INDEPENDENT AUDITORS' REPORT

To the Trustees
Herman R. Ewell, Inc
Profit Sharing & Savings Plan
East Earl, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Herman R. Ewell, Inc. Profit Sharing & Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of Herman R. Ewell, Inc. Profit Sharing & Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Matrix Trust Company, a qualified institution, as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by Matrix Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Herman R. Ewell, Inc. Profit Sharing & Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Herman R. Ewell, Inc. Profit Sharing & Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures, responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Herman R. Ewell, Inc. Profit Sharing & Saving Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Herman R. Ewell, Inc Profit Sharing & Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of asset (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HERMAN R. EWELL, INC. PROFIT SHARING & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Herman R. Ewell, Inc. Profit Sharing & Savings Plan is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

Merger:

Effective January 1, 2002, the Company combined the former Non-Union Pension Plan and the Profit Sharing Plan into the Herman R. Ewell, Inc. Profit Sharing & Savings Plan. All employees are eligible to participate in the 401(k) arrangement of the Plan which provides for an elective deferral by each employee. Under the nonelective arrangement or discretionary portion of the Plan, only non-union employees are eligible to participate.

General:

The Plan consists of a profit sharing feature and a 401(k) feature. The profit sharing feature is a discretionary, noncontributory defined contribution profit sharing plan covering non-union employees of Herman R. Ewell, Inc. who have completed (1) year of service and have reached eighteen years of age. Employees are eligible for the 401(k) feature if they have reached eighteen years of age and have completed one hour of service. It is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA) as amended.

Plan Amendment:

On January 1, 2002, the Plan was merged with the Herman R. Ewell, Inc. Pension Plan and the name changed to the Profit Sharing and Savings Plan. The Prototype Plan of the CNA Trust Corporation was adopted and approved by the Internal Revenue Service. Effective January 1, 2010, the Plan was amended to adopt the Prototype Plan of MVP Plan Administrators, Inc., as approved by the Internal Revenue Service. The Plan was restated effective January 1, 2015 to comply with Internal Revenue Service regulations.

The Plan was restated effective January 1, 2021 to comply with Internal Revenue Service regulations.

Contributions:

Participants may contribute a percentage of their annual compensation to the Plan on a tax deferred basis up to a maximum allowed by law. The Company also may contribute a discretionary amount to be allocated proportionately to each participant's account. The Company's 401(k) matching contribution in 2023 was \$281,690.

HERMAN R. EWELL, INC. PROFIT SHARING & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Contributions: (Continued)

For the profit sharing feature, Company contributions are discretionary and thus are only made each year that the Company decides to do so. This decision to contribute is made separately by the Company. When contributions are made, they are allocated among the non-union employees of the Company based on a level percentage of compensation. Contributions are subject to certain limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution. Allocation of Plan earnings and Company's contributions are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the account balance.

Eligibility:

An employee is eligible to participate in the Plan after the employee has attained the age of 18 years. The employee enters the plan on the January 1 or July 1 that immediately follows their employment after one hour of service. Non-union employees are eligible to share in Company matching and profit sharing contributions after the employee has attained the age of 18 years, has been employed by the Company for more than one year, and has worked at least 1,000 hours. Non-union employees are eligible to share in the Company contributions each year that the employee works at least 1,000 hours. Union employees are not eligible to share in the Company contributions. Leased employees are not eligible to participate in the Plan.

Notes Receivable From Participants:

Loans of participant's vested benefits, not to exceed \$50,000 or 50% of a participant's vested balance are permitted. Loans are to carry a reasonable rate of interest and be repaid over a period not extending beyond five years from the date of the loan, unless the sole purpose of the loan was to purchase a principle residence, in which case the loan must be repaid in 15 years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

HERMAN R. EWELL, INC. PROFIT SHARING & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Forfeitures:

Forfeitures of non-vested company contributions are used to reduce future company contributions.

Administrative Expenses:

Some of the expenses incurred in administering the plan were paid directly by the Company.

Vesting:

Vested interest in the Plan is determined by the number of Years of Service an employee has completed. After an employee has completed a Year of Service for vesting purpose, he will be credited with 1,000 Hours of Service during a Plan Year, even if they were not employed on the first or last day of the Plan Year.

