INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Pfeiffer & Son, Ltd. Employee's Profit Sharing and Trust
LaPorte, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of Pfeiffer & Son, Ltd. Employee's Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

As described in Note 1, these financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 1.

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Opinion on the Financial Statements (Continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 1.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 1.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year (modified cash basis) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Benton, Duroy & Ivey, P.C.

Certified Public Accountants

Other Matter Supplemental Schedule Required by ERISA (Continued)

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

PFEIFFER & SON, LTD. EMPLOYEE'S PROFIT SHARING AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. Summary of Significant Accounting Policies

A summary of the major accounting policies followed by the Pfeiffer & Son, Ltd. ("Company") Employees' Profit Sharing Plan and Trust ("Plan") in the preparation of the accompanying financial statements is presented below:

The Plan's investments in mutual funds are reported at fair value as determined by Fidelity Management Trust Company, based on quoted market values of underlying assets. Purchases and sales of securities are recorded on a trade-date basis.

The financial statements of the Plan are prepared using the modified cash basis method of accounting. Additions are recognized when cash is received and deductions are recognized when cash is paid.

The Profit Sharing Plan is qualified under Section 401(a) of the Internal Revenue Code (the "IRC") and is exempt from Federal Income Taxes under 501(a) of the IRC.

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. For federal income tax purposes the tax returns essentially remain open for possible examination for a period of three years after the date on which those returns are filed.

The presentation of financial statements in conformity with modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Plan Participants' Equity

The net assets available for Plan benefits are composed of the trust fund established by the Plan's Trustee for the benefit of Pfeiffer & Son, Ltd. participants.

The Plan's investments are held by a retirement plan service company and are composed of money market, growth and income funds.

4. Description of Plan

The following provides only general information of the Pfeiffer & Son, Ltd. Employee's Profit Sharing Plan and Trust. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the company who have one year of service, 1,000 hours of service during the plan year, and are employed as of the last day of the plan year. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

The trustee of the Plan is the plan administrator, who is the managing member of the plan sponsor/Company. Among other duties, the trustee is responsible for overseeing the Plan and evaluating plan management and service providers. Fidelity Management Trust Company serves as the custodian of the Plan's assets. The custodian's duties include receiving contributions, holding and investing the fund assets in accordance with the directions of the participants, and making distributions as directed by the plan administrator or participant. Fidelity Investments Institutional Operations Company, Inc. serves as the third party administrator, responsible for plan administration, recordkeeping, and transaction processing, including maintaining complete and accurate account records for all plan participants, allocating contributions and earnings, posting distributions and forfeiture information to participant accounts, and preparing participant statements and reports.

Administrative Charges

All administrative expenses of the Plan may be paid by the Plan or the Company and may be reduced by forfeitures. Investment management fees are assessed by the custodian and are offset against investment income.

Employer Contributions

Each year, the company may make an annual discretionary profit sharing contribution determined at Plan year end by the Board of Directors. The Plan allows for a total employee and employer contribution of up to twenty-five percent (25%) of qualified wages, with combined employer and employee contributions not to exceed \$66,000 for 2023 and \$61,000 for 2022. An additional contribution of \$7,500 for 2023 and \$6,500 for 2022 is permitted for employees age 50 or older by year end. During the years ended December 31, 2023 and 2022, the Company made contributions consisting of a twelve percent (12%) profit sharing plus a three percent (3%) safe harbor non-elective contribution of the qualified previous year wages not exceeding \$49,500 and \$45,750 per participant per year, respectively.

4. Description of Plan (Continued)

Employee Contributions

Starting April 1, 2007, participants may elect to contribute up to 60% of their annual wages as either traditional, pre-tax contributions and/or Roth contributions. These combined contributions are subject to annual IRS dollar limitations as set forth by Section 415 of the Internal Revenue Code and are adjusted on an annual basis for cost-of-living increases. For 2023 and 2022, the maximum contribution that can be made is \$22,500 and \$20,500 per year, respectively, plus an additional catch-up contribution of \$7,500 and \$6,500 for employees who are at least age 50 by the end of the year. Only an employee's salary deferral contributions can be allocated to the Roth account.

