To the Trustees
Brandywine Counseling & Community Services, Inc.
403(b) Plan
Wilmington, Delaware

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Brandywine Counseling & Community Services, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits - modified cash basis as of September 30, 2022, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Brandywine Counseling & Community Services, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

To the Trustees
Brandywine Counseling & Community Services, Inc.
403(b) Plan

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter – Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Brandywine Counseling & Community Services, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are

To the Trustees
Brandywine Counseling & Community Services, Inc.
403(b) Plan

free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Brandywine Counseling & Community Services, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Brandywine Counseling & Community Services, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Trustees
Brandywine Counseling & Community Services, Inc.
403(b) Plan

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets held (at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Plan
Wilmington, Delaware

We were engaged to audit the accompanying statement of net assets available for benefits - modified cash basis of Brandywine Counseling & Community Services, Inc. 403(b) Plan, as of September 30, 2021 and the related statement of changes in net assets available for benefits - modified cash basis, and the related notes to the financial statements.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Mutual of America, the trustee of the plan, except for comparing such information with the related information included in the financial statement. We have

To the Trustees
Brandywine Counseling & Community Services, Inc.
403(b) Plan

been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Mutual of America as of September 30, 2021 that the information provided to the plan administrator by Mutual of America is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statements. Accordingly, we do not express an opinion on the 2021 financial statements.

Emphasis of Matter – Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statements

The form and content of the information included in the 2021 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A DESCRIPTION OF PLAN

The following description of the Brandywine Counseling & Community Services, Inc. 403(b) Plan ("the Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) Plan covering all employees of Brandywine Counseling & Community Services, Inc. ("the Employer") except for those who are non-resident aliens with no U.S. source income and those who are students performing services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees oversees the governance of the Plan.

Contributions

Each year, participants may contribute up to the maximum allowable by regulation of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions but shall not be considered Salary Reduction Contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or contribution plans. The plan participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a fully benefit responsive investment contract as investment options for participants. The Employer contributes 125 percent of salary reduction contributions, as defined, that do not exceed four percent of compensation for the plan year. An employee must be at least 21 years of age and complete at least one year of service with 1,000 hours to receive employer base contributions under the Plan. Employees who became participants on or after October 1, 2018 are automatically enrolled at one percent of compensation increasing to two percent for the first year, three percent for the second year, and four percent for the third year and each subsequent year. Unless a participant selects otherwise, contributions are invested in a Mutual of American Retirement Fund appropriate to the participant's age at the time. Additionally, the Plan permits Roth contributions. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer's contributions and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

BRANDYWINE COUNSELING & COMMUNITY SERVICES, INC.
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A DESCRIPTION OF PLAN (cont'd)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's contribution portion of their accounts is determined by years of service (starting with the date of hire to the date of termination). A participant is 25 percent vested for each year of credited service, becoming 100 percent vested after five years of credited service.

Notes Receivable from Participants

The Plan currently does not allow participant loans.

Forfeited Accounts

Amounts forfeited in accordance with the Plan's provisions will be used to reduce employer contributions. There were \$298 and \$1 in forfeited nonvested accounts as of September 30, 2022 and 2021, respectively. Forfeitures of \$10,176 and \$13,637 were used during the year ended September 30, 2022 and 2021, respectively.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annuity payments over a period of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions are allowed once a participant has reached age 59½ or the participant's Normal Retirement Date. Hardship withdrawals are permitted in accordance with IRS regulations.

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the modified cash basis of accounting. In accordance with this basis of accounting, contributions, investment income, and related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when a liability is incurred. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in accordance with accounting principles generally accepted in the United States of America.

BRANDYWINE COUNSELING & COMMUNITY SERVICES, INC.
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE B SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Investment Valuation and Income Recognition

The Plan records investments at fair value except for its fully benefit responsive investment contract which is stated at contract value (Note I). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note H for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded when received.

