Independent Auditors' Report

Plan Administrator
Merakey 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Merakey 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes an opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted with generally accepted auditing standards will detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a-Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and of Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting records in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C).

MERAKEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of Merakey 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan, established on January 1, 2002, covering all eligible employees of Merakey USA (the Company) who are age 21 or older. All employees are eligible except for those employees who participate in the Merakey 403(b) Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan to plan transfers occur between the Plan and other plans sponsored by the Company as a result of changes in employee status in the normal course of business. For the year ended December 31, 2022, \$94,621 in assets, net, were transferred from the Merakey 403(b) Plan and \$510,472 in assets, net, were transferred from the Small Hands/Big Hearts 401(k) Plan.

2. Contributions

Each year, eligible employees may elect to contribute a percentage of total compensation (as defined by the Plan), subject to Internal Revenue Service (IRS) regulations. Entry date will be the first day of the pay period next following the employee's first pay date. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. At the discretion of the plan administrator, participants may also be permitted to rollover contributions from other retirement plans.

To be eligible to receive employer contributions to the Plan the employee must have been employed for a minimum of 1 year (1,000 hours during the plan year) and be age 21 or older. Entry date will be the first day of the pay period coincident with or next following the first day of the calendar month.

The employer will make a contribution matching the employee deferrals limited to 50 cents on the dollar of up to 4.0% of the participant's compensation.

The employer is also able to make discretionary qualified non-elective contributions and qualified matching contributions. There were no discretionary qualified non-elective contributions made for the year ended December 31, 2022.

3. Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary contributions and plan earnings net of administrative expenses. Allocations are based on participant's salary, account balance, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE A - DESCRIPTION OF THE PLAN - Continued

4. Vesting

Participants are fully vested in their employee deferral contributions as well as all employer contributions, plus actual earnings thereon.

5. Investment Options

Upon enrollment in the plan, a participant is able to direct the investment of their entire account balance. The plan administrator provides participants with information on the available options maintained by Massachusetts Mutual Life Insurance Company (for the period beginning January 1, 2022 through September 9, 2022), a party-in-interest and by Empower Financial Services, Inc (for the period beginning September 10, 2022 through December 31, 2022), a party-in-interest. Because all investments are participant directed, the accounts are segregated for determining the earnings or losses on investments.

6. Payment of Benefits

Participant accounts may be withdrawn by, or distributed to, a participant only upon termination of service or attaining the age of 59 $\frac{1}{2}$. Withdrawals prior to age 59 $\frac{1}{2}$ are not permitted, except in the event of death, disability, financial hardship, or a qualified domestic relation order. Payments will be in a lump sum. Partial withdrawals are permitted for required minimum distributions.

Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59 $\frac{1}{2}$.

7. Notes Receivable from Participants

The trustee may make loans from the Plan to participants for hardship or financial necessity in accordance with the plan document. All loans to participants are considered a directed investment from the participant's account, and all payments of principal and interest on loans are credited to the participant's account. The interest rate on all loans will be the Prime Rate plus 1% per annum. Loans are limited to the lesser of 50% of the participants account balance or \$50,000. All loans are to be repaid within five years unless the loan is used to acquire a principal residence, in which case the term may be longer.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

MERAKEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

3. Investment Valuation and Income Recognition

Investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note D for a discussion of fair value measurements.

The net depreciation in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the plan.

Purchases and sales of investments are recorded on a settlement date basis. Interest income is accrued as it is earned and dividends are recorded as of the ex-dividend date.

4. Payment of Benefits

Benefits are recorded when paid.

5. Plan Expenses

Certain plan administrative expenses are paid from a plan expense reimbursement account ("PERA"). These payments are made with revenue derived from the plan. Any plan expenses in excess of the PERA are paid by the company.

An asset charge is assessed to each participant account on a pro rata basis to partially offset the plan's management and investment costs. The plan's asset charge is a percentage of total plan assets and is included in administrative expenses in the accompanying financial statements.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022.

