Independent Auditor's Report

Plan Administrator and Participants of
Dream Finders Homes 401(k) Plan
Jacksonville, Florida

Opinion on the 2023 Financial Statements

We have audited the financial statements of Dream Finders Homes 401(k) Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of delinquent participant Contributions for the year ended December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of Dream Finders Homes 401(k) Plan were audited by predecessor auditors whose report dated June 28, 2023, expressed an unmodified opinion on those financial statements.

Dream Finders Homes 401(k) Plan
Notes to Financial Statements

1. Description of Plan

The following description of the Dream Finders Homes 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan’s provisions.

General

The Plan was established by Dream Finders Homes, Inc. (the “Company”) on January 1, 2014. The Plan is a defined contribution plan for the benefit of eligible employees of the Company. Employees of the Company may begin participating the first day of the quarter after 90 days of continuous employment and as long as they have attained the age of 18. The Plan is administered by the Benefit Investments Committee (the “Committee” or “Plan Administrator”), and the trustee for the Plan was John Hancock Trust Company LLC through October 31, 2023. Effective November 1, 2023, the trustee for the Plan is Reliance Trust Company (the “Trustee”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Participants may contribute pre-tax or after-tax salary deferrals to the Plan, as defined by the Plan and subject to certain limitations set by the Internal Revenue Code (the “Code”). The Plan includes an automatic enrollment program known as a qualified automatic contribution arrangement (“QACA”). Under the QACA, employee pre-tax salary deferrals are automatically withheld unless the employee opts out or makes changes to the program. In addition, employees who have reached the age of 50 by the end of the Plan year may make catch-up contributions up to limits defined by the Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover contributions”).

The Company makes matching safe harbor contributions equal to 100% of the first 1% of eligible Plan compensation and 50% of the next 5% of eligible Plan compensation. The Plan also permits discretionary contributions.

Participant Accounts

Each participant’s account is credited or debited with the participant’s contributions, as well as with any Company contributions, rollover contributions, fees, expenses and allocations of investment earnings or losses. The participant is entitled to the benefit derived from the participant’s vested account balance.

Vesting

Participant salary deferral contributions and certain other contributions as defined by the Plan document are immediately vested. Company safe harbor contributions and related earnings are 100% vested after two years of service. Discretionary contributions, if any, are subject to a six year vesting schedule.

Investment Options

Participants may direct the Plan to invest funds in their account to the available options within the Plan. Participants may direct up to 25% of their account to invest in the Company’s stock fund (“Dream Finders Homes Stock Fund”). The Plan currently offers investments in various money market and mutual funds, a stable value collective trust and the common stock of the Company.

Forfeitures

In the event that a participant’s employment is terminated, non-vested amounts in the Plan will be forfeited. Forfeited balances are used to reduce employer contributions or to pay administrative expenses for the Plan.

During the year ended December 31, 2023, forfeitures totaling \$286,690 were used to reduce employer contributions, and \$20,000 were used to reduce plan expenses. As of December 31, 2023 and 2022, there were forfeited non-vested accounts totaling \$531 and \$103,781, respectively.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in their account in accordance with Plan provisions. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Expenses

Administrative expenses of the Plan may be paid by the Company or the Plan. Unless paid by the Company, administrative expenses are charged to participant accounts based on the nature of the expense or allocated to participant accounts proportionally based on the value of the account balances.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

Notes Receivable from Participants

Participant loans were previously not permitted under the Plan through October 31, 2023. During this time, some participant loans had been carried over from other defined contribution plans that were previously merged into the Plan as a result of prior year business acquisitions. Effective November 1, 2023, participants may borrow up to 50% of their vested account balance subject to a maximum of \$50,000 and a minimum of \$1,000. The loans are secured by the balance in the participant's account. Generally, the term of the loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the term may be up to 15 years. The loan interest rate is set at 1% above the prime rate as published in the Wall Street Journal on the 14th of every month. Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2023, notes receivable from participants bore interest at interest rates ranging from 4.25% to 9.50%.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and are based on information provided to Plan management by the Trustee.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments during the year in addition to the unrealized change in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on an accrual basis and dividends are recorded on the ex-dividend date. Management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Contributions

Contributions from Plan participants and the related matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Loans in default are deemed distributions from the Plan to the participant.

Payment of Benefits

Benefits are recorded when paid.

