## INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Trustees  
NuMark Credit Union 401(k) Plan and Trust  
Joliet, Illinois

### Scope and Nature of the ERISA 103(a)(3)(C) Audit

We have performed an audit of the financial statements of **NuMark Credit Union 401(k) Plan and Trust** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes at the end of the year – Schedule H, Line 4i as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Notes to the Financial Statements

#### 1. Description of Plan

The following brief description of the NuMark Credit Union 401(k) Plan and Trust (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution 401(k) Plan covering virtually all employees of NuMark Credit Union (Company) who have attained the age 21 and have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective March 1, 2023, the Plan was amended to change its eligibility conditions to include years of service with Dynamic Credit Union, AJE Credit Union, Northstar Credit Union and Pioneer State Bank.

**Contributions** – Each year, participants may contribute any percentage of their pre-tax or post-tax compensation, subject to limitations imposed by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also allows employer matching and non-elective profit-sharing contributions. The Company provides an employer matching contribution which is 50% of the participant's elective deferral, up to a maximum of 6% of a participant's compensation. Additionally, the Company makes a profit-sharing contribution equal to 7.5% of eligible participant's compensation, plus 5.7% of eligible participant's compensation that is in excess of the taxable wage base.

Effective January 1, 2014, the Plan was amended to include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1 percent of eligible compensation, and automatically increase each year by 1% up to a maximum of 6%. Additionally, any employees who were eligible before January 1, 2014 and did not have an affirmative election on file to not defer in the Plan were auto-enrolled under the same provisions.

Effective January 1, 2023, the Plan was amended to change the auto enrollment provision to start at 3%, and then increase 1% each year to a maximum of 6%. Additionally, the Company will make safe harbor contributions equal to 100% of participant deferrals up to 1%, plus 50% of participant deferrals between 1% and 6%. Safe harbor contributions vest 100% after two years.

**Participants' Accounts** – Each participant's account is credited with the participant and employer's contribution and investment earnings, net of Plan expenses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Forfeitures** – There were no forfeited non-vested accounts as of December 31, 2023 or December 31, 2022. Forfeitures can be used to reduce employer contributions. In 2023, \$81,349 was used to pay reduce employer contributions.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. There can be one loan at a time, with a five-year maximum repayment schedule unless the loan qualifies as a home loan used to acquire a principal residence. The loans are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. The interest rates on participant notes receivable range from 4.25% - 9.50%.

**Payment of Benefits** – A participant's account balance may be withdrawn upon retirement, death, disability, or termination of employment as defined by the Plan. The Plan defines normal retirement age as 65. Distributions after age 59½ are also allowed by the Plan. Hardship distributions are also allowed by the Plan.

**Plan Termination** – Although the Company has not expressed any intent to terminate the Plan, it may do so at any time. The termination of the Plan is subject to the provisions of ERISA. In the event of Plan termination, all account balances as of the date of termination shall be payable to the participants and beneficiaries.

### 2. Summary of Significant Accounting Policies

**Basis of Accounting** – The accompanying financial statements are prepared using the accrual basis of accounting.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**2. Summary of Significant Accounting Policies (cont'd)**

**Investment Valuation and Income Recognition** – Investments are recorded at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

**Payment of Benefits** – Benefits are recorded when paid.

**Administrative Expenses** – Certain administrative expenses for the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Plan Amendment** – On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security Act, (CARES Act). As a result, changes were made related to Plan withdrawals and loans to participants, for impacted participants, their spouse and dependent(s) who have been diagnosed with virus SARS-CoV-2 or with COVID-19, as well as participants that have experienced adverse financial consequences.

**2. Summary of Significant Accounting Policies (cont'd)**

**Plan Amendment (cont'd)**

The changes applicable to the Plan are summarized below:

- Impacted participants may receive up to \$100,000 in aggregate withdrawals before December 31, 2020.
- 10% penalty tax for early withdrawal is waived.
- Mandatory 20% withholding on distributions will not apply.
- No limit to the number of withdrawals an impacted participant can make.
- Repayment of withdrawal amount is permitted if repayment occurs within three years of the distribution.
- Impacted participants may borrow up to the lesser of \$100,000 or 100% of their vested balance for 180 days beginning March 27, 2020.
- Impacted participant loan payments due from March 27, 2020 through December 31, 2020, including those due following a severance from employment, may be delayed for one year.