7. Subsequent Events

The plan has evaluated subsequent events through September 15, 2023, the date the financial statements were available to be issued.

NOTE C - INFORMATION CERTIFIED BY THE PLAN CUSTODIANS

Management elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA. Accordingly, as permitted under such election, management limited auditing procedures with respect to the investment information certified by Reliance Trust Company (the custodian as of December 31, 2021 and for the period beginning January 1, 2022 through September 9, 2022) and Empower Trust Company, LLC (the custodian for the period beginning September 10, 2022 through December 31, 2022), which included:

- a. Total investments as shown in the accompanying statements of net assets available for benefits of \$3,839,968 as of December 31, 2022 and \$3,791,874 as of December 31, 2021.
- b. Net depreciation in fair value of investments as shown in the accompanying statement of changes in net assets available for benefits of \$798,663 for the year ended December 31, 2022.
- c. Dividends as shown in the accompanying statement of changes in net assets available for benefits of \$156,114 for the year ended December 31, 2022.
- d. Net appreciation in contract value of investments as shown in the accompanying statement of changes in net assets available for benefits of \$2,180 for the year ended December 31, 2022.
- e. All investment-related information in the accompanying supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

- Mutual Funds - Valued at the net asset value of shares held by the plan at year-end.

MERAKEY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE D - FAIR VALUE MEASUREMENTS - Continued

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy the plan's assets at fair value as of December 31, 2022 and 2021:

Assets at fair values as of December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 3,742,116	\$ -	\$ -	\$ 3,742,116
Total assets at fair value	<u>\$ 3,742,116</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,742,116</u>
Assets at fair values as of December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 3,636,287	\$ -	\$ -	\$ 3,636,287
Total assets at fair value	<u>\$ 3,636,287</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,636,287</u>

NOTE E - GUARANTEED INVESTMENT CONTRACT

The plan has a fully benefit-responsive group annuity contract. The Capital Preservation Investment option is an insurance company separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented at contract value on the face of the statements of net assets available for benefits. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

MERAKEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE E - GUARANTEED INVESTMENT CONTRACT - Continued

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, as amended. The plan administrator does not believe that any events that would limit the plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the plan and settle at an amount different from contract value. Such events include the following: (1) an uncured violation of the plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; or (4) a material amendment to the agreements without the consent of the issuer.

At December 31, 2022 and 2021, the contract value of the Capital Preservation Investment Option was \$97,852 and \$155,587, respectively.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain fully vested on all amounts credited to their separate accounts.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

MERAKEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

Plan investments are managed by the Custodian, therefore, these transaction qualify as party-in-interest transactions. Transactions with parties-in-interest also include fees paid during the year for custodial, accounting, and other services, as well as contributions to the Plan by the Company and loans made to participants. All of these transactions are exempted from prohibited transaction rules under ERISA.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

MERAKEY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE J - EXCESS CONTRIBUTIONS PAYABLE

The Plan failed the discrimination test for the years ended December 31, 2022 and 2021. Excess contributions amounting to \$30,535 and \$50,247, respectively, are recorded as a liability in the accompanying statements of net assets available for benefits and as a \$30,535 reduction of employee contributions for the year ended December 31, 2022 in the accompanying statement of changes in net assets available for benefits. The Plan reimbursed these excess contributions to its participants during 2023 and 2022, respectively.

NOTE K - TAX STATUS

The Plan has adopted a volume submitter profit sharing plan with CODA (adopted plan). The adopted plan obtained its latest advisory letter on June 30, 2020, in which the Internal Revenue Service states that the adopted plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the adopted plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to examinations prior to 2019.

NOTE L - PROHIBITED TRANSACTIONS

During 2022, the Company failed to remit participant contributions in a timely manner. The company identified two instances for a total of \$18,008 in which participant contributions were remitted to the plan in violation of Department of Labor (DOL) regulations. The company intends to enter into the DOL Voluntary Correction Program (VCP).
