Transactions pursuant to DOL Sec. 2520.103-6(c) (1)(i) and 2520.103-6(d):
 A transaction within the plan year, with respect to any plan asset, involving amount in excess of 5% for Schedule H filers of the current value of plan assets.

*** NO REPORTABLE TRANSACTIONS ***

Department of Labor regulations require that reportable transactions be determined based on the value of the plan assets as of the beginning of the plan year, (unless the Form 5500 is being filed for the initial plan year -- in which case the value of the plan assets as of the end of the plan year is used). Please note that if your plan converted to Fidelity during the plan year, or Fidelity did not recordkeep all of the plan assets as of the beginning of the plan year, Fidelity is unable to determine the actual value of the plan assets as of the beginning of the plan year. Therefore, the beginning of year value reflected on this report would not be correct. You should apply the value of the transactions identified on this report to the actual value of the assets as of the beginning of the plan year to determine whether or not they are reportable (i.e., exceed 5% of the actual value of plan assets as of the beginning of the year).

If you believe there are associates or plan service providers who have received total non-monetary compensation, from all sources of \$5,000 or more, that are not reflected on this report, you may contact your Fidelity representative and ask for a detailed summary of non-monetary compensation provided during the plan year. For additional information, please refer to the Auditor's Guide.
- Fidelity utilizes omnibus accounts at unaffiliated banks to facilitate transactions for the defined contribution plans it services as set forth in your trust or service agreement or letter of authorization. If markets permit, omnibus account balances are invested in short-term investments that generally earn a rate approximating the Target Federal Funds Rate and/or money market rates. These earnings are called "float" and are considered eligible indirect compensation for purposes of Schedule C. Fidelity uses these earnings to pay bank fees and make other required adjustments and generally retains any float earnings that exceed such fees and adjustments. Fidelity is responsible for paying bank fees to the extent they exceed float earnings.
- Since the amount of float generated depends on the length of time that assets are held in the omnibus accounts, Fidelity adheres to the following specific time frames within which cash pending investment or distribution is held:

SCHEDULE C SUPPLEMENTAL REPORT

- If contributions are received by Fidelity in good order before the close of trading, Fidelity executes transactions in the investment options as of that day's closing price (the "transaction date" or "T"). Settlement of trades for most investment options occurs on the following business day ("T+1") or, in the case of certain securities including company stock, on T+2 (prior to September 5, 2017 the settlement period for certain securities including company stock was T+3).
- Exchange requests received by Fidelity in good order before the close of trading are processed in that day's nightly cycle. If investment options have identical settlement rules, exchanges between them generate no overnight balances, as money is received from one investment option and conveyed to another investment option on the same business day. If investment options have different settlement rules, balances attributable to exchanges may remain in the omnibus account for a few days if FMTC serves as trustee of the plan.
- Disbursement requests received in good order before the close of trading are processed in that day's nightly cycle, and reflected as debits from participant accounts as of that date ("T"). Proceeds attributable to disbursements are received from investment options or from the unaffiliated Plan trustee based on the settlement period for the investment options. Disbursements are made to participants on T+2 either through electronic funds transfers or by mailing a check. Disbursement proceeds distributed by check remain in the omnibus account until the check is presented for payment.
