Plan Administrator
Bristow Group Inc. Employee Savings & Retirement Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Bristow Group, Inc. Employee Savings & Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions and maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

July 22, 2024
Bristow Group, Inc. Employee Savings & Retirement Plan

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRISTOW GROUP INC. EMPLOYEE SAVINGS & RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

Note 1 - Plan Description

The following description of the Bristow Group Inc. Employee Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions. The Plan was adopted by the Company on July 1, 1976 and has since been amended and restated.

General

The Plan is sponsored by Bristow Group Inc. (the Company or Employer) for employees of the Company and certain subsidiaries.

Administration of the Plan

The trustee for the Plan is Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC). Empower Retirement, LLC is the recordkeeper.

Eligibility

The Plan is a defined contribution plan covering substantially all employees except: non-resident aliens, leased employees, certain reclassified employees, interns and temporary or seasonal employees scheduled to work less than 1,000 hours of service. However, a temporary or seasonal employee who completes 1,000 hours of service will become eligible to participate on the next regular entry date. Eligible employees may participate in the Plan immediately upon hire. The Plan has an income deferral program under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent related amendments and revisions.

Contributions

Eligible participants may elect to defer between 1% to 50% of their eligible plan year compensation on a pre-tax and/or Roth basis. Eligible participants may defer up to 100% of their bonus compensation. Eligible participants may also make after-tax contributions. Deferred amounts are subject to limits imposed by the IRC. Eligible participants who have attained age 50 before the end of the plan year can make catch-up contributions.

The Company makes safe harbor non-elective contributions to all eligible employees equal to 3% of the employee's eligible annual compensation as defined in the Plan agreement.

The Company may contribute a discretionary matching contribution to be allocated in a nondiscretionary manner based on each participant's elective deferral. The amount is determined each year at the discretion of the Employer. The Plan was amended May 25, 2022 to change the calculation period for the discretionary matching contribution from every pay period to each plan year. For the year ended December 31, 2023, the Company made discretionary matching contributions equal to 100% of each participant's elective deferrals not in excess of 3% of a participant's eligible compensation.

BRISTOW GROUP INC. EMPLOYEE SAVINGS & RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2023 and 2022

The Company may also make a discretionary non-elective contribution at the option of the Company's Board of Directors. No such contribution was made for the year ended December 31, 2023.

Participant Accounts

Participants direct the investment of their accounts into various investment options offered by the Plan. Under the Plan, earnings and losses are allocated to the participants' accounts daily according to an allocation formula provided in the plan document.

Rollover Contributions

Generally, if a participant receives a distribution from another qualified plan, as defined in the IRC, as amended, the participant can deposit or rollover those funds into the Plan.

Vesting

Participants are immediately vested in their contributions and the earnings thereon. Participants are also immediately vested in all contributions made by the Company.

Payment of Benefits

Distributions may be made to participants upon termination of employment, death, disability or retirement. Under certain circumstances, participants may withdraw a portion of their account while still employed for reasons of financial hardship, upon the attainment of age 59½ and for other permitted reasons, as defined. Withdrawals from the Plan may be subject to income tax on contributions and income earned.

Notes Receivable from Participants

Participants are allowed to borrow up to the lesser of \$50,000 or 50% of their vested balance. Participants may have two loans outstanding at a time. Interest is charged at 1% over the prime rate published by the Wall Street Journal on the first business day of the month before the loan is originated, with scheduled repayments to be made through salary deferrals. The loans are typically repaid over a period no longer than five years; however, primary residence loans may be repaid up to a period of 30 years.

Forfeitures

The Plan permits the use of forfeitures to be used to reduce employer contributions and to pay administrative expenses. The forfeiture balance at December 31, 2023 and 2022 was \$1,494 and \$1,006, respectively. For the year ended December 31, 2023, no forfeitures were used to pay plan expenses or to reduce employer contributions.

Note 2 - Summary of Significant Accounting Policies

Basis of Financial Statements

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value except the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributed to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan, as discussed in Note 4, invests in the Empower Investments Fixed Account - Series III.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement. As of December 31, 2023 and 2022, no allowance for credit losses was considered necessary by management.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivables from participants, recordkeeping, investment advisory and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

See independent auditor's report.