On August 3, 2022, the IRS issued Notice 2022-33, which extends the deadlines for qualified retirement plans to adopt amendments reflecting certain optional and required changes under the SECURE, CARES, and Miners Acts. Plan sponsors of defined contribution plans generally now have until December 31, 2025, to amend their plans if they took advantage of benefit changes permitted by these laws, including changes allowed by the CARES Act as part of COVID-19 relief.

The Plan will formally adopt an amendment to address these changes at a later date in accordance with applicable law and IRS guidance.

**Subsequent Events** – The Plan has evaluated subsequent events through July 18, 2024, the date the financial statements were available to be issued.

**3. Information Prepared and Certified by Custodians**

The Company, acting in its capacity as the Plan administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included in the Plan's financial statements and supplemental schedules, that was prepared based on or derived from information prepared by Matrix Trust Company and CMFG Life Insurance Company, the custodians of the Plan, and furnished to the Company.

**4. Fair Value of Financial Instruments**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, "Fair Value Measurements and Disclosures," provides the framework for measuring fair value. That framework provides a three-level valuation hierarchy that prioritizes the inputs to valuation techniques used to measure fair value as follows:

**Level 1** – Valuations are based on unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

**Level 2** – Valuations are based on quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose significant inputs are observable.

**Level 3** – Valuations are based on unobservable inputs for the asset or liability that reflect the reporting entity's own data and assumptions that market participants would use in pricing the asset or liability. These unobservable inputs are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of valuation methodologies used for investments measured at fair value on the Statement of Net Assets Available for Benefits, and the classification of such investments pursuant to the valuation hierarchy.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. These assets are categorized in Level 1 of the fair value hierarchy.

**4. Fair Value of Financial Instruments (cont'd)**

At December 31, 2023, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

|              | Level 1              | Level 2     | Level 3     | Total                |
|--------------|----------------------|-------------|-------------|----------------------|
| Mutual funds | \$ 14,166,900        | \$ -        | \$ -        | \$ 14,166,900        |
|              | <u>\$ 14,166,900</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 14,166,900</u> |

At December 31, 2022, the Plan's financial instruments measured at fair value on a recurring basis were categorized as follows:

|              | Level 1              | Level 2     | Level 3     | Total                |
|--------------|----------------------|-------------|-------------|----------------------|
| Mutual funds | \$ 11,974,072        | \$ -        | \$ -        | \$ 11,974,072        |
|              | <u>\$ 11,974,072</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 11,974,072</u> |

**5. Group Annuity Contract**

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with CMFG Life Insurance Company (CMFG) which totaled \$2,275,718 at December 31, 2023 (\$2,663,752 at December 31, 2022). CMFG maintains the contributions in a general account. CMFG's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. CMFG is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate of the contract is based on an agreed-upon formula with CMFG, as defined in the contract, but may not be less than 0.00%. Interest rates may be adjusted quarterly and are credited daily.

This contract meets the fully benefit-responsive investment contract criteria; therefore, is reported at contract value. Contract value, as reported to the Plan by CMFG, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

### **Notes to the Financial Statements (cont'd)**

---

#### **5. Group Annuity Contract (cont'd)**

The Plan's investment contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. Such circumstances include amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletions of equity was provisions, bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or termination of the contract. The contract does not permit CMFG to terminate the agreement under normal circumstances. Certain events do allow CMFG to terminate the contract with the Plan and settle at an amount different from contract value, including an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation or a material amendment to the agreement without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with CMFG, and that also would limit the ability of the Plan to transact at contract value with the participants.

#### **6. Tax Status**

The Plan has adopted the CUNA Mutual Volume Submitter Profit Sharing Plan. The Internal Revenue Service has determined and informed CUNA Mutual Insurance Society, by a letter dated June 30, 2020, that the Volume Submitter Profit Sharing Plan is designed in accordance with applicable sections of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **7. Related Party Transactions and Party-In-Interest Transactions**

Certain Plan investments are managed by CMFG. As CMFG serves as custodian as defined by the Plan, these transactions are party-in-interest transactions.

Investment management fees are generally included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan to CMFG for administration and recordkeeping totaled \$36,958 for the year ended December 31, 2023. The Plan also paid \$11,631 in investment advisory and certain investment management fees to Members Capital Advisors, Inc. These expenses were not covered by revenue sharing.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
