary matching contributions equal to a uniform percentage of an eligible employee's salary deferrals. Discretionary matching contributions equal to 10% of participant deferrals were elected for the year ended December 31, 2023. The Employer may also elect to make a profit-sharing contribution which is allocated to eligible participants as described in the Plan document. The Employer did not elect any profit-sharing contribution for the year ended December 31, 2023.

Participants' Accounts. Each participant's account is credited with the participant's contribution, allocations of the Employer contributions, and Plan earnings, and is charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant compensation or account balances, as defined in the Plan document.

Investment Options. Participants direct the investment of their entire account balance into various investment options offered by the Custodian. Participants may change their investment options on a daily basis.

Vesting. Participants are always 100% vested in their contributions and earnings as well as Employer matching contributions. Participants vest in their allocation of Employer profit-sharing contribution accounts in accordance with the following table:

Completed Years of Service	Percentage of Account Balance Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

(Continued)

See Independent Auditor's Report.

BOLING VISION CENTER, LLC EMPLOYEES' RETIREMENT PLAN**NOTES TO THE FINANCIAL STATEMENTS****NOTE 1 – DESCRIPTION OF PLAN (Concluded)**

Notes Receivable from Participants. The Plan provides that a participant may borrow from their vested account balance. Outstanding loans may not exceed the lesser of 50% of the participant's vested balance or \$50,000. This \$50,000 maximum is further reduced by the largest outstanding loan balance during the past year. Interest due on the outstanding balance of a loan is calculated on a daily basis at an interest rate determined by the prime rate (8.50% at December 31, 2023) plus one percent, and is fixed at the time of issuance. The loans are collateralized by the vested account balance of the participant receiving the loan. Loans are repayable in periods up to five years or could be longer if the loan proceeds are used to acquire a principal residence. Should a participant default on a Plan loan, as defined by the Plan loan policy, the loan would then be considered a distribution.

Payment of Benefits. Upon termination, death, retirement, or resignation, a Participant may elect to withdraw his or her balance in a lump sum or in periodic installments. Participants may also withdraw their vested account balances upon attaining age 62. Participants may also obtain hardship withdrawals of their vested account balances.

Forfeitures. Forfeited non-vested accounts totaled approximately \$6,000 and \$5,800 as of December 31, 2023 and 2022, respectively. These accounts will be used to pay certain expenses and/or reduce future Employer contributions. No forfeitures were used to reduce Employer contributions during the year ended December 31, 2023.

Concentration of Credit Risk. As of December 31, 2023, substantially all of the Plan's assets were held by MidAtlantic. The assets of the Plan are managed and administered under the terms of an agreement between Employer and MidAtlantic. MidAtlantic is responsible for the investment of such assets and the accounting for all related receipts and disbursements.

Recent Legislation. The SECURE Act 2.0 was signed into law on December 23, 2022. The SECURE Act 2.0 allows more part-time workers to participate, increases the age for required minimum distributions and reduces the penalty for missed minimum distributions, permits plan participants to elect to receive vested employer contributions on an after-tax basis, and allows penalty free withdrawal for terminal illness, effective January 1, 2023. Additionally, it will allow for higher catch-up contributions, allow for matching contributions on student loan payments, permit plan sponsors to add an emergency savings account to their retirement plans, increase the availability of penalty-free withdrawals, and add automatic enrollment error relief provisions, effective January 1, 2024.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements have been prepared on the accrual method of accounting.

Estimates and Assumptions. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan's administrator ("Plan Administrator") to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Concluded)

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants' loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments. Benefits are recorded when paid.

Administrative Expenses. Certain administrative expenses, including functions performed by officers or employees of the Employer, are provided by the Employer at no charge to the Plan, and the Employer's management has no plans to obtain reimbursement of these expenses from the Plan.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN ASSETS

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified certain information included in the accompanying financial statements and supplemental schedule is complete and accurate as follows:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Investment income and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Note 4: All investment balances.
- The schedule of assets held for investment purposes at end of year as of December 31, 2023, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1.** Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2.** Inputs to the valuation methodology include (1) quoted prices for similar assets and liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;
- Level 3.** Inputs that are both unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

(Continued)

BOLING VISION CENTER, LLC EMPLOYEES' RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

Self-Directed Funds. Valued at the daily closing price as reported by each fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Mutual Funds. Valued at closing price reported on the active market on which the mutual funds are traded.

Common Collective Trust. A stable value fund that is composed primarily of fully benefit-responsive investment contracts and is valued at the net asset value of units of the collective trust ("NAV"). The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2023

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

Fair Value of Investments in Entities that use NAV. The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023. There are no participant redemption restrictions for those investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	\$ 57,454	N/A	Daily	5 days
December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	\$ 39,205	N/A	Daily	5 days

NOTE 5 – PLAN TERMINATION

While the Employer has not expressed any intent to discontinue its contributions or terminate the Plan, it is free to do so at any time, subject to the provisions of ERISA and the Plan document. In the event of Plan termination, all participants will automatically become fully vested in all their accounts and the Custodian will distribute participant assets.

NOTE 6 – INCOME TAX STATUS

The Internal Revenue Service has determined in a letter dated June 30, 2020, that the prototype plan agreement used by the Plan was designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operating in compliance with the applicable requirements of the Code.

NOTE 7 – RISKS AND UNCERTAINTIES

The Custodian provides for various investment options in any combination of stocks, bonds, fixed income securities, registered investment companies and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated all known subsequent events from December 31, 2023 through July 10, 2024, the date the accompanying financial statements were available to be issued, and is not aware of any material subsequent events occurring during this period.