Participant Accounts

Each participant's account is credited with his or her respective employee and employer contribution and an allocation of (a) plan earnings, and (b) forfeitures of terminated participant's non vested accounts as determined by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct their investments into any combination of available options within the Plan. Loans are not permitted under the Plan.

Vesting

Participants are always 100% vested in amounts contributed from their salary deferrals. The vesting percentage in the participant's account generated from employer discretionary profit sharing and safe harbor non-elective contributions are determined under the following schedule and is based on vesting years of service.

<u>Years of Service</u>	<u>Percent Vested</u>
0 - 2	0%
2 - 3	20%
3 - 4	40%
4 - 5	60%
5 - 6	80%
6 or more	100%

Forfeitures

The non-vested portion of a terminated participant's account balance remains in the Plan. Forfeitures are available to pay future employer contributions, plan related administrative expenses, and/or reallocated among the accounts of eligible participants. In 2023, \$-0- forfeitures were utilized for employer contributions, \$-0- of forfeitures were utilized for auditing fees, and \$41,000 were utilized for investment advisory fees. In 2022, \$71,507 forfeitures were utilized for employer contributions, \$9,405 of forfeitures were utilized for auditing fees, and \$41,000 were utilized for investment advisory fees. Forfeited non-vested accounts totaled \$39,548 and \$49,951 at December 31, 2023 and 2022.

4. Description of Plan (Continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will be entitled to receive 100% of their account balance in either a lump sum amount or in annual installments over a specified period of time.

On termination of service for reasons other than death, disability or retirement, a participant will be entitled to receive only the vested percentage of their account balance upon achievement of reaching the Plan's normal retirement age or early retirement age, if applicable, with the remainder of their account being forfeited. Non-vested account balances are moved from the employee's account into the forfeiture account after a five year break in service.

A participant may at any time file for a hardship distribution based on account of an immediate and heavy financial need. Hardship withdrawals will be permitted only from a participant's deferral contribution account.

In-Service distributions may be made to a Participant who has not separated from service provided the participant has attained the age of 60, or 55 and has 15 years of employment with the company, and can only be made from accounts that are fully vested. Participants become fully vested upon reaching the normal or qualified early retirement age.

5. Continuation of the Plan

The Company intends to continue the Plan indefinitely, but has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

6. Participant Directed Investments

Investments held by the Plan represent participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investments. Participants should see the Fidelity Investments website for the investment choices offered.

7. Party-in-Interest Transactions

Plan investments are money market accounts and mutual funds managed by Fidelity Management Trust Company, an entity that is a party-in-interest with respect to the Plan. These transactions are exempt and covered by the Prohibited Transaction Exemption provisions of ERISA and the Code.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

8. Administrative Expenses

Administrative Expenses consist of Audit Fees, Investor Fees, and Custodian Fees. Custodian Fees include a rebate credit that is received from the mutual funds and applied to the expenses. Administrative fees as of December 31, 2023 and 2022 consist of the following:

	<u>2023</u>	<u>2022</u>
Audit Fees	\$ -0-	\$ 9,405
Advisor Fees	60,635	63,275
Custodian Fees	(94,038)	(87,197)
	<u>\$ (33,403)</u>	<u>\$ (14,517)</u>

9. Risks and Uncertainties

The Plan may invest in various types of investment securities which are not insured by the federal government. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

10. Certification Information

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information prepared and certified by a bank or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The plan administrator has obtained certifications from the Fidelity Management Trust Company (custodian) that all information provided by them is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, net appreciation (depreciation) in fair value of investments, interest income and all information in the Supplemental Schedule H, line 4i, Schedule of Assets (held at year end), is presented solely upon reliance on those certifications. The independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information in the financial statements, notes to financial statements, and supplemental schedule.

11. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

11. Fair Value Measurements (Continued)

	<u>Fair Value Measurements Using:</u>	
	<u>Fair Value</u>	Quoted Prices in Active Markets (Level 1)
<u>December 31, 2023</u>		
Mutual Funds	<u>\$ 64,010,197</u>	<u>\$ 64,010,197</u>
<u>December 31, 2022</u>	<u>Fair Value</u>	<u>(Level 1)</u>
Mutual Funds	<u>\$ 52,436,852</u>	<u>\$ 52,436,852</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

12. Subsequent Events

Subsequent events were evaluated through July 22, 2024, which is the date the financial statements were available to be issued.