The Plan presents in the statements of changes in net assets available for benefits - modified cash basis the net appreciation (depreciation) in the fair value of its investments, which consist of the realized gains and losses and the changes in unrealized appreciation (depreciation) on those investments.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and changes therein and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain expenses of the Plan are paid directly by the plan sponsor and are excluded from these financial statements. Investment-related expenses are included in net appreciation/depreciation of fair value of investments. Third-party administration fees and member directed service fees are included in administrative expenses.

NOTE C INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

NOTE D RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments include funds managed by Mutual of America, the trustee as defined by the Plan. The plan sponsor paid all the administrative costs except for transaction fees of the Plan reported on the statements of changes in net assets available for benefits - modified cash basis.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE E PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, no more contributions may be made to the Plan, and all participants will become 100 percent vested in their employer contributions.

NOTE F TAX STATUS

Beginning June 1, 2023, IRS Revenue Procedure 2022-40 permits an individually designed 403(b) plan to submit a determination letter application for an initial plan determination, for a determination upon plan termination, and in certain other circumstances defined by IRS guidance. As of July 13, 2023, the Plan has not received a determination letter or an opinion letter from the Internal Revenue Service stating that the Plan is qualified under the applicable requirements of the Internal Revenue Code ("the Code"). However, the plan administrator

BRANDYWINE COUNSELING & COMMUNITY SERVICES, INC.
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE F TAX STATUS (cont'd)

believes the Plan has been designed and is currently operated in compliance with the applicable requirements of the Code and is exempt from federal income taxes under the applicable provisions of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Plan management evaluates tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not will not be sustained upon examination by the Internal Revenue Service. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits - modified cash basis.

NOTE H FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits - modified cash basis.

Consistent with the modified cash basis, the Plan reports fair value using the fair value hierarchy framework. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

BRANDYWINE COUNSELING & COMMUNITY SERVICES, INC.
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE H FAIR VALUE MEASUREMENTS (cont'd)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts and variable deferred annuities are valued at net asset value ("NAV") of the units of the investment, as determined by the investment provider, utilizing the NAV per share practical expedient. The NAV is based on the fair value of the underlying investments held by the investments less its liabilities. The underlying investments, depending upon their nature, may be valued at quoted market prices (for investment in an active exchange market); at prices obtained from third-party pricing services; at non-binding broker quotes (when pricing service information is not available); or through the use of valuation methodologies using observable or unobservable inputs when vendor pricing is not available. In accordance with fair value measurement guidance, investments valued using the NAV per share practical expedient are excluded from inclusion on the fair value hierarchy.

BRANDYWINE COUNSELING & COMMUNITY SERVICES, INC.
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE H FAIR VALUE MEASUREMENTS (cont'd)

Conservative allocation and value portfolios aim to purchase and hold well-priced equity opportunities for long-term appreciation. Aggressive allocation and growth portfolios seek to purchase and sell equities to maximize capital appreciation. International portfolios aim to generate returns through investment in equities and debt instruments in foreign markets. Bond portfolios aim to generate returns while protecting principal through diverse investment in bond markets. Balanced portfolios aim to generate returns while providing some protection of principal through a mix of equity and debt investments. Index portfolios invest in equities to provide returns in line with the portfolio's established index.

NOTE I FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT (GUARANTEED INTEREST CONTRACT)

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Mutual of America Financial Group totaling \$38,650 and \$26,295 as of September 30, 2022 and 2021, respectively. Mutual of America Financial Group maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Guaranteed rates were 3.00 percent - 3.00 percent and 1.50 percent - 3.00 percent as of September 30, 2022 and 2021, respectively. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than one percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the financial group to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mutual of America Financial Group, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

BRANDYWINE COUNSELING & COMMUNITY SERVICES, INC.
403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE I FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT (GUARANTEED INTEREST CONTRACT) (cont'd)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE J PROHIBITED TRANSACTIONS

During the years ended September 30, 2022, 2020, 2019, 2018, and 2017, the plan sponsor failed to remit to the Plan's custodian certain employee contributions totaling \$26,863, \$11,853, \$34,232, \$51,633, and \$74,208, respectively, within the period prescribed by the Department of Labor regulations. The delays in remitting were due to administrative errors. All employee contributions have since been remitted to the Plan.
