Report of Independent Auditors

Plan Administrator
Alliance Member Services, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alliance Member Services, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Alliance Member Services, Inc. 401(k) Retirement Plan

Notes to Financial Statements

Years ended December 31, 2022 and 2021

Note A - Description of Plan

General
The following description of the Alliance Member Services, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Alliance Member Services, Inc. (the Sponsor) is a nonprofit company incorporated in Vermont to provide management services to affiliates within the Nonprofits Insurance Alliance (NIA). The Plan was originally adopted on January 1, 1993. The Plan is a defined contribution plan and is subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Sponsor also serves as the Plan Administrator. Ascensus Trust Company (The Trustee), a subsidiary of Ascensus, Inc., serves as the Plan's Trustee. The Trustee paired with The Vanguard Group (Vanguard) in order to offer a bundled plan that combines Vanguard's low-cost investment options with the recordkeeping expertise of the Trustee. Pursuant to an agreement, the Trustee also provides specified regulatory and administrative services to the Plan.

The Plan covers all employees who are age 18 or older, with eligibility beginning the first day of employment.

Contributions
Plan participants may contribute up to 90% of their eligible compensation through pre-tax or roth deferrals each Plan year, subject to certain limitations established by law. The statutory maximum amount of contributions allowed is $20,500 and $19,500 for those under age 50 for 2022 and 2021. For those ages 50 or older, the statutory maximum amount of contributions allowed is $27,000 and $26,000 for 2022 and 2021. At the discretion of the Plan Administrator, participants may roll over distributions from other qualified plans to their accounts.

The Plan provides for safe harbor matching contributions at a minimum 4% each year. In addition to the safe harbor match, the Sponsor may make the following discretionary contributions to the Plan: 1) qualified non-elective contributions (QNEC), 2) profit sharing contributions. These contributions are generally determined each year by the managing body of the Sponsor.

For Plan years 2022 and 2021, the Sponsor contributed to the Plan as follows:

	2022	2021
Safe harbor contributions:	6% of compensation	6% of compensation
Profit sharing:	None	None
QNEC:	None	None

Note A - Description of Plan (continued)

Investment of assets
Participants direct their contributions and the Sponsor's contributions to one or more investment options, provided by the Plan, in 1% increments. Participant accounts are segregated for the purpose of determining gains and losses on the investments.

Vesting
Participants are 100% vested in their own salary deferrals, rollovers, safe harbor contributions and QNECs. Vesting in profit sharing contributions and actual earnings thereon is based on years of service, and participants are fully vested after six years in accordance with the following schedule:

Years of Service	Vested Interest
2	20%
3	40%
4	60%
5	80%
6	100%

If a participant terminates employment with the Sponsor prior to full vesting, the non-vested portion of his or her account attributable to the Sponsor's profit sharing contributions and earnings thereon is forfeited. Forfeitures of non-vested participant accounts are used to either pay the Plan's administrative expenses or are used to reduce employer contributions. The Plan used approximately $0 of forfeited amounts to reduce Sponsor contributions in 2022 and 2021. As of December 31, 2022 and 2021, unapplied forfeited non-vested accounts totaled $0.

Payment of benefits
Benefits are recorded when paid. Employee contributions and Sponsor contributions are available for distribution to participants upon death, disability, termination of employment or attainment of age 59½ and are subject to the applicable provisions of the Plan agreement. Additionally, hardship withdrawals are permitted by the Plan, provided certain conditions are met. At December 31, 2022 and 2021, no benefit distributions had been requested by Plan participants but not yet paid.

Notes receivable from participants
Plan participants are allowed to borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. Loan repayment terms may not exceed five years and a participant can have no more than two loans outstanding from the Plan at any time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with market rates for similar loans, as defined in the Plan. For the years ended December 31, 2022 and 2021, the interest rates ranged from 4.25% to 8.00% for all outstanding loans. Principal and interest are paid ratably through monthly payroll deductions.

Note A - Description of Plan (continued)

Plan termination
Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon termination, all amounts credited to participant accounts become 100% vested.

Note B - Significant Accounting Policies

Basis of accounting and use of estimates
The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions which affect the reported amounts of net assets available for benefits at the date of the financial statements, disclosures of contingent assets and liabilities and the reported changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition
Investments are stated at fair value. Current accounting guidance establishes a three-level hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets (Level 1), the next priority to quoted prices for identical assets in inactive markets or similar assets in active markets (Level 2) and the lowest priority to unobservable inputs (Level 3).

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments in shares of mutual funds are valued at readily determinable quoted market prices.

Investment valuation and income recognition (continued)
Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments on the statements of changes in net assets available for benefits consists of the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Administrative expenses
The Plan is responsible for payment of custodial expenses and fees; however, the Sponsor may pay the Plan's expenses.

Note B - Significant Accounting Policies (continued)

Subsequent events
The Plan has evaluated subsequent events through October 11, 2023, the date on which these financial statements were available to be issued, and considered any relevant matters in the preparation of the financial statements and note disclosures.

Note C - Income Tax Status

The Plan is a prototype plan for which the Internal Revenue Service (IRS) issued a determination letter as to the acceptability of the form of the prototype plan under the Internal Revenue Code (IRC). The Plan is relying on that determination and has not applied for a separate determination letter. Accordingly, no provision for income taxes has been included in the Plan's financial statements. Although the Plan has been amended since receiving the determination letter, the Sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Sponsor analyzed the tax positions taken by the Plan and concluded that as of December 31, 2022 and 2021, no uncertain positions were taken or expected to be taken that would require recognition of a liability or disclosure within the financial statements. No tax planning strategies were used in 2022 and 2021.

Note D - Information Certified by Plan Trustee

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net change in the fair value of investments, interest and dividend income, and investment expenses for the years then ended, was obtained or derived from information provided to the Sponsor and certified as complete and accurate by Ascensus, LLC.

Note E - Investments

The following tables shows how the Plan's investments are categorized in accordance with the fair value hierarchy as of December 31, 2022 and 2021.

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 21,591,688	$ -	$ -	$ 21,591,688
Total investments	$ 21,591,688	$ -	$ -	$ 21,591,688

Note E - Investments (continued)

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 25,945,551	$ -	$ -	$ 25,945,551
Total investments	$ 25,945,551	$ -	$ -	$ 25,945,551

Note F - Transactions with Parties-in-Interest

Ascensus Trust Company is the Plan Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the Trustee for services provided amounted to $2,204 and $1,336 for the years ended December 31, 2022 and 2021, respectively.

Certain Plan investments are shares of mutual funds managed by Vanguard. Vanguard is the recordkeeper of the Plan and therefore, these transactions with Vanguard qualify as party in interest transactions. The Plan's investments held in Vanguard funds represent 94% and 95% of the Plan's total assets as of December 31, 2022 and 2021, respectively.

The Plan allows loans to certain participants that are secured by the balances in the participants' accounts. As such, loans to participants represent transactions with parties-in-interest.

Certain Plan expenses, primarily record-keeping, loan and distribution fees are paid directly by the Sponsor. Additionally, certain administrative functions related to the Plan are performed by employees of the Sponsor. Neither the Sponsor nor its employees receive compensation from the Plan for these services.

Note G - Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
