Independent Auditor's Report

Plan Administrator
Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of January 2, 2023, and December 31, 2022, and the related statement of changes in net assets available for benefits for the period ended January 2, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of January 2, 2023 and December 31, 2022, and for the period ended January 2, 2023, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Delinquent Participant Contributions for the period ended January 2, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust

Other Matter - Supplemental Schedule Required by ERISA

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, effective January 2, 2023, the Employer elected to merge the Plan into the Paychex Pooled Employer Plan. Our opinion is not modified with respect to this matter.

1. Description of the Plan

The following description of the Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to eligible employees of Westchester Family Care Inc. (the Employer) who are age 18 or older. Union employees, non-resident aliens, and employees as a result of transaction, as defined, are generally excluded from participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer is responsible for the administration of the Plan and has entrusted the maintenance of records and the day-to-day administration to TAG Resources, LLC (TAG) who processes transactions through Transamerica Financial Life Insurance Company (Transamerica), the custodian.

Effective January 2, 2023, the Plan merged into the Paychex Pooled Employer Plan. Plan assets were subsequently transferred to Paychex, the recordkeeper, who processes transactions through Mid Atlantic Trust Company, the custodian.

Contributions

Each year, participants may contribute up to 90% of their pre-tax annual compensation, as defined in the Plan. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants can change the investment options previously elected at any time.

The Employer may make discretionary matching, nonelective, and qualified nonelective contribution to the Plan. Participants are eligible to receive discretionary matching contributions at the same time they are eligible for participation in the Plan. Participants are eligible to receive discretionary nonelective contributions after completing 1,000 hours of eligible service if they are age 18 or older. In addition, the employee must have completed 500 hours of service during the Plan year and be employed on the last day of the Plan year. For the period ended January 2, 2023, the Employer did not make any contributions to the Plan.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's discretionary matching, nonelective, and qualified nonelective contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, and discretionary qualified nonelective contributions plus actual earnings on these contributions. Vesting in the Employer's discretionary matching and nonelective contribution portion of their accounts plus related earnings thereon is based on years of vesting service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1 but less than 2	33%
2 but less than 3	66%
3 or more	100%

Prior to January 1, 2022, vesting in the Employer's discretionary matching and nonelective contribution portion of their accounts plus related earnings thereon was based on years of vesting service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

1. Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or early retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants electing to receive benefits after the normal retirement age may choose either a lump-sum amount or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or roll over their account into another individual retirement account. The Plan permits in-service and hardship withdrawals under certain conditions.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan and are considered nonparticipant-directed investments. Forfeitures may be used to pay administrative expenses and to reduce future Employer contributions.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein. Accordingly, actual results could differ from those estimates.

Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value except for its benefit-responsive investment contract, which is valued at contract value (Note 6). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Employer determines the Plan's valuation policies utilizing information provided by Transamerica. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make scheduled repayments and the Plan administrator deems the note receivable to be in default, the note receivable balance is reduced and a benefit payment recorded.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 22, 2024, the date the financials were available to be issued.

Notes to Financial Statements (continued)

3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held as of January 2, 2023 and December 31, 2022, and transfer to Paychex Pooled Employer Plan for the period ended January 2, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica.

4. Concentrations

The Plan has one investment representing greater than 20% of net assets available for benefits as of December 31, 2022.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan can access.
- Level 2 Inputs to the methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy for assets and liabilities is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

5. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts: Valued at the net asset value (NAV) which equals the number of shares of the respective underlying fund, multiplied by the closing NAV per share quoted by that fund. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
2022:				
Pooled separate accounts*	\$ —	\$ —	\$ —	\$579,210

* - In accordance with Subtopic 820-10, the Plan's interest in the pooled separate accounts is measured at fair value using the NAV per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. The NAV is determined by Transamerica and is based on the fair value of the underlying assets held by the funds. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Fair value of Investments that use NAV

The following table summarizes investments measuring at fair value based on NAV per share as of December 31, 2022:

Investment Type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice for Period
Pooled separate accounts	\$579,210	None	Daily	Daily

Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements (continued)

6. Group Annuity Contract

The Plan invests in a fully benefit-responsive investment contract with Transamerica totaling \$16,604 as of December 31, 2022. Transamerica maintains the contributions in a general unallocated account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The effective rate of interest is established every January 1 and July 1 and is based on the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no guaranteed minimum or maximum interest rate under this contract, no unfunded commitments, and redemption frequency and notice period can occur daily.

The contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

7. Related Party Transactions and Party-in-Interest Transactions

Plan investments are in accounts of Transamerica; therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants and participant contributions are also considered to be party-in-interest transactions. Employer contributions are considered to be both party-in-interest and related party transactions.

8. Tax Status

The Plan adopted non-standardized pre-approved profit sharing plan which had received an opinion letter dated August 17, 2021, from the IRS which stated the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Westchester Family Care Inc 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements (continued)

9. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.
