INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan
De Pere, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or when applicable, one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sincerely,

SHARING AND RETIREMENT SAVINGS PLAN**
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - Description of Plan

The following description of the Valley Cabinet, Inc. Employees' Profit Sharing and Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan, as adopted effective January 1, 1969 and restated effective July 1, 2021, covering substantially all full-time employees of Valley Cabinet, Inc. (the "Plan sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

An employee becomes eligible to participate in the Plan for making elective deferrals and receiving the discretionary employer match when they have completed six months of service and have attained the age of 19. The Plan entry date is the first day of the quarter following the date an employee satisfies the eligibility requirements. To receive an allocation of the discretionary match an employee must be employed on the last day of the year, unless they are terminated due to death, disability, or attainment of normal retirement age (65), regardless of the amount of service completed during the Plan year.

An employee becomes eligible to receive an allocation of the discretionary profit-sharing contribution when they have completed one year of service and have attained age 19. The Plan entry date is the first day of the month following the date an employee satisfies the eligibility requirements. To share in the discretionary profit-sharing contribution, an employee must complete 1,000 hours of service during the Plan year and be employed on the last day of the Plan year, unless they are separated from service due to death, disability, or attainment of normal retirement age, regardless of the amount of service completed during the Plan year.

Contributions - Participants may elect to contribute a portion of their eligible compensation to the Plan, not to exceed the amount allowed by the Internal Revenue Service ("IRS"). The Plan has an automatic contribution arrangement of 4%, an option that participants may opt out of by declining enrollment or by electing their own percentage. Participants may also contribute amounts representing distributions from other qualified contribution plans. Participants direct the investment of their contributions to various investment options offered by the Plan. The Plan sponsor may contribute a discretionary matching contribution equal to a percentage or amount determined annually by the Plan sponsor. The discretionary matching contribution will be applied on a uniform basis to all participating participants employed at the end of the Plan year. The Plan sponsor may also make additional discretionary profit-sharing contributions (to be determined annually). Each participant will share in the discretionary profit-sharing contributions based on their compensation in proportion to total participant compensation.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Plan sponsor's discretionary matching contribution, (b) the Plan sponsor's discretionary profit-sharing contribution, and (c) Plan earnings (losses), and charged with an allocation of investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

SHARING AND RETIREMENT SAVINGS PLAN**
NOTES TO FINANCIAL STATEMENTS - Continued
DECEMBER 31, 2023 AND 2022

NOTE 1 - Description of Plan - Continued

Vesting - Participants are immediately vested in their voluntary contributions and rollover contributions, if any, plus actual earnings (losses) thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service. Participants who are employed on or after their normal retirement age (65), or are terminated due to death or disability, are automatically 100% vested in all employer contributions.

Participant Loans - The Plan includes a provision allowing eligible participants to borrow, from their fund accounts, a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by certain outstanding notes. Note terms range from one to five years; however, if the note is for the purchase of a principal residence, longer repayment terms may be permitted. Notes are secured by the balance in the participant's account and bear a commercially reasonable rate of interest. Interest rates range from 8.25% to 10.50%. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits - Upon retirement (age 65), death, disability or termination of service, participants with an account balance exceeding \$5,000 may elect to receive the value of his or her vested account balance in a lump-sum distribution, a series of substantially equal periodic installments not to exceed the participant's life expectancy, or partial withdrawals, as described in the Plan's provisions. Participant accounts with a vested account balance that does not exceed \$1,000 are paid in a lump sum as soon as feasible. Participant accounts with a vested account balance greater than \$1,000 (including amounts attributable to rollover contributions) and not exceeding \$5,000 will receive distribution in the form of a single lump-sum payment or will be automatically rolled over to an individual retirement account (IRA). If the account balance exceeds \$5,000, a participant's consent must be obtained before a distribution may be made.

Administrative Expenses - All administrative expenses may be paid by the Plan unless paid by the Plan sponsor. During 2023 and 2022, expenses were paid by both the Plan and the Plan sponsor.

Forfeitures - At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$5,273 and \$16,805, respectively. These amounts will reduce future employer contributions and plan expenses. During 2023 and 2022, employer contributions and plan expenses were both reduced by \$12,650 and \$7,597 from forfeited nonvested accounts, respectively.

NOTE 2 - Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements and supplemental schedule is as follows:

Basis of Accounting and Presentation - The financial statements of the Plan are prepared using the accrual method of accounting and are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

NOTE 2 - Summary of Significant Accounting Policies - Continued

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable From Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan sponsor has evaluated subsequent events through July 17, 2024, the date which the financial statements were available to be issued.

NOTE 3 - Concentrations

The Plan's investments that represented 10 percent or more of the Plan's net assets available for benefits as of December 31, 2023 and 2022 are as follows:

	DECEMBER 31,	
	2023	2022
Vanguard Developed Markets Index Fund	\$ 4,067,457	\$ 3,601,795
Charles Schwab S&P Index Fund	*	7,366,431
Fidelity 500 Index Fund	7,607,974	*

* Investment is less than 10% of the Plan's Net Assets

NOTE 4 - Fair Value Measurements

The Plan has determined the fair value of certain assets in accordance with the provisions of U.S. GAAP, which provides a framework for measuring fair value under generally accepted accounting principles.

NOTE 4 - Fair Value Measurements - Continued

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
----------------	--

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
----------------	---

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Money market fund: Valued at cost which approximates fair market value.

NOTE 4 - Fair Value Measurements - Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	DECEMBER 31, 2023	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Money Market Fund	\$ 1,720,361	\$ 1,720,361	\$ -	\$ -
Mutual Funds	35,513,069	35,513,069	-	-
Total investments at fair value	\$ 37,233,430	\$ 37,233,430	\$ -	\$ -
	DECEMBER 31, 2022	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Money Market Fund	\$ 1,230,532	\$ 1,230,532	\$ -	\$ -
Mutual Funds	30,307,814	30,307,814	-	-
Total investments at fair value	\$ 31,538,346	\$ 31,538,346	\$ -	\$ -

NOTE 5 - Information Certified by the Plan Trustee

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the years ended December 31, 2023 and 2022, was obtained or derived from the information furnished to the Plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the trustee of the Plan. Notes receivable from participants and related interest income were not certified by the trustee.

NOTE 6 - Tax Status

The Plan sponsor became a participating employer in the Wipfli LLP Defined Contribution Volume Submitter Plan and Trust effective January 1, 2015, and is relying on its determination letter dated June 30, 2020. The Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (the "IRC"). Plan administrator and the Plan's tax counsel believe the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 - Tax Status - Continued

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7 - Transactions with Parties-in-Interest

Fees for legal and professional services rendered to the Plan may be paid for by the Plan Sponsor at its discretion. The Plan invests in a deposit management program account and cash account that are managed by the trustee. Additionally, the Plan allows participants to take out loans against their account balances and those activities are deemed party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 8 - Amounts Owed to Participants Withdrawing from the Plan

Amounts owed to participants who had elected to withdraw from the Plan, but had not been paid totaled \$8,464 and \$1,250 as of December 31, 2023 and 2022, respectively.

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 10 - Plan Termination

Although it has not expressed intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
