Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocean House Management, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ocean House Management, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocean House Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets Held at End of Year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN

### Notes to Financial Statements

#### **Note 1 – Plan description**

The following brief description of the Ocean House Management, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information is provided within the Plan documents.

##### *General*

The Plan was established by Ocean House Management, LLC (the “Company”) effective January 1, 2011 for the benefit of its employees. The Weekapaug Inn and Restaurant, LLC (“Participating Employer”) which is an affiliated company started participating in the Plan effective March 31, 2012. The Plan is a defined contribution plan and is subject to the provisions of the Internal Revenue Code (“IRC”) and the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Ascensus Trust Company is the trustee of the Plan’s assets. During 2022, all assets were transferred from John Hancock Life Insurance Company to Ascensus Trust Company.

##### *Eligibility*

The Plan covers all Company employees except for interns, as well as the employees of the Participating Employer who have completed six months of service, provided they have reached 21 years of age. The Plan is classified as a Multiple-Employer arrangement as the Company and Participating Employer are not under common control (collectively they are referred to as the “Sponsors”).

##### *Contributions*

Each year, subject to an overall maximum annual pre-tax contribution pursuant to Internal Revenue Service (“IRS”) regulations, participants may contribute a percentage of their compensation. Participants who are 50 and older may also be eligible for catch-up contributions. Rollover contributions from other qualified retirement plans are permitted.

The Sponsors contribute a safe harbor matching contribution equal to 100 percent of the first six percent of the participant’s salary deferral.

At its discretion, the Sponsors may make additional profit sharing contributions on behalf of eligible employees to the Plan for a plan year. To be eligible for a discretionary profit sharing contribution, an employee must be employed on the last day of the plan year and must have completed at least 1,000 hours of service during the plan year. There were no profit sharing contributions for 2022.

##### *Participant accounts*

Each participant’s account is credited with the participant’s contributions, the Sponsors matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

## OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN

### Notes to Financial Statements

#### *Distribution of benefits*

Upon termination of employment for any reason, including retirement, a participant's vested account is generally distributed either in a single lump-sum payment or in installments over a period of time. Participants who are still employed may withdraw their vested accounts upon attaining age 59-1/2. If the termination is before the normal or early retirement dates and is for a reason other than death or disability and the vested balance is \$1,000 or less, the entire balance will be distributed. For retired participants, the latest commencement date for distributions is April 1 of the calendar year following the year in which the participant attains age 70-1/2 through 2020 and age 72 thereafter. A participant may request withdrawal from their account in the case of hardship as defined in the Plan document.

#### *Vesting*

Participants are immediately vested in their voluntary contributions and the Sponsors safe harbor matching contributions plus actual earnings thereon. Vesting in the Sponsors' discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service in their discretionary contributions.

A year of vesting service is a Plan year in which the participant has been credited with at least 1,000 hours of service.

#### *Notes receivable from participants*

Participants of the Plan may elect to borrow from their vested account balances a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000, whichever is lower. Maximum loan amounts must be reduced by the participant's highest outstanding loan balance in the 12-month period before the date their loan is granted. The notes are secured by the balance in the participant's account and, as of December 31, 2022, bore an interest rate of 3.25% to 7.00%. Uncollectible notes receivable are charged to the participant's account. All notes must be repaid within five years, except for notes used to acquire a principal residence, which must be repaid within ten years. The interest rate charged on notes receivable from participants is equal to the prime rate plus 1% on the date the note is made.

#### *Forfeited accounts*

Non-vested forfeited participant accounts may be used to reduce any employer contribution or to pay eligible administrative expenses of the Plan. Plan assets included unallocated forfeitures of approximately \$0- and \$300 on December 31, 2022 and 2021, respectively.

### **Note 2 – Summary of significant accounting policies**

#### *Basis of accounting*

The Plan prepares its financial statements and supplemental schedule on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, contributions and expenses are not recognized until received or paid, respectively.

## OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN

### Notes to Financial Statements

#### *Accounting estimates*

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

#### *Administrative expenses*

Certain costs of plan administration are absorbed by the Plan Sponsor. Recordkeeping fees paid by participants are included in administrative expenses. Certain other investment related expenses are included in net appreciation or depreciation in fair value of investments.

#### *Investment valuation and income recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the valuation policies utilizing information provided by the investment advisors and custodians. See the discussion under Fair Value Measurements for a description of valuation methodologies used for assets measured at fair value.

Purchases and sales of securities are reflected on a trade-date basis. Gain or loss on sales of investments is based on average cost. The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statement of Changes in Net Assets Available for Benefits which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Interest income is recorded, as earned, on an accrual basis. Dividend income is recorded on the ex-dividend date.

#### *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan documents.

#### *Payment of benefits*

Benefits are recorded when paid.

#### *Risks and uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

### Notes to Financial Statements

#### Note 3 – Information certified by the Plan's trustees (*unaudited*)

The following information included in the Plan's financial statements was derived from data that has been certified by the trustees as being complete and accurate and has been furnished to the plan administrator.

|                                                       | December 31  |           |

| Investment in mutual funds                            | \$ 4,444,811 | \$ –      |
| Investment in cash equivalent                         | 42,705       | –         |
| Pooled separate accounts                              | –            | 4,911,133 |
| Notes receivable from participants                    | 44,541       | 18,896    |
| Net depreciation in fair value of investments         | 851,488      |           |
| Interest income on notes receivable from participants | 1,317        |           |

#### Note 4 – Fair value of investments

The fair value measurements topic of the FASB Accounting Standards Codification (FASB ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts are investments measured at fair value using the Net Asset Value ("NAV") per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy.

Mutual funds are valued at the Net Asset Value ("NAV") of shares held by the Plan at year end.

Cash equivalent represents an investment in a money market fund and is valued at the Net Asset Value ("NAV") of shares held by the Plan at year end.

All of the Plan's investments for 2022 and 2021 are classified as Level 1, within the fair value hierarchy, at December 31.

#### Note 5 – Plan termination

The Plan was established with the expectation that it will continue indefinitely. The Plan may be terminated if the Sponsors decide to do so; however, the Sponsors have not expressed an intent to terminate the Plan. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

## **OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN**

### **Notes to Financial Statements**

#### **Note 6 – Income tax status**

The Plan has not obtained a private letter ruling or determination letter from the Internal Revenue Service stating that the plan, as designed, is in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). However, the Plan operates under a prototype plan sponsored by The Angell Pension Group, Inc. The prototype plan sponsor has obtained an opinion letter dated March 31, 2008, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examinations by Federal or State tax authorities. The plan administrator has concluded that as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 7 – Related party transactions**

Affiliates of the trustees manage investments and provide recordkeeping services to the Plan. These investments and the administrative fees associated with the recordkeeping services qualify as party-in-interests transactions. Notes receivable from participants are also considered party-in-interest transactions.

#### **Note 8 – Risks and uncertainties**

The Plan provides for various investment options which invest in stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the values of investment securities can occur in the near term and those changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

#### **Note 9 – Subsequent events**

The Plan has evaluated subsequent events and transactions through September 15, 2023 the date the financial statements were available to be issued. There were no events or transactions that occurred that would require recognition or disclosure in the financial statements.