3. Fair Value Measurements

Fair value represents the amount that would be received for selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair values are determined using a fair value hierarchy based on the inputs used to measure fair value. Level 1 inputs are unadjusted quoted prices in active markets for identical assets and liabilities. Level 2 inputs are inputs other than quoted market prices that are observable for the asset or liability, either directly or indirectly. Level 3 inputs are unobservable and significant to the fair value. The methods used may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values.

The following table represents the Plan's investments measured at fair value as of December 31, 2023 and 2022 with respect to the observed fair value hierarchy level:

		December 31,	
	Level	2023	2022
Fair Value Measurements:			
Investments in registered investment companies	1	\$ 66,165,093	\$ 56,107,872
Dream Finders Homes Stock Fund	1	718,116	146,983
Collective trust	see below	2,141,872	3,400,702
Total investments measured at fair value		\$ 69,025,081	\$ 59,655,557

The fair values of investments in registered investment companies—such as money market and mutual funds—and in the Dream Finders Homes Stock Fund—comprised of the Company's common stock and cash—are determined based on quoted market prices in active markets. The fair values of participation units held in collective trust are measured based on the net asset value ("NAV") per unit practical expedient and have not been classified in the fair value hierarchy. The collective trust provides for daily redemptions by the Plan at reported NAV per share, with no advance notice requirement. The collective trust in which the Company invests has no withdrawal restrictions for participant-initiated or plan sponsor withdrawals.

See Schedule H, Line 4i herein for a list of all investments in registered investment companies, the Dream Finders Homes Stock Fund and the collective trust.

4. Income Tax Status

The Internal Revenue Service issued a determination letter dated October 6, 2020 stating that the Plan was in accordance with the applicable plan designed requirements as of that date. Since the date of the determination letter, the Plan has been amended. The Plan Administrator believes the Plan as adopted and amended is designed and operating in compliance with the applicable requirements of the Code and, therefore, the Plan remains qualified and tax-exempt for the periods presented.

U.S GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the U.S. federal, state, or local tax authorities. As of December 31, 2023 and 2022, Management has evaluated the Plan's tax positions and concluded that there were no uncertain tax positions taken that require recognition of a liability (or asset) in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Risks and Uncertainties

The Plan invests in a combination of investment securities which are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net assets Available for Benefits.

6. Party In Interest and Related Party Transactions

Effective November 1, 2023, Automatic Data Processing, Inc. ("ADP") became the Plan's recordkeeper when the Plan changed its Trustee. The Plan paid \$2,795 to ADP and \$103,542 to John Hancock for recordkeeping services provided to the Plan during the 2023 Plan year. The Plan also utilizes the services of an investment advisory group and \$78,788 in investment advisory fees were allocated to participant account balances during the 2023 Plan year. These providers are considered parties in interest to the Plan and related payments are included in administrative expenses in the accompanying Statement of Changes in Net Assets Available for Benefits. As described in Note 1, Description of Plan and Note 3, Fair Value Measurements, Plan investments also include shares of the common stock of the Company held in the Dream Finders Homes Stock Fund.

7. Nonexempt Transactions

The Company determined that during the Plan year 2022, certain Plan contributions were not remitted within the required timeframe specified by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, which have been reported on the supplemental Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) in the amount of \$63,015. During the Plan year 2023, the Company determined that all Plan contributions were remitted within the required timeframe. Plan management has completed all proposed corrections outside of the Voluntary Fiduciary Correction Program and has taken corrective actions to ensure compliance with the Plan's contribution policies.

8. Subsequent Events

Management has evaluated subsequent events through the date the financial statements were issued and, except for the items described below, there were no subsequent events requiring recognition or disclosure in the financial statements.

On February 1, 2024, the Company completed its acquisition of the majority of the homebuilding business of Crescent Ventures, LLC ("Crescent Homes"). The Crescent Homes 401(k) plan and the Plan were not merged. As of the acquisition date, the acquired employees are subject to the Plan's provisions, which allow for the acquired employees to satisfy continuous employment eligibility requirements based on their previous employment with Crescent Homes. Effective the same date, all employees of the Company, including the acquired employees, may begin participating in the Plan the first day of the month after 60 days of continuous employment as long as they have attained the age of 18.

Effective April 1, 2024, the Company increased the matching safe harbor contributions to 100% of the first 2% of eligible Plan compensation and 50% of the next 4% of eligible Plan compensation.