BRISTOW GROUP INC. EMPLOYEE SAVINGS & RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2023 and 2022

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and may impact participants' account balances and the amounts reported in the financial statements.

Subsequent Events

Management of the Plan evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through July 22, 2024, which is the date the financial statements were available to be issued. See Note 9.

Note 3 - Fair Value Measurements

GAAP provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

BRISTOW GROUP INC. EMPLOYEE SAVINGS & RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2023 and 2022

The following are descriptions of the valuation methodologies used for assets measured at fair value.

Mutual funds: The shares of mutual funds are valued at quoted market prices in an exchange and active market, which represent the net asset values of shares held by the Plan.

Self-Directed Brokerage Account: Account primarily consists of mutual funds, cash, and common stocks that are valued at the closing price reported by the active market on which the individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used as of December 31, 2023 or 2022 as compared to prior periods.

As of December 31, 2023 and 2022, the Plan's investments measured at fair value on a recurring basis were as follows:

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 160,032,302	\$ -	\$ -	\$ 160,032,302

BRISTOW GROUP INC. EMPLOYEE SAVINGS & RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2023 and 2022

Note 4 - Contract with Empower Annuity Insurance Company of America

The Plan invests in the Empower Investments Fixed Account - Series III, a general account product of Empower Annuity Insurance Company of America (EAICA) offered through a group annuity contract which qualifies as a fully benefit-responsive investment contract. The fund is managed by Empower Capital Management, LLC. The product seeks to achieve consistent returns and invests primarily in bonds. Interest is credited daily on a portfolio basis. The credited interest rate may change or stay the same each quarter but may not be less than .05%. The contract is included in the statements of net assets available for benefits at contract value, as reported to the Plan. Contract value represents contributions plus interest, less participants' withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value. Such events include: certain plan sponsor initiated events, which require at least 30 calendar days advance notice; termination of the contract by the plan sponsor for any reason other than full plan termination, which requires at least 60 days advance notice; and the plan sponsor cannot offer competing funds unless agreed upon, in which case amounts withdrawn from the fixed account must be transferred to a non-competing fund and remain there for at least 90 days before transferring to a competing fund. In order to discourage excessive trading, participant transfers may be restricted for up to 30 days in the event of excessive participant trading. Plan management does not believe the occurrence of any events that would limit the Plan's ability to transact at contract value with participants are probable.

Note 5 - Certified Information

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator has obtained certifications from Empower Trust Company, LLC for the mutual funds, the self-directed brokerage account and participant loans and from EAICA for the Empower Investments Fixed Account - Series III as of December 31, 2023 and 2022, and for the year ended December 31, 2023, that all of the information provided is complete and accurate. Information included in the financial statements and accompanying notes to the financial statements as to investments, notes receivable from participants, investment income, interest income on notes receivable from participants, and all of the related information in the supplemental schedule of assets (held at end of year), is presented in reliance solely upon these certifications.

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the information included in the financial statements, the accompanying notes to the financial statements and the supplemental schedule.

Note 6 - Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of the Plan termination, participants will become fully vested in their entire account balances.

BRISTOW GROUP INC. EMPLOYEE SAVINGS & RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2023 and 2022

Note 7 - Federal Income Tax Status

The non-standardized pre-approved plan document adopted by the Plan received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022 stating that the pre-approved plan document was in compliance with the applicable requirements of the IRC. The pre-approved plan document has been amended since receiving its IRS letter; however, the plan administrator, through its adoption of the pre-approved plan document, believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Parties In Interest

The Plan invests in a contract with EAICA, a party in interest. Notes receivable from participants also qualify as party-in-interest transactions. The Plan's self-directed brokerage account contains \$21,944 of Bristow Group Inc. common stock as of December 31, 2023. All of these transactions are covered by an exemption from the prohibited transaction provisions of ERISA and the IRC.

Note 9 - Subsequent Events

Effective June 1, 2024, eligible employees, except those participants who are already contributing at least 3% of their eligible compensation, will automatically begin deferring 3% of compensation, as defined, unless otherwise instructed by the employee. Eligible employees will have their deferral percentage increased by 1% each year up to a maximum of 10%, unless otherwise instructed by the employee. Participants automatically enrolled will have their deferral increased on the anniversary of their entry date.