The vesting schedule does not apply to the Deferral Contributions Account. Instead, a participant is 100% vested at all times in their Deferral Contributions Account.

The vested interest in their account is determined under the following schedule and is based on vesting Years of Service. A participant will always, however, be 100% vested upon Normal Retirement Age.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Payment of Benefits: (continued)

If the vested balance exceeds \$5,000, the participant must make an election in order to receive a distribution. Elections available are (a) lump sum; (b) purchase of an annuity with joint and 50% survivor benefit; (c) purchase of an annuity with joint and 75% survivor benefit. Upon death, any remaining balance will be distributed to the designated beneficiaries.

Participants may request in-service distributions of vested benefits once they reach the early retirement age of 62 or if they meet the hardship distribution requirements. Rollover contributions received by the plan may be distributed at any time.

Note 2. Summary of Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments:

The Plan's assets are primarily stated at fair value as determined by quoted market prices. Unrealized appreciation or depreciation in the fair value of investments held at year-end and realized gains or losses on sales of investments during the year are determined using the beginning of the year fair value or purchase price if acquired subsequent to that date. Purchases and sales of securities are recorded on a trade-date basis. Capital gain distributions are reported as dividends.

Payment of Benefits:

Benefit payments to participants are recorded upon distribution.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans may be reclassified as distributions based upon the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Accounting Policies (Continued)

Administrative Expenses:

Administrative expenses consist primarily of contract administration fees.

Accounting Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 3. Administration of Plan Assets

Effective July 1, 2005, MVP Plan Administrators, Inc has provided record keeping and investment services for the Plan.

Note 4. Subsequent Events

Date of Management's Review:

The Plan's management has evaluated subsequent events through July 15, 2024, the date the financial statements were available to be issued.

Note 5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

HERMAN R. EWELL, INC. PROFIT SHARING & SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Note 5. Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include: Quoted prices for similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money Market Account: Valued at the net asset value per share at the daily closing price. These funds are held by a bank and are guaranteed up to the maximum allowed by the FDIC.

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2023.

	<i>Assets at Fair Value as of December 31, 2023</i>			
	Level 1	Level 2	Level 3	Total

Note 5. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022.

	<i>Assets at Fair Value as of December 31, 2022</i>			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,992,561	-	\$ -	\$ 11,992,561

Investments at Fair Value	<u>\$ 12,735,105</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,735,105</u>

There were no significant transfers of investments between levels during the year ended December 31, 2023 or 2022.

Note 6. Information Certified by the Custodian (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including all investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company for 2023 and 2022.

Note 7. Federal Tax Status

The Plan adopted a prototype 401(K) profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter dated March 31, 2019 from the Internal Revenue Service stating that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provisions for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTES TO FINANCIAL STATEMENTS

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10. Related Party Transactions

Certain assets of the Plan are managed by Matrix Trust Company. Matrix Trust Company is the custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

The Plan is under the control of Trustees, who are officers of the Company and utilizes MVP Plan Administrators, Inc., an independent employee benefit administration and consulting firm, as the recordkeeper. Participant accounts are maintained by Matrix Trust Company. Some administrative expenses are paid directly by the Plan and others are paid by the Company.

MVP Plan Administrators, Inc. provides certain administrative services to the Plan as part of an agreement between the Company and MVP Plan Administrators, Inc. MVP Plan Administrators, Inc. receives revenues from Comprehensive Financial Planning, a named fiduciary and investment advisor for the Plan. The revenue is used to reduce the amount of fees that would normally be charged to the Plan.

Note 11. Revenue Recognition

Revenue is recognized when control of the promised services is transferred to the customer in an amount that reflects the consideration expected in exchange for those services. The Financial Reporting Executive Committee ("FinREC") issued pending content guidance for employee benefit plans. Per the FinREC guidance, the cash inflows generated by the Plan would not be considered revenue from customers due to the unique relationships created through a multi-employer benefit plan. Therefore, the cash inflows do not meet the requirement to be reported as revenue under ASC 606. No changes in the reporting of revenue are necessary for the Plan.
